Dear Mr. Bagileo:

I want to thank you for your comments in response to Docket FMCSA-2012-0031: Renewed Approval of Information Collections. We appreciate your support to eliminate the Quarterly Report of Class I Motor Carriers of Property and to continue collecting the Annual Report of Class I and II Motor Carriers of Property. The information collected for the Annual Report provides the U.S. Department of Transportation, other Federal agencies, and the public with statistical data about the motor carrier industry.

Thank you for taking the time to comment. I appreciate your support of this initiative.

Sincerely,
