

Head Start Family and Child Experiences Survey

Teacher's Child Report Form

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection will be entered after clearance. The time required to complete this information collection is estimated to average 10 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. This information collection is voluntary. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: Mathematica Policy Research, 1100 1st Street, NE, 12th Floor, Washington, DC 20002, Attention: Jerry West.

I agree that I understand the purpose of this study including privacy assurances, and that my participation is completely voluntary. I may withdraw this consent at any time without penalty.
