FREQUENTLY ASKED QUESTIONS (FAQs)

PROGRAMMER: ALLOW INTERVIEWER TO VIEW FAQs AT ANY TIME.

WHO/WHICH AGENCY IS SPONSORING THE STUDY?

This study is being sponsored by the U.S. Department of Labor.

WHO IS CONDUCTING THE STUDY?

The study is being conducted by a team of researchers at Mathematica Policy Research, Social Policy Research Associates and MDRC, under contract to the U.S. Department of Labor.

WHAT IS THE PURPOSE OF THE STUDY?

Our goal is to learn about how effectively some employment and training programs meet the needs of unemployed and underemployed workers. This study is very important for improving services to jobseekers in the future. It will allow us to understand what works well and what doesn't.

NO LONGER IN TRAINING/NEVER PARTICIPATED.

We are calling people who signed up to participate, even if they never did get any training, or are no longer participating. Your responses and views are important because they help us understand why some individuals never received services.

I'M DISSATISFIED WITH MY UNEMPLOYMENT BENEFITS/LOCAL AGENCIES.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor needs to hear from people who were satisfied and people who were dissatisfied with their experiences.

I'M DISSATISFIED WITH THE TRAINING PROGRAM.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor wants to have feedback from people who were satisfied and dissatisfied with their experiences.

HOW DID YOU GET MY NAME?

<p>PROGRAMMER BOX</p> <p>CATI: IF 15-MO NOT COMPLETED, CONTINUE TO NAME1</p> <p>IF 15-MO COMPLETE, SKIP TO NAME2</p>
--

NAME1: Your name was scientifically selected from among persons in your state who participated in the study registration process at a local One-Stop or [fill LWIA SPECIFIC NAME (E.G., CAREER CENTER, JOB CENTER)]. The Consent Form that you signed mentioned we may be calling you to conduct an interview.

NAME2: You participated in a similar survey for this same study in [fill MO/YR OF LAST INTERVIEW].

I GOT A JOB SOON AFTER I SIGNED UP.

That is wonderful, but we still need to talk to people who didn't participate in any of the services as well as those who did.

THERE WAS NO FUNDING/NO MONEY FOR ME TO GET TRAINING.

I am sorry to hear that and understand that federal funds run out quickly. We still need to talk to you about your experiences and what you're currently doing.

FAQs – continued

WILL THE INFORMATION FROM THE SURVEY BE KEPT PRIVATE?

All of the information we collect in the survey will be kept private to the extent allowed by federal law and will be used for research purposes only. Your answers will be combined with those of others and your name will never be used in reporting the results of the study. Your answers to questions will not affect your eligibility for any public program.

I DON'T HAVE THE TIME.

We can schedule a call to do the survey at your convenience. Our interviewers are available to speak with you seven days a week as follows: on Mondays through Thursdays from 9:00 A.M. to 12:00 midnight, on Fridays from 9:00 A.M. to 8:00 P.M., Saturdays from 9:00 A.M.-5:00 P.M. and Sundays from 1:00 P.M. to 9:00 P.M. Eastern Standard Time. We can also complete the survey in more than one call, if necessary.

WHAT HAPPENS IF I DON'T PARTICIPATE IN THE SURVEY?

Your participation is voluntary and will not affect your eligibility to receive any services or benefits. Your selection for the survey was done scientifically. You were chosen to represent other people who also consented to the study in your area. Your answers will help the U.S. Department of Labor improve services to people who become unemployed. There are no right or wrong answers. We're interested in your experiences and opinions.

I'M NOT INTERESTED.

Let me reassure you that we are not selling anything. The questions we ask are designed to help the U.S. Department of Labor improve services to people who are unemployed and seeking jobs. There are no right or wrong answers. We're interested in your experiences and opinions. Your answers will be combined with those of others and your name will never be included in any report. If you complete the survey we will pay you \$25 as a token of appreciation.

HOW LONG WILL THIS TAKE?

The length of the interview varies, but it usually takes about 30 minutes.

WHO GAVE YOU THE AUTHORITY TO CONDUCT THE STUDY?

