If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?

[] Yes [X] No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

- 1. We will invite users on the website to take the survey through pop-up notifications and static links
- 2. We will send the survey link to our GovDelivery email list, which has approximately 5,500 subscribers
- 3. We will also distribute the survey link through our social media accounts (Facebook and Twitter)
- 4. We will invite users on the site to sign up to participate in the online focus groups
- 5. We will work with the ClinRegs Steering Group to identify users to participate in the focus groups
