If eligible:

"You are eligible to take part in this study. As a part of the study you will be asked to participate in a phone interview that may last up to one hour. You will need access to a phone and private location to participate in the interview. We will also be asking you for your email address in order to deliver your token of appreciation, but the information will be destroyed once the study is complete. Are you interested in taking part in the study?"

If “Yes”

We need to collect some contact information now so we can reach you regarding scheduling.

If “No”

We appreciate your interest in this study and willingness to consider helping to improve STD prevention efforts in our community. Thank you.”

For those who are ineligible:

“I’m sorry but you are not eligible to take part in this study at this time. There are many possible reasons why people are not eligible to be in the study, reasons that were decided earlier by the researchers. We appreciate your interest in this study and willingness to consider helping to improve STD prevention efforts in our community. Thank you.
