## Request for Approval under the "Fast Track Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: XXXX-YYYY)

TITLE OF INFORMATION COLLECTION: Sure Start Parent Questionnaire

**PURPOSE:** The Sure Start Parent Questionnaire is a tool to measure the overall satisfaction level of parents for students enrolled in Department of Defense Education Activity (DoDEA) Sure Start programs. This collection is necessary to meet the Government Performance and Results Act of 1993, Public Law 103-62; 107 Stat. 285, that requires agencies to have strategic plans and to consult with affected persons. A major purpose of the regulation is to improve Federal program effectiveness and public accountability by promoting a new focus on results, service quality, and customer satisfaction. Additionally, the parent survey is also a required component of the annual program evaluation of the Sure Start program as required in section 3.m (2) of DoDEA Regulation 1307.01. According to this regulation, DoDEA Sure Start staff members are required to assess the quality of their program at the local level as a whole. One component of this program assessment is the completion of a parent survey, which when combined with additional data elements, will be used to develop annual improvement plans to ensure that the Sure Start program is being implemented as required and to make continual program improvements.
