Clinical Depression Screening and Follow-Up Reporting Options

In order to comply with the requirements of the PY 2018 QIP, you must submit Clinical Depression Screening and Follow-Up Plan information for each eligible patient at least once between 1/1/2016 and 1/31/2017. This information is:

- Only required to be submitted for patients age 12 or older
- Only required to be submitted for patients treated at the facility for 90 days or longer
- Only required of facilities with at least 11 eligible patients during calendar year 2016
- Only required of facilities with a CCN open date prior to July 1, 2016

Please select one of the following options describing the clinical depression screening and (when necessary) the follow-up plan documented for the selected patient.

- Screening for clinical depression is documented as being positive, and a follow-up plan is documented
- Screening for clinical depression documented as positive, and a follow-up plan not documented, and the facility possess documentation stating the patient is not eligible
- Screening for clinical depression documented as positive, the facility possesses no documentation of a follow-up plan, and no reason is given
- Screening for clinical depression is documented as negative, and a follow-up plan is not required
- Screening for clinical depression not documented, but the facility possesses documentation stating the patient is not eligible
- Clinical depression screening not documented, and no reason is given
