

Burden Disclosure: Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA# 0925-0668. Do not return the completed form to this address.

Please take 5 minutes and answer these questions. Your feedback will help us make improvements to Order It.

1. If you utilized the 'Order It' system for your clinical agent or supply request, do you find it easy to navigate? Rate from 1 to 10. 10 being the highest.

1 10

2. Do you feel that your DMID-CMS related questions are answered adequately within 48 (or 24) hours or less?

3. Do you find the "Help" section and "How To" videos useful?

4. What do you think is the biggest issue with ordering clinical agents through the Order It system? Example, finding the right site address, not having protocol access, no confirmation once the order had been placed/shipped.