As stated in the letter we mailed you, and can be remailed if you like, this study is being sponsored by the U.S. Department of Labor and has been approved by the U.S. Office of Management and Budget under OMB control number XXXX-XXXX. Without this approval we would not be able to conduct this survey. Questions regarding any aspect of this survey may be directed to Eileen Pederson, WIA Evaluation, U.S. Department of Labor, ETA, 200 Constitution Avenue, NW, Frances Perkins Bldg., Room N-5641, Washington, DC 20210, telephone number (202) 693-3647 (this is not a toll-free number) or by email: pederson.eileen@dol.gov.

WILL I BE PAID?

Yes, we will mail you a check in the amount of \$25 within 2 weeks of completing the survey.

FAQs – continued

WILL THERE BE A REPORT ON THE FINDINGS THAT I CAN READ? WHERE/WHEN CAN I SEE A PUBLISHED REPORT ABOUT THE NATIONAL EVALUATION?

Survey results will be reported in several reports prepared by Mathematica for the U.S. Department of Labor. Once these reports are cleared by the U.S. Department of Labor for public release, they will be available on Mathematica's website—www.mathematica-mpr.com.

WHAT ARE YOU GOING TO DO FOR ME NOW? ARE YOU GOING TO HELP ME FIND A JOB? ARE YOU GOING TO SEND ME FOR MORE TRAINING?

Mathematica is a private, independent research firm. Our firm is conducting this evaluation for the U.S. Department of Labor, and this survey is part of this evaluation. We cannot provide assistance finding jobs or training. You will, however, receive \$25 for completing the survey.

I'M ON THE NATIONAL "DO NOT CALL LIST/REGISTRY." WHY ARE YOU CALLING ME?

The do not call list or registry applies to telemarketing calls, not to calls like this one that are approved by the government. Lawmakers recognize the need for the public to participate in studies like this to learn how government programs are working and how to improve them. We will not sell you anything, nor will we ask for money. Your privacy will be respected, and your cooperation is appreciated. For more information on who is included and excluded on the do not call list, you can visit the website at www.donotcall.gov.

DOES THE MONEY I RECEIVE FOR COMPLETING THIS SURVEY COUNT TOWARDS MY INCOME FOR THIS YEAR?

No, the money received for completing this survey is not considered employment income. Employment income is generated from an employment contract. This is a one-time payment for volunteering to take part in the survey.

WHO CAN I CONTACT FOR MORE INFORMATION?

For more information about the study, you can visit the U.S. Department of Labor (DOL) website at <http://www.dol.gov/>. You can also call the study's project officer, Eileen Pederson of DOL at (202) 693-3647 or Mathematica's Project Director, Dr. Sheena McConnell at 202-484-4518. For questions about the survey you can call Mathematica's Survey Director, Ms. Pat Nemeth at 609-275-2294.

WILL THERE BE ANOTHER FOLLOW-UP TO THIS STUDY?

No. This is the last time we will contact you about this particular study.

CAN SOMEONE ELSE RESPOND TO THIS QUESTIONNAIRE ON MY BEHALF?

Because of the types of questions we ask, it is important that we talk specifically to you. If, however, you need a family member or friend to translate our questions or your answers, that is okay.

WILL I BE ASKED THE SAME QUESTIONS I WAS ASKED BEFORE?

Last time, we talked about your experiences since [fill RA MO/YR]. This time, we will talk about your experiences since [fill MO/YR OF LAST INTERVIEW].

PROBE: A temporary help agency supplies workers to other companies on an as needed basis.

PROBE: Some companies provide employees or their services to others under contract. A few examples of services that can be contracted out include security, landscaping, or computer programming.

PROBE: Independent contractors, independent consultants, and free-lance workers obtain customers on their own to provide a product or service and can have other employees working for them.

PROBE: Day laborers are people who get work by waiting at a place where employers pick up people to work for a day or by posting paper or electronic job wanted ads and responding on a day-by-day basis.

PROBE: On-call workers are in a pool of workers who are ONLY called to work as needed, although they can be scheduled to work for several days or weeks in a row, for example, substitute teachers, and construction workers supplied by a union hiring hall.

