Pain Assessment and Follow-Up Reporting Options

In order to comply with the requirements of the PY 2018 QIP, you must submit Pain Assessment and Follow-Up Plan Information for each eligible patient once between 1/1/2016 and 7/31/2016 and once between 7/1/2016 and 1/31/2017. This information is:

- Only required to be submitted for patients 18 years or older
- Only required to be submitted for patients treated at the facility for 90 days or longer
- Only required of facilities with at least 11 eligible patients during calendar year 2016
- Only required of facilities with a CCN open date prior to July 1, 2016

Please select one of the following options describing the pain assessment and (when necessary) the follow-up plan documented for the selected patient.

- Pain assessment using a standardized tool is documented as positive and a follow-up plan is documented
- Pain assessment documented as positive, a follow-up plan is not documented and the facility possesses documentation that the patient is not eligible
- Pain assessment documented as positive using a standardized tool, a follow-up plan is not documented and no reason is given
- Pain assessment using a standardized tool is documented as negative and no follow-up plan required
- No documentation of pain assessment and the facility possesses documentation the patient is not eligible for a pain assessment using a standardized tool
- No documentation of pain assessment and no reason is given
