

other person through administrative or judicial process.

(e) The protection provided by paragraph (a) of this section does not preclude the imposition of a penalty on a person for failing to comply with a collection of information that is imposed on the person by statute—e.g., 26 U.S.C. §6011(a) (statutory requirement for person to file a tax return), 42 U.S.C. §6938(c) (statutory requirement for person to provide notification before exporting hazardous waste).

**§ 1320.7 Agency head and Senior Official responsibilities.**

(a) Except as provided in paragraph (b) of this section, each agency head shall designate a Senior Official to carry out the responsibilities of the agency under the Act and this part. The Senior Official shall report directly to the head of the agency and shall have the authority, subject to that of the agency head, to carry out the responsibilities of the agency under the Act and this part.

(b) An agency head may retain full undelegated review authority for any component of the agency which by statute is required to be independent of any agency official below the agency head. For each component for which responsibility under the Act is not delegated to the Senior Official, the agency head shall be responsible for the performance of those functions.

(c) The Senior Official shall head an office responsible for ensuring agency compliance with and prompt, efficient, and effective implementation of the information policies and information resources management responsibilities established under the Act, including the reduction of information collection burdens on the public.

(d) With respect to the collection of information and the control of paperwork, the Senior Official shall establish a process within such office that is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved under this Part.

(e) Agency submissions of collections of information for OMB review, and the accompanying certifications under § 1320.9, may be made only by the agen-

cy head or the Senior Official, or their designee.

**§ 1320.8 Agency collection of information responsibilities.**

The office established under § 1320.7 shall review each collection of information before submission to OMB for review under this part.

(a) This review shall include:

(1) An evaluation of the need for the collection of information, which shall include, in the case of an existing collection of information, an evaluation of the continued need for such collection;

(2) A functional description of the information to be collected;

(3) A plan for the collection of information;

(4) A specific, objectively supported estimate of burden, which shall include, in the case of an existing collection of information, an evaluation of the burden that has been imposed by such collection;

(5) An evaluation of whether (and if so, to what extent) the burden on respondents can be reduced by use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses;

(6) A test of the collection of information through a pilot program, if appropriate; and

(7) A plan for the efficient and effective management and use of the information to be collected, including necessary resources.

(b) Such office shall ensure that each collection of information:

(1) Is inventoried, displays a currently valid OMB control number, and, if appropriate, an expiration date;

(2) Is reviewed by OMB in accordance with the clearance requirements of 44 U.S.C. §3507; and

(3) Informs and provides reasonable notice to the potential persons to whom the collection of information is addressed of—

(i) The reasons the information is planned to be and/or has been collected;

(ii) The way such information is planned to be and/or has been used to further the proper performance of the functions of the agency;

(iii) An estimate, to the extent practicable, of the average burden of the collection (together with a request that the public direct to the agency any comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden);

(iv) Whether responses to the collection of information are voluntary, required to obtain or retain a benefit (citing authority), or mandatory (citing authority);

(v) The nature and extent of confidentiality to be provided, if any (citing authority); and

(vi) The fact that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

(c)(1) An agency shall provide the information described in paragraphs (b)(3)(i) through (v) of this section as follows:

(i) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents (except in an electronic format), such information can be included either on the form, questionnaire or other collection of information, as part of the instructions for such collection, or in a cover letter or memorandum that accompanies the collection of information.

(ii) In the case of forms, questionnaires, instructions, and other written collections of information sent or made available to potential respondents in an electronic format, such information can be included either in the instructions, near the title of the electronic collection instrument, or, for on-line applications, on the first screen viewed by the respondent;

(iii) In the case of collections of information published in regulations, guidelines, and other issuances in the FEDERAL REGISTER, such information can be published in the FEDERAL REGISTER (for example, in the case of a collection of information in a regulation, by publishing such information in the preamble or the regulatory text to the final rule, or in a technical amendment to the final rule, or in a separate notice announcing OMB approval of the collection of information).

(iv) In other cases, and where OMB determines in advance in writing that special circumstances exist, agencies may use other means to inform potential respondents.