RESULTS OF SURVEY PRETESTS

MEMORANDUM**TO:** Sheena McConnell**FROM:** Julita Milliner-Waddell and Jamie Marincic**DATE:** 8/23/2012
WIA-233**SUBJECT:** WIA Gold Standard Evaluation 15-Month Follow-Up Survey
Pre-Test

A. INTRODUCTION

In preparation for conducting follow-up surveys with participants in the WIA Adult and Dislocated Worker Programs Gold Standard Evaluation, Mathematica conducted a comprehensive pretest of the 15-month follow-up survey questionnaire.

The goals of the pretest were to test respondents' ability to provide the requested information, identify and eliminate problems with specific questionnaire items, including question clarity and skip errors, obtain an accurate estimate of average interview length and respondent burden, and make corrections to the instrument prior to requesting clearance from the Office of Management and Budget (OMB) and before beginning computer-assisted telephone interviewing (CATI) programming.

A total of six pretests were completed. For the first three pretests, Mathematica utilized cognitive interviewing techniques in which respondents were encouraged to think aloud as they provided their responses. Survey researchers encouraged respondents to identify any words and phrases that were confusing as the questions were asked rather than waiting for an end of interview debriefing. These techniques were applied to the survey introduction, answers provided to frequently asked questions, as well as to questionnaire items. The survey researchers used non-leading probes in the interviews to minimize bias and asked follow up questions to strengthen the language in some questions (for example, "Would you have referred to that by a different name?").

Mathematica employed an iterative pretesting approach; that is, the survey team administered the first cognitive pretest and refined and updated the questionnaire before proceeding with each of the next two. After the first three pretests were completed as cognitive interviews, the final three pretest interviews provided more accurate timing estimates. Project staff debriefed respondents to determine if any words or questions were difficult to understand and answer. All six pretest interviews were recorded to facilitate review and revision. The first three cognitive interviews were conducted by the deputy survey director and survey researcher who developed the questionnaire. The final three pretests were conducted by a trained interviewer at Mathematica's Survey Operations Center.

B. PRETEST SAMPLE

In an effort to match pretest respondents as closely as possible to the ultimate study participants, Mathematica obtained referrals of customers who would be interested in completing the pretest interview from a local New Jersey American Jobs Center. These names were supplemented by confidential referrals by Mathematica staff of family members and associates who met the study criteria. Using these referrals, we aimed to interview a mix of respondents that represented diversity in terms of participation in WIA sponsored training and employment experiences following their initial registration for services.

Key employment and training related characteristics of the six pretest respondents are provided below.

Pretest #	UI Filing Date	WIA Services Accessed	# of Training Programs Since Filing	# of Jobs Since Initial Filing	Current Employment Status	Survey Length (minutes)
1	October 2010	Workshops Individual Counseling	1	0	Unemployed	35
2	August 2010	Workshops Individual Counseling	2	1	Self-employed	45
3	April 2010	Workshop Tests/Assessments Individual Counseling	1	1	Employed	45
4	May 2008	Individual Counseling	0	2	Employed	34
5	March 2010	Workshops Tests/Assessments Individual Counseling	4	0	Self-employed	54
6	June 2009	Resource Room Workshops Tests/Assessments Peer Support Individual Counseling	2	2	Employed	52
Average Length of Pretest Surveys						44.16

As the table shows, our pretest respondents utilized a range of WIA services—one participated in only a single mandatory workshop, another in individual counseling only; while others took advantage of multiple workshops, tests and assessments, training programs, and support groups. Five of our respondents were female. Five accessed services in New Jersey and a

PAGE: 3

sixth respondent accessed services in New York. Five are currently employed, including two who are self-employed on a part-time basis and another who is employed through a temporary placement agency. This diversity of experiences allowed us to test every section of our questionnaire.

C. PRETEST ADMINISTRATION

Although the WIA follow-up surveys will be administered using CATI, the pretest was conducted using hard copy questionnaires, reserving programming until the questionnaire is thoroughly tested and considered closer to final. One experienced interviewer was trained to administer the pretest questionnaire in a two-hour session during which a summary of the project was provided and each questionnaire item was reviewed.

