

# MMI Contact Information Form

Form Approved  
OMB No: 0920-0840  
Exp. Date: 1/31/2019

Public reporting burden of this collection of information is estimated to average 1 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-0840)

# MMI Contact Information Form

Congratulations. Based on your answers, you qualify to enroll in our study. Please provide the following information (first name, phone number, email address and contact preference) so we may contact you to schedule your participation in the study. The information you provide here will be kept separate from other information you provide to us in the course of this study, and access to any contact information you provide will be limited to key study staff.

What is your first name, nickname, or name you'd like us to call you by? \*

Phone number:

What is your current email address?

If study staff contacts you regarding participation in the study, how would you most prefer to be contacted?

Phone call

Text message

what is your current email address?

---

If study staff contacts you regarding participation in the study, how would you most prefer to be contacted?

Phone call

Text message

Email

No preference

---

Please take a moment to review your answers before submitting them. Please make sure that your contact information is accurate, as inaccurate contact information may prevent us from being able to contact you.

If study staff contacts you regarding participation in the study, they will first attempt to contact you by the contact method you prefer. If unable to make contact by the preferred method, study staff will attempt to make contact by other means.
