

ClinRegs Data Collection Screenshots

Screenshot 1 – User affiliation page

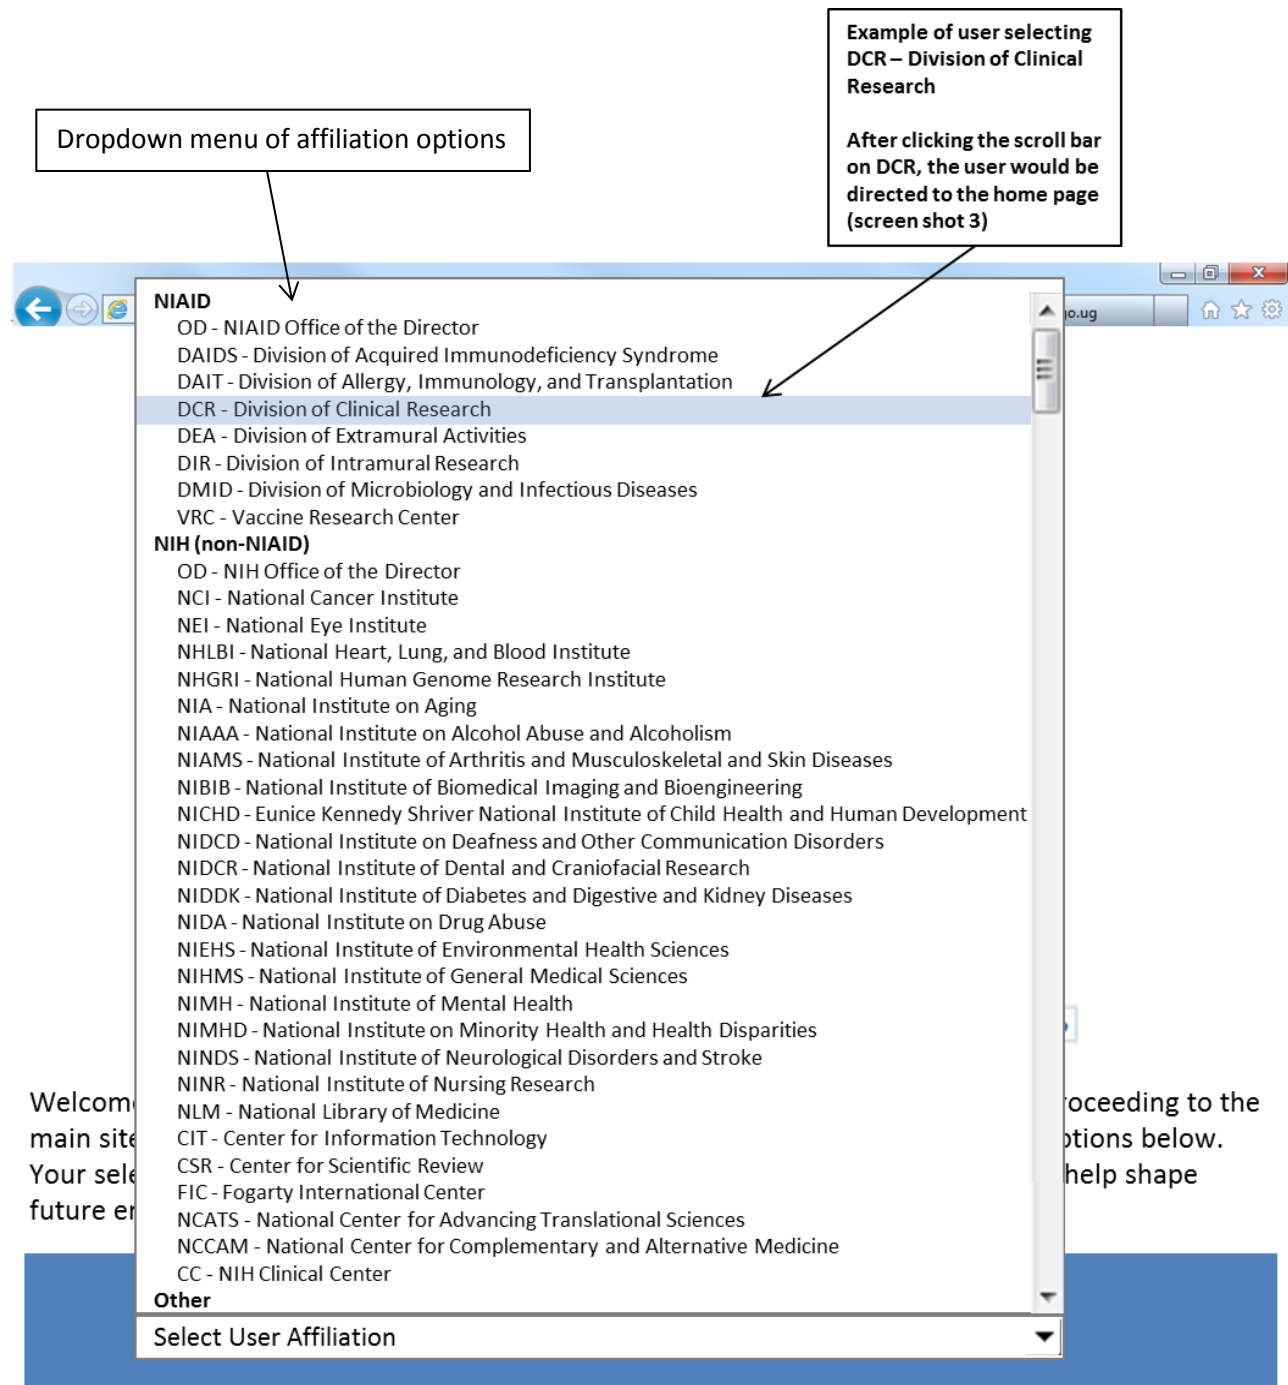

The screenshot shows a web browser window displaying the ClinRegs user affiliation page. The page features the NIH logo and the ClinRegs title. A world map is displayed, with different regions colored in various colors. Below the map, there is a text block explaining the purpose of the affiliation selection. At the bottom, there is a form with a text input field, a submit button, and a link for users who prefer not to respond.

This is the landing page that the user first arrives at when coming to the ClinRegs website

If user clicks here, they will go directly to homepage (screenshot 3)

If user clicks here, a drop down menu of options appears (screenshot 2)