To facilitate the administration of the survey on hard copy, the CATI instrument was modified to provide more assistance for the interviewer and reduce the inefficiencies of hard copy over CATI. For example, a “cheat sheet” was developed on which to record critical and repetitive item fills such as UI Claim date (used as the proxy for random assignment date in the main study), and the name of the American Job Center at which services were received. In addition, the cheat sheet provided spaces to record start and end dates for training program participation and jobs the first time this information was collected to facilitate future references to those dates. Page numbers for the next question were included with skip instructions for questions that were several pages away; and skip instructions were written out more fully, for example, instead of saying, “Does C8=2” (which works for programming), the pretest version was more explicit, adding, “Does C8=2—still in program”.

Administration times ranged from 34 minutes for a respondent who had not participated in any training programs, to 54 minutes for a respondent who had participated in four training programs (in fact, this turned out to be four courses for a single program, but the interviewer did not administer the training grid correctly). Given this interviewer error and the fact that paper and pencil administration requires more time than CATI, we estimate that the average interview length would be decreased by approximately five minutes when CATI is used. This suggests an average administration time of 40 minutes, which is consistent with our goal and respondent burden estimates.

The pretest was very valuable in improving the questionnaire. Overall, pretest respondents were able to provide valid answers to questions and did not report any major problems comprehending the questions or recalling the requested information.

D. QUESTIONNAIRE REVISIONS

Based on these pretests, we have revised the 15- and 30-month questionnaires. Major substantive revisions are summarized in the table below. Note that the specific survey items

MEMO TO: Sheena McConnell

referenced below align with the 15-month questionnaire. Equivalent changes have been made to the 30-month version. Appendix A shows the 15-month instrument with the specific changes marked.

Survey Item	Revision	Rationale
FAQ: Is the Survey Confidential?	Clarified and simplified wording	To improve clarity
B2	Modified third response option	Cognitive respondents commonly said "required"
B4, B10, B17, B19, B24, B26, B30, B34, B37, B43, B49, B51, B55, B57	Deleted open-end numeric response and merged with subsequent pre-coded numeric response	To reduce respondent burden associated with free recall and decrease length of interview
B6, B7, B12, B13, B39, B40, B45, B46	Deleted	Duration information no longer necessary for cost analysis
B8	Added additional probe clarifying definition of resource room	Cognitive respondents reported using library computers not explicitly in a dedicated area used to look for a job
B31	Added probe about tests on different subjects completed in a single setting	Cognitive respondents expressed some confusion about how to count these tests
B47	Split into B47a and B47b to screen out respondents based on whether service received	To decrease length of interview
B50, B52, B52a, B52b	Modified or added to ask about in-person appointments and appointments over the phone separately	Cognitive respondents reported that in-person and appointments over the phone were of different durations so it was necessary to separate
B59	Split into B59a and B59b to screen out respondents based on whether service received	To decrease length of interview
C27	Changed "an educational degree" to "a diploma or degree" Added probe to distinguish diplomas and degrees from certifications and licenses	Cognitive respondent interpreted "educational degree" as degree in education Cognitive respondent misreported certification as diploma or degree
C32, C33, C34, C35, C36	Modified wording to allow for possibility of multiple tests or exams	Cognitive respondent reported having to take more than one test
C37	Split into C37a and C37b to screen out respondents based on whether have had job since program completion	Original question awkward to administer to respondents who had not had job since program completion
D12, D29	Split into D12a and D12b to screen out respondents based on whether worked all or nearly all of the time vs. some time not working	To simplify administration of question in response to cognitive respondent confusion
D16, D33	Deleted	Information is calculable from other responses

MEMO TO: Sheena McConnell
FROM: Julita Milliner-Waddell and Jamie Marincic
DATE: 8/23/2012
PAGE: 5

Survey Item	Revision	Rationale
D20	Modified response options so interviewer only reads them if necessary	To decrease interview length; cognitive respondents often interrupted when their response was read and were able to perform this free recall task
D21	Split into D21a and D21b to separately assess employment status and whether looking for work	To capture underemployment reported by cognitive respondents
F5a	Added examples to probe	To clarify meaning of question; cognitive respondents often reported insurance carrier

In addition, other non-substantive changes were made to the questionnaires as characterized below:

1. To decrease interview time and simplify question wording, we now only include the respondent's specific LWIA One-Stop as an example of a career center or job center the first time a series of questions is asked (see B3). The specific name is included as an interviewer probe in subsequent questions (see B5).
2. Numerous other wording tweaks are documented in the appended version containing electronically-tracked revisions.

