Attachment C: NHCS Data Collection Flow Chart

National Hospital Care Survey
Data Collection Flow Chart

Inpatient Data Component
- EHR
- UB-04

Ambulatory Data Component
- EHR*
- UB-04
  - Abstraction of a sample of ED and OPD visits via remote access
  - Abstraction of a sample of ED and OPD visits via non-remote access
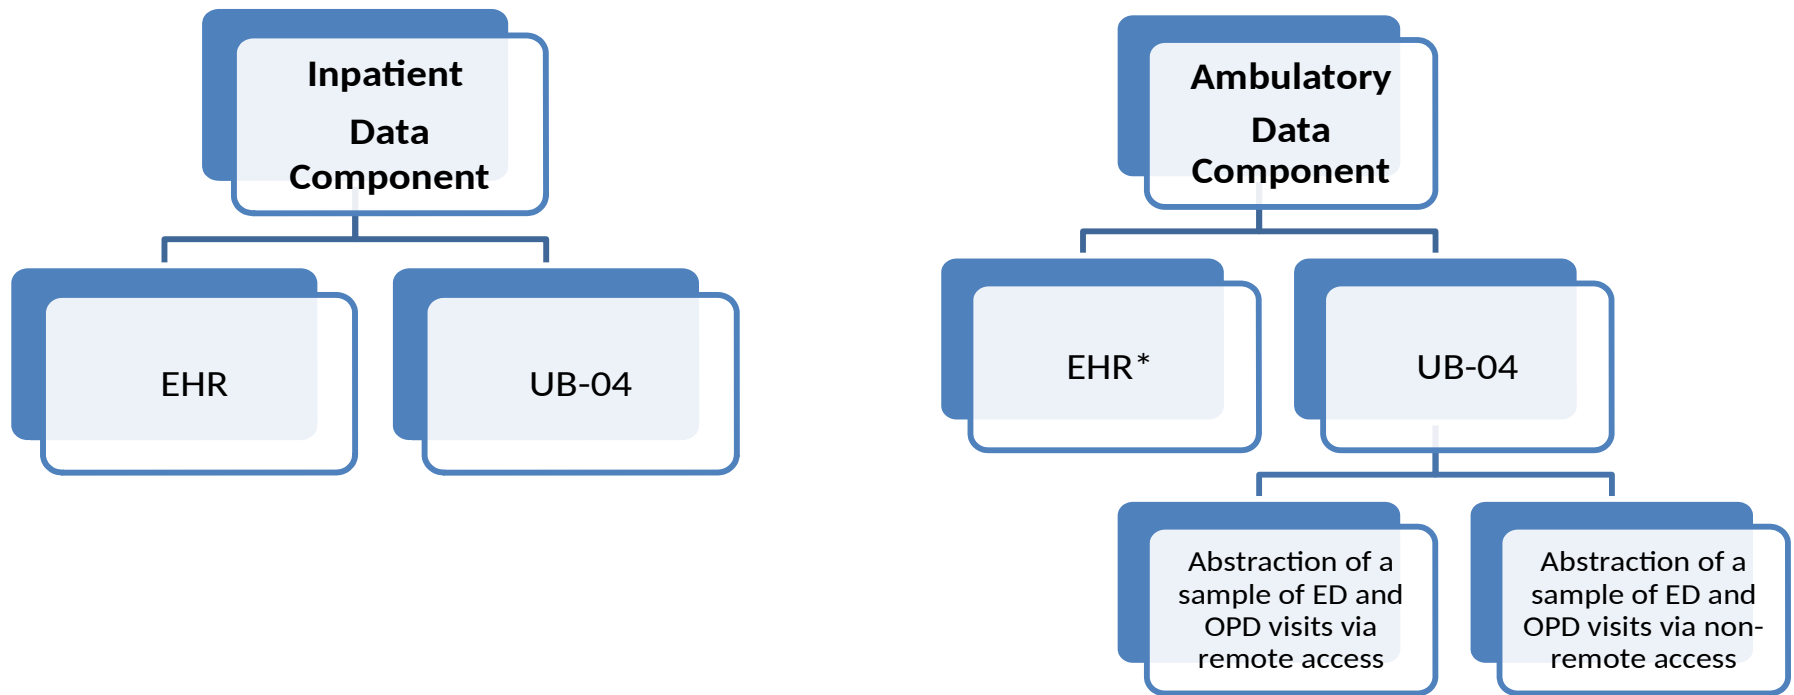

*Since EHR data include clinical information, abstraction of a sample of ED or OPD visits will not be necessary.
