Employee name | Employee ID No.

INSTRUCTIONS: *Print the space or unit number* (occupied or unoccupied) – except for hotels or motels where you will only *write in the unit numbers* provided by the contact person). Be sure to *list spaces or units* as they appear on ground. *Identify which spaces have mobile home (with or without wheels) on them by marking the box with an "X" in the MH in Column (1).*

- *Print space or unit number in column (1). Mark (X) if space is occupied in column (2).*
- Approach the space and use the following script:
  Hello, I'm *(your name)* **from the U.S. Census Bureau.** *(Show ID card.)*
  To make sure we count everyone who would be residents in the Special Census, we visit places like hotels, motels, RV parks, and marinas.
- Hand the respondent an SC-1(F), *Information Sheet*, and allow time so they can read the Confidentiality Notice. *Continue with column (3).*

Print the space or unit number (1)	Is this space occupied? *Mark (X) one* (2)	**Does everyone here have another place to live besides this** *(RV/boat/room/unit)***?** (3)	**Does anyone spend more time in this** *(RV/boat/room/unit)* **than at another place?** (4)	Name of Respondent *(Last Name, First Name)* (5)	Processing ID Label (6)

MH – Mobile Homes

Mobile homes (also called trailers) are usually placed in one location and not expected to be moved, but may retain the ability to be moved. They may have a covering around the foundation or they may be elevated off the ground. A recreational vehicle (RV) or camping trailer is expected to be moved under its own power or towed.