FREQUENTLY ASKED QUESTIONS (FAQs)

PROGRAMMER: ALLOW INTERVIEWER TO VIEW FAQs AT ANY TIME.

WHO/WHICH AGENCY IS SPONSORING THE STUDY?

This study is being sponsored by the U.S. Department of Labor.

WHO IS CONDUCTING THE STUDY?

The study is being conducted by a team of researchers at Mathematica Policy Research, Social Policy Research Associates and MDRC, under contract to the U.S. Department of Labor.

WHAT IS THE PURPOSE OF THE STUDY?

Our goal is to learn about how effectively some employment and training programs meet the needs of unemployed and underemployed workers. This study is very important for improving services to jobseekers in the future. It will allow us to understand what works well and what doesn't.

NO LONGER IN TRAINING/NEVER PARTICIPATED.

We are calling people who signed up to participate, even if they never did get any training, or are no longer participating. Your responses and views are important because they help us understand why some individuals never received services.

I'M DISSATISFIED WITH MY UNEMPLOYMENT BENEFITS/LOCAL AGENCIES.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor needs to hear from people who were satisfied and people who were dissatisfied with their experiences.

I'M DISSATISFIED WITH THE TRAINING PROGRAM.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor wants to have feedback from people who were satisfied and dissatisfied with their experiences.

HOW DID YOU GET MY NAME?

Your name was scientifically selected from among persons in your state who participated in the study registration process at a local One-Stop or [fill LWIA SPECIFIC NAME (E.G., CAREER CENTER, JOB CENTER)]. The Consent Form that you signed mentioned we may be calling you to conduct an interview.

I GOT A JOB SOON AFTER I SIGNED UP.

That is wonderful, but we still need to talk to people who didn't participate in any of the services as well as those who did.

THERE WAS NO FUNDING/NO MONEY FOR ME TO GET TRAINING.

I am sorry to hear that and understand that federal funds run out quickly. We still need to talk to you about your experiences and what you're currently doing.

FAQs – continued

WILL THE INFORMATION FROM THE SURVEY BE KEPT PRIVATE?

All of the information we collect in the survey will be kept private to the extent allowed by federal law and will be used for research purposes only. Your answers will be combined with those of others and your name will never be used in reporting the results of the study. Your answers to questions will not affect your eligibility for any public program.

Deleted: IS

Deleted: CONFIDENTIAL

Deleted: Yes. Your responses are protected from disclosure by federal statute [P.L. 107-347, Title V Confidential Information Protection and Statistical Efficiency Act of 2002 (CIPSEA)].¶

I DON'T HAVE THE TIME.

We can schedule a call to do the survey at your convenience. Our interviewers are available to speak with you seven days a week as follows: on Mondays through Thursdays from 9:00 A.M. to 12:00 midnight, on Fridays from 9:00 A.M. to 8:00 P.M., Saturdays from 9:00 A.M.-5:00 P.M. and Sundays from 1:00 P.M. to 9:00 P.M. Eastern Standard Time. We can also complete the survey in more than one call, if necessary.

WHAT HAPPENS IF I DON'T PARTICIPATE IN THE SURVEY?

Your participation is voluntary and will not affect your eligibility to receive any services or benefits. Your selection for the survey was done scientifically. You were chosen to represent other people who also consented to the study in your area. Your answers will help the U.S. Department of Labor improve services to people who become unemployed. There are no right or wrong answers. We're interested in your experiences and opinions.

I'M NOT INTERESTED.

Let me reassure you that we are not selling anything. The questions we ask are designed to help the U.S. Department of Labor improve services to people who are unemployed and seeking jobs. There are no right or wrong answers. We're interested in your experiences and opinions. Your answers will be combined with those of others and your name will never be included in any report. If you complete the survey we will pay you \$25 as a token of appreciation.

HOW LONG WILL THIS TAKE?

The length of the interview varies, but it usually takes about 40 minutes.

WHO GAVE YOU THE AUTHORITY TO CONDUCT THE STUDY?

