

Indiana Boundary Information

The U.S. Census Bureau will no longer be sending the annual Boundary and Annexation Survey to Indiana townships. Per the Indiana Code, counties provide the updates for the townships. Please refer to Indiana Code 36-6 Government of Townships: <http://www.in.gov/legislative/ic/code/title36/ar6/ch1.html> for more information.

Please report township boundary changes on your county maps or request specific townships maps.
