### Health Information Study

Westat is looking for study participants to review survey questions about how people find information about health topics as well as questions about health in general. Interviews will be conducted at Westat's Rockville office and will last approximately 90 minutes.

We are interested in adults at least 18 years of age or older. All participants receive \$50 dollars for their time. Call 800-1-888-XXX-XXXX and say you are calling about the Health Information Study. Please leave a name, telephone number and a good time to reach you.