As stated in the letter we mailed you, and can be remailed if you like, this study is being sponsored by the U.S. Department of Labor and has been approved by the U.S. Office of Management and Budget under OMB control number XXXX-XXXX. Without this approval we would not be able to conduct this survey. Questions regarding any aspect of this survey may be directed to Eileen Pederson, WIA Evaluation, U.S. Department of Labor, ETA, 200 Constitution Avenue, NW, Frances Perkins Bldg., Room N-5641, Washington, DC 20210, telephone number (202) 693-3647 (this is not a toll-free number) or by email: pederson.eileen@dol.gov.

WILL I BE PAID?

Yes, we will mail you a check in the amount of \$25 within 2 weeks of completing the survey.

FAQs – continued

WILL THERE BE A REPORT ON THE FINDINGS THAT I CAN READ? WHERE/WHEN CAN I SEE A PUBLISHED REPORT ABOUT THE NATIONAL EVALUATION?

Survey results will be reported in several reports prepared by Mathematica for the U.S. Department of Labor. Once these reports are cleared by the U.S. Department of Labor for public release, they will be available on Mathematica's website—www.mathematica-mpr.com.

WHAT ARE YOU GOING TO DO FOR ME NOW? ARE YOU GOING TO HELP ME FIND A JOB? ARE YOU GOING TO SEND ME FOR MORE TRAINING?

Mathematica is a private, independent research firm. Our firm is conducting this evaluation for the U.S. Department of Labor, and this survey is part of this evaluation. We cannot provide assistance finding jobs or training. You will, however, receive \$25 for completing the survey.

I'M ON THE NATIONAL "DO NOT CALL LIST/REGISTRY." WHY ARE YOU CALLING ME?

The do not call list or registry applies to telemarketing calls, not to calls like this one that are approved by the government. Lawmakers recognize the need for the public to participate in studies like this to learn how government programs are working and how to improve them. We will not sell you anything, nor will we ask for money. Your privacy will be respected, and your cooperation is appreciated. For more information on who is included and excluded on the do not call list, you can visit the website at www.donotcall.gov.

DOES THE MONEY I RECEIVE FOR COMPLETING THIS SURVEY COUNT TOWARDS MY INCOME FOR THIS YEAR?

No, the money received for completing this survey is not considered employment income. Employment income is generated from an employment contract. This is a one-time payment for volunteering to take part in the survey.

WHO CAN I CONTACT FOR MORE INFORMATION?

For more information about the study, you can visit the U.S. Department of Labor (DOL) website at <http://www.dol.gov/>. You can also call the study's project officer, Eileen Pederson of DOL at (202) 693-3647 or Mathematica's Project Director, Dr. Sheena McConnell at 202-484-4518. For questions about the survey you can call Mathematica's Survey Director, Ms. Pat Nemeth at 609-275-2294.

WILL THERE BE ANOTHER FOLLOW-UP TO THIS STUDY?

Yes. In another 15 months, we will contact you again to learn more about your experiences.

CAN SOMEONE ELSE RESPOND TO THIS QUESTIONNAIRE ON MY BEHALF?

Because of the types of questions we ask, it is important that we talk specifically to you. If, however, you need a family member or friend to translate our questions or your answers, that is okay.

PROBE: A temporary help agency supplies workers to other companies on an as needed basis.

PROBE: Some companies provide employees or their services to others under contract. A few examples of services that can be contracted out include security, landscaping, or computer programming.

PROBE: Independent contractors, independent consultants, and free-lance workers obtain customers on their own to provide a product or service and can have other employees working for them.

PROBE: Day laborers are people who get work by waiting at a place where employers pick up people to work for a day or by posting paper or electronic job wanted ads and responding on a day-by-day basis.

PROBE: On-call workers are in a pool of workers who are ONLY called to work as needed, although they can be scheduled to work for several days or weeks in a row, for example, substitute teachers, and construction workers supplied by a union hiring hall.

APPENDIX C.3

FREQUENTLY ASKED QUESTIONS

WIA Adult and Dislocated Worker Programs Gold Standard Evaluation FREQUENTLY ASKED QUESTIONS

WHO/WHICH AGENCY IS SPONSORING THE STUDY?

This study is being sponsored by the U.S. Department of Labor.

WHO IS CONDUCTING THE STUDY?

The study is being conducted by a team of researchers at Mathematica Policy Research, Social Policy Research Associates and MDRC, under contract to the U.S. Department of Labor.

