Participants & Other Collaborating Organizations - Who has been involved?

Agencies need to know who has worked on the project to gauge and report performance in promoting partnerships and collaborations.

For NSF purposes, for separately submitted and awarded collaborative proposals, the PI should report progress on his/her institution's portion of the collaborative effort only. In each of the subsections below, note which collaborators or contacts are involved in data contribution and/or management.

If there is nothing significant to report during this reporting period, please check "Nothing to Report", if applicable.

* Required fields

*** Research Experience for Undergraduates (REU) funding**

How many REU applications were received during this reporting period?

How many REU applicants were selected and agreed to participate during this reporting period?
