

Institutional Review Board Certification

Amendment Approval – Expedited Review

Principal Investigator/Project Director: Stuart Michaels

Department: Public Health/ARC

IRB Protocol Number: 16.01.04

Project Number: 7836

Protocol: Developing tools to engage adolescent men who have sex with men

Amendment description: Additional draft advertisements have been developed based on other research done by CDC which showed these specific images were especially effective at recruiting eligible respondents.

This certifies approval of the amendment described above by the NORC Institutional Review Board (IRB00000967), using the expedited review process as described in 45 CFR 46.110(b), under its Federalwide Assurance #FWA00000142, which is valid through July 10, 2018.
