

**Justification for Nonmaterial/Nonsubstantive Change**  
**Machine Readable Data for Provider Network and Prescription**  
**Formulary Content for FFM QHPs**  
**CMS-10558, OCN 0938-1284**

The existing supporting statement did not include a reference to Appendix B, the Developer Documentation Index Schema. CMS has updated the supporting statement by including a reference to Appendix B. In addition, Appendix B was inadvertently omitted in the original information collection request submitted for OMB approval.

These changes have no impact on the previously stated burden associated with this collection.