WHAT IS THE PURPOSE OF THE STUDY?

Our goal is to learn about how effectively some employment and training programs meet the needs of unemployed and underemployed workers. This study is very important for improving services to jobseekers in the future. It will allow us to understand what works well and what doesn't.

NO LONGER IN TRAINING/NEVER PARTICIPATED.

We are calling people who signed up to participate, even if they never received any training, or are no longer participating. Your responses and views are important because they help us understand why some individuals never received services.

I'M DISSATISFIED WITH MY UNEMPLOYMENT BENEFITS/LOCAL AGENCIES.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor needs to hear from people who were satisfied and people who were dissatisfied with their experiences.

I'M DISSATISFIED WITH THE TRAINING PROGRAM.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor wants to have feedback from people who were satisfied and dissatisfied with their experiences.

HOW DID YOU GET MY NAME?

[IF 15 MO IS COMPLETE]: You participated in a similar survey for this same study a little over a year ago.

[IF 15 MO IS NOT COMPLETE]: Your name was scientifically selected from among persons in your state who participated in the study registration process at a local One-Stop Career Center/American Job Center. The consent form that you signed mentioned we may be calling you to conduct an interview.

I GOT A JOB SOON AFTER I SIGNED UP.

That is wonderful, but we still need to talk to people who didn't participate in any of the services as well as those who did.

THERE WAS NO FUNDING/NO MONEY FOR ME TO GET TRAINING.

I am sorry to hear that and understand that federal funds run out quickly. We still need to talk to you about your experiences and what you're currently doing.

WILL THE INFORMATION FROM THE SURVEY BE KEPT PRIVATE?

All of the information we collect in the survey will be kept private to the extent allowed by federal law and will be used for research purposes only. Your answers will be combined with those of others and your name will never be used in reporting the results of the study. Your answers to questions will not affect your eligibility for any public program.

I DON'T HAVE THE TIME.

We can schedule a call to do the survey at your convenience. Our interviewers are available to speak with you seven days a week as follows: on Mondays through Thursdays from 9:00 a.m. to 12:00 midnight, on Fridays from 9:00 a.m. to 10:00 p.m., Saturdays from 9:00 a.m.-8:00 p.m. and Sundays from 11:00 A.m. to 9:00 p.m. Eastern Standard Time. We can also complete the survey in more than one call, if necessary.

WHAT HAPPENS IF I DON'T PARTICIPATE IN THE SURVEY?

Your participation is voluntary and will not affect your eligibility to receive any services or benefits. Your selection for the survey was done scientifically. You were chosen to represent other people who also consented to the study in your area. Your answers will help the U.S. Department of Labor improve services to people who become unemployed. There are no right or wrong answers. We're interested in your experiences and opinions.

I'M NOT INTERESTED.

BLAISE; FILL \$25 IF CASE HAS BEEN WORKED FOR four MONTHS OR LESS. FILL \$40 IF CASE HAS BEEN WORKED FOR MORE THAN four MONTHS.

Let me reassure you that we are not selling anything. The questions we ask are designed to help the U.S. Department of Labor improve services to people who are unemployed and seeking jobs. There are no right or wrong answers. We're interested in your experiences and opinions. Your answers will be combined with those of others and your name will never be included in any report. If you complete the survey we will pay you (\$25/\$40) as a token of appreciation.

HOW LONG WILL THIS TAKE?

The length of the interview varies, but it usually takes about 30 minutes.

WHO GAVE YOU THE AUTHORITY TO CONDUCT THE STUDY?

As stated in the letter we mailed you, and can be remailed if you like, this study is being sponsored by the U.S. Department of Labor and has been approved by the U.S. Office of Management and Budget under OMB control number 1205-0504. Without this approval we would not be able to conduct this survey. Questions regarding any aspect of this survey may be directed to Eileen Pederson, WIA Evaluation, U.S. Department of Labor, ETA, 200 Constitution Avenue, NW, Frances Perkins Bldg., Room N-5641, Washington, DC 20210, telephone number (202) 693-3647 (this is not a toll-free number) or by email: pederson.eileen@dol.gov.

WILL I BE PAID?