(2) An agency shall provide the information described in paragraph (b)(3)(vi) of this section in a manner that is reasonably calculated to inform the public (see § 1320.5(b)(2)(ii)).

(d)(1) Before an agency submits a collection of information to OMB for approval, and except as provided in paragraphs (d)(3) and (d)(4) of this section, the agency shall provide 60-day notice in the FEDERAL REGISTER, and otherwise consult with members of the public and affected agencies concerning each proposed collection of information, to solicit comment to:

(i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) Enhance the quality, utility, and clarity of the information to be collected; and

(iv) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

(2) If the agency does not publish a copy of the proposed collection of information, together with the related instructions, as part of the FEDERAL REGISTER notice, the agency should—

(i) Provide more than 60-day notice to permit timely receipt, by interested members of the public, of a copy of the proposed collection of information and related instructions; or

(ii) Explain how and from whom an interested member of the public can request and obtain a copy without charge, including, if applicable, how the public can gain access to the collection of information and related instructions electronically on demand.

(3) The agency need not separately seek such public comment for any proposed collection of information contained in a proposed rule to be reviewed under §1320.11, if the agency provides notice and comment through the notice of proposed rulemaking for the proposed rule and such notice specifically includes the solicitation of comments for the same purposes as are listed under paragraph (d)(1) of this section.

(4) The agency need not seek or may shorten the time allowed for such public comment if OMB grants an exemption from such requirement for emergency processing under §1320.13.

**§ 1320.9 Agency certifications for proposed collections of information.**

As part of the agency submission to OMB of a proposed collection of information, the agency (through the head of the agency, the Senior Official, or their designee) shall certify (and provide a record supporting such certification) that the proposed collection of information—

(a) Is necessary for the proper performance of the functions of the agency, including that the information to be collected will have practical utility;

(b) Is not unnecessarily duplicative of information otherwise reasonably accessible to the agency;

(c) Reduces to the extent practicable and appropriate the burden on persons who shall provide information to or for the agency, including with respect to small entities, as defined in the Regulatory Flexibility Act (5 U.S.C. 601(6)), the use of such techniques as:

(1) Establishing differing compliance or reporting requirements or timetables that take into account the resources available to those who are to respond;

(2) The clarification, consolidation, or simplification of compliance and reporting requirements; or

(3) An exemption from coverage of the collection of information, or any part thereof;

(d) Is written using plain, coherent, and unambiguous terminology and is understandable to those who are to respond;

(e) Is to be implemented in ways consistent and compatible, to the maximum

extent practicable, with the existing reporting and recordkeeping practices of those who are to respond;

(f) Indicates for each recordkeeping requirement the length of time persons are required to maintain the records specified;

(g) Informs potential respondents of the information called for under §1320.8(b)(3);

(h) Has been developed by an office that has planned and allocated resources for the efficient and effective management and use of the information to be collected, including the processing of the information in a manner which shall enhance, where appropriate, the utility of the information to agencies and the public;

(i) Uses effective and efficient statistical survey methodology appropriate to the purpose for which the information is to be collected; and

(j) To the maximum extent practicable, uses appropriate information technology to reduce burden and improve data quality, agency efficiency and responsiveness to the public.

**§ 1320.10 Clearance of collections of information, other than those contained in proposed rules or in current rules.**

Agencies shall submit all collections of information, other than those contained either in proposed rules published for public comment in the FEDERAL REGISTER (which are submitted under §1320.11) or in current rules that were published as final rules in the FEDERAL REGISTER (which are submitted under §1320.12), in accordance with the following requirements:

(a) On or before the date of submission to OMB, the agency shall, in accordance with the requirements in §1320.5(a)(1)(iv), forward a notice to the FEDERAL REGISTER stating that OMB approval is being sought. The notice shall direct requests for information, including copies of the proposed collection of information and supporting documentation, to the agency, and shall request that comments be submitted to OMB within 30 days of the notice's publication. The notice shall direct comments to the Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for [name of agency]. A