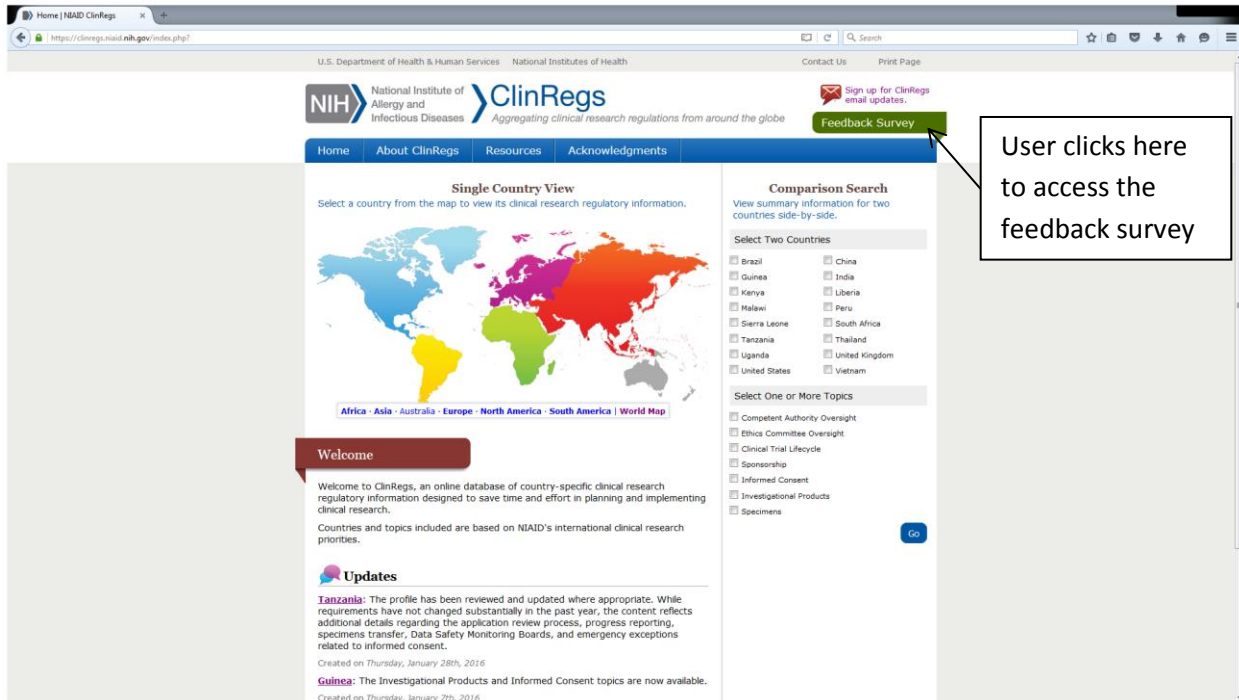

Screenshot 2 – Affiliation selection

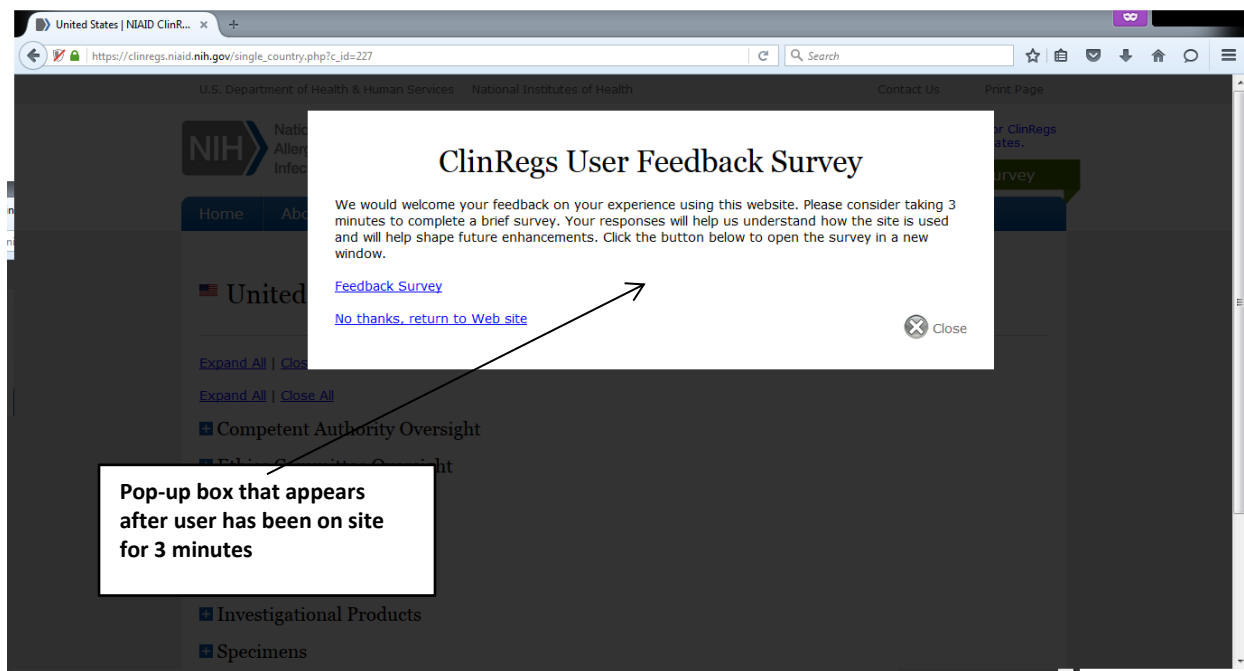

- Academia
- Government (non-NIH)
- Industry
- Clinical Research Network
- Not-for-profit (e.g. professional association, philanthropy, etc.)
- Other

Other options that show up below "Other" if the user scrolls further down the menu
