

Accompanying Email to Pre-FOCI Conference Questionnaire

Dear Mr./Mrs./Ms. (Name),

Please save July 21, 2017 for this year's annual FOCI Conference, to be held at the Patent and Trademark Office in Alexandria, VA from 0830-1600 hrs. EDT. This year's FOCI Conference promises to be an opportunity to deepen our industry-government partnership. In order to best meet the needs of industry, we would like to include you in planning this year's event, and gauge your interest in a few proposed topics and the opportunity to participate via Video Teleconference (VTC) at a local DSS Field Office. We ask that you please fill out the attached questionnaire and return it to dss.quantico.dss.mbx.foci-conference@mail.mil by April 5, 2017. You can expect conference registration information to follow in June. We look forward to hearing from you!

Sincerely,
(IP Director)
