Your Answers Are Confidential

Your participation in the special census is extremely important and is needed in obtaining information about your community. Although the individual responses are voluntary, the information the special census receives from you ensures the completeness and accuracy of the results. We estimate that it will take about 10 minutes to complete this interview. Respondents are not required to respond to any information collected unless a valid approval number has been assigned by the Office of Management and Budget. The approval number for the Special Census is: OMB No. 0607-0368.