BLAISE; FILL \$25 IF CASE HAS BEEN WORKED FOR four MONTHS OR LESS. FILL \$40 IF CASE HAS BEEN WORKED FOR MORE THAN four MONTHS.

Yes, we will mail you a check in the amount of (\$25/\$40) within 2 weeks of completing the survey.

**WILL THERE BE A REPORT ON THE FINDINGS THAT I CAN READ?
WHERE/WHEN CAN I SEE A PUBLISHED REPORT ABOUT THE NATIONAL
EVALUATION?**

Survey results will be reported in several reports prepared by Mathematica for the U.S. Department of Labor. Once these reports are cleared by the U.S. Department of Labor for public release, they will be available on Mathematica’s website—www.mathematica-mpr.com.

**WHAT ARE YOU GOING TO DO FOR ME NOW? ARE YOU GOING TO HELP ME
FIND A JOB? ARE YOU GOING TO SEND ME FOR MORE TRAINING?**

BLAISE; FILL \$25 IF CASE HAS BEEN WORKED FOR THREE MONTHS OR LESS. FILL \$40 IF CASE HAS BEEN WORKED FOR MORE THAN THREE MONTHS.

Mathematica is a private, independent research firm. Our firm is conducting this evaluation for the U.S. Department of Labor, and this survey is part of this evaluation. We cannot provide assistance finding jobs or training. You will, however, receive (\$25/\$40) for completing the survey.

**I’M ON THE NATIONAL “DO NOT CALL LIST/REGISTRY.” WHY ARE YOU
CALLING ME?**

The do not call list or registry applies to telemarketing calls, not to calls like this one that are approved by the government. Lawmakers recognize the need for the public to participate in studies like this to learn how government programs are working and how to improve them. We will not sell you anything, nor will we ask for money. Your privacy will be respected, and your cooperation is appreciated. For more information on who is included and excluded on the do not call list, you can visit the website at www.donotcall.gov.

**DOES THE MONEY I RECEIVE FOR COMPLETING THIS SURVEY COUNT
TOWARDS MY INCOME FOR THIS YEAR?**

I’m sorry but Mathematica cannot give tax advice.

WHO CAN I CONTACT FOR MORE INFORMATION?

For more information about the study, you can visit the U.S. Department of Labor (DOL) website at <http://www.dol.gov/>. You can also call the study's project officer, Eileen Pederson of DOL at (202) 693-3647 or Mathematica's Project Director, Dr. Sheena McConnell at 202-484-4518. For questions about the survey you can call Mathematica's Survey Director, Ms. Pat Nemeth at 609-275-2294.

WILL THERE BE ANOTHER FOLLOW-UP TO THIS STUDY?

No, this is the last time we plan to follow up with you.

CAN SOMEONE ELSE RESPOND TO THIS QUESTIONNAIRE ON MY BEHALF?

Because of the types of questions we ask, it is important that we talk specifically to you. If, however, you need a family member or friend to translate our questions or your answers, that is okay.

WILL I BE ASKED THE SAME QUESTIONS I WAS ASKED BEFORE?

Last time, we talked about your experiences since you first sought services at your local One-Stop Career Center/American Job Center. This time, we will talk about your experiences since the last time you participated in an interview with us which was a little over a year ago.

CAN I WITHDRAW MY CONSENT FOR THIS EVALUATION?

The decision to participate in the study is up to you. You may terminate your participation in the study at any time by writing to the WIA Evaluation, Mathematica Policy Research, P.O. Box 2393, Princeton, New Jersey 08543-2393 or to Eileen Pederson, WIA Evaluation, U.S. Department of Labor, ETA, 200 Constitution Ave., NW, Room N-5641, Washington, DC 20210. Any information we collect about you prior to your termination request will be used for research purposes.

I GOT \$40 LAST TIME I COMPLETED THE SURVEY, WHY AM I ONLY GETTING \$25 THIS TIME?

For this final round of the survey we're only authorized to give \$25.

[IF THE RESPONDENT ARGUES/INSISTS]: Let me go and speak to my supervisor.

WILL SOMEONE VISIT MY HOUSE TO HELP ME TAKE THE SURVEY THIS TIME?

No, if you answer the survey over the phone with me right now we will not need to send anyone to your house. After completing the survey today you won't get any more correspondence, calls, or visits from us.
