

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0286. Public reporting burden for this collection of information is estimated to average 3 hours per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 1 Choke Cherry Road, Room 2-1057, Rockville, Maryland, 20857.

Garrett Lee Smith (GLS) National Outcomes Evaluation State/Tribal Suicide Prevention Program Early Identification, Referral, and Follow-Up (EIRF) Individual Form

Directions: The following information should be completed by a professional for youth—ages 10-24—who are identified as at risk by a trained gatekeeper or screening tool as part of your GLS program. This form should be completed for every new identification of suicide risk that is made by a trained gatekeeper or screening tool.

As you complete the form, please note that all entries and descriptions of other should not use acronyms or any local terms; please be sure that you only select other when none of the
