Adult Consent Form for Blood and Urine Testing ATSDR Exposure Investigation (EI) Anaconda, MT

Who are we?

- We are from a federal public health agency, the Agency for Toxic Substances and Disease Registry (ATSDR)

Who are we working with?

- Region 8 Environmental Protection Agency (EPA)
- Anaconda Deer Lodge County (ADLC) Health Department
- Montana Department of Public Health and Human Services (MDPHHS)

Why we are doing this Exposure Investigation (EI)?

- We are doing this EI to respond to community concerns about lead and arsenic in the environment and to help people find out if they are exposed
- We are testing lead in blood samples and arsenic in urine samples

What are we asking you to do?

- You are invited to have your blood tested for lead, and urine tested for arsenic.
- There is **NO COST** to you for the testing.
- Collect a urine sample at home and bring it to the blood collection location.
- Complete a brief questionnaire with that will ask questions regarding how you may be exposed to lead and arsenic.
- Allow a licensed phlebotomist to take a sample of your blood.

What is included in my participation?

There are three parts to your participation.

1. Urine Collection and Testing for Arsenic

- The first morning urine sample that you collected at home and froze was brought to the blood testing location.
- We will send your urine to a lab to test it for arsenic.
- **The urine will not be tested for drugs, alcohol or HIV.**

2. Answer a Short Questionnaire

- We will ask you some questions about your home and how you might be exposed to lead and arsenic.
- This should take about 20 minutes.

3. Blood Collection and Testing for Lead

- We will collect less than 1 teaspoon (3 milliliters) from a vein in your arm.
- This will take 10 minutes or less.
- We will send your blood to a lab to test it for lead.
- **The blood will not be tested for drugs, alcohol or HIV.**

What will happen to any leftover blood or urine after testing is finished?

- The blood and urine will not be used for anything else.
- The lab will throw out any leftover blood and urine.

When will you get the test results?

- You will get your test results by mail about 12 weeks after testing.

What are the benefits of being in this EI?

- You will know the levels of lead in your blood and arsenic in your urine.
- If you are found to have high levels of lead or arsenic, ATSDR and ADLC will recommend you follow-up with your physician and will provide you with information that will help you reduce contact with lead and arsenic.

What are the risks of this EI?

- The needle stick might hurt a little.
- Some bruising may happen where the blood is taken.
- You may feel a little lightheaded for a short time.
- If you are pregnant there is no risk to the pregnancy from the blood collection.

How will we protect your privacy?

- We will protect your privacy as much as the law allows.
 - Montana law requires that we report blood lead levels to the ADLC health department if the result is greater than 5 µg/dL.
 - Montana law requires that information given to the state may be made public if someone asks them for the information but your name and address will not be released.
 - We will share the results with other agencies only with your permission. We will require our government partners to treat your information as private.
- We will give you an identification (ID) number.
 - Your ID number, not your name, will go on the tube of blood and urine sample.
 - We will keep a record, under lock-and-key, of your name, address, and ID number. The information will be used by ATSDR to link the results to each person and send your blood and urine test results to you.

- We will not use your name in any report we write. Only group information that does not include individual names will be reported.

When can you ask questions about the testing?

- If you have any questions about this testing, you can ask us now.
- If you have questions later, you can call:
 - o **Dr. Luly Rosales-Guevara at 770-488-0744**
 - o **Dr. Matt Karwowski at 404-718-5867**
 - o **The Anaconda Exposure Investigation toll free number (888) 892-1320**
