Notice of Proposed Information Collection; Request for Comments for 1029-0098

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSMRE) is announcing that the information collection request for the Petition process for designation of Federal lands as unsuitable for all or certain types of surface coal mining operations and for termination of previous designations, has been submitted to the Office of Management and Budget (OMB) for review and approval. The information collection request describes the nature of the information collection and its expected burden and cost. This information collection activity was previously approved by OMB and assigned control number 1029-0098.

DATES: OMB has up to 60 days to approve or disapprove the information collection request but may respond after 30 days. Therefore, public comments should be submitted to OMB by January 8, 2016, in order to be assured of consideration.

ADDRESSES: Submit comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Department of the Interior Desk Officer, by telefax at (202) 395-5806 or via email to OIRA_Submission@omb.eop.gov. Also, please send a copy of your comments to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave. NW., Room 203-SIB, Washington, DC 20240, or electronically to jtrelease@osmre.gov. Please reference 1029-0098 in your correspondence.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request contact John Trelease at (202) 208-2783, or electronically at jtrelease@OSMRE.gov. You may also review this information collection request on the Internet by going to <http://www.reginfo.gov> (Information Collection Review, Currently Under Review, Agency is Department of the Interior, DOI-OSMRE).

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. OSMRE has submitted a request to OMB to renew its approval for the collection of information found at 30 CFR part 769—Petition process for designation of Federal lands as unsuitable for all or certain types of surface coal mining operations and for termination of previous designations. OSMRE is requesting a 3-year term of approval for this collection.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1029-0098.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on this collection of information was published on August 5, 2015 (80 FR 46602). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity:

Title: 30 CFR part 769—Petition process for designation of Federal lands as unsuitable for all or certain types of surface coal mining operations and for termination of previous designations.

OMB Control Number: 1029-0098.

Summary: This part establishes the minimum procedures and standards for designating Federal lands unsuitable for certain types of surface mining operations and for terminating designations pursuant to a petition. The information requested will aid the regulatory authority in the decision making process to approve or disapprove a request.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: People who may be adversely affected by surface mining on Federal lands.

Total Annual Responses: 1.

Total Annual Burden Hours: 1,000.

Obligation to Respond: Required in order to obtain or retain benefits.

Send comments on the need for the collection of information for the performance of the functions of the agency; the accuracy of the agency's burden estimates; ways to enhance the quality, utility and clarity of the information collection; and ways to minimize the information collection burden on respondents, such as use of

automated means of collection of the information, to the offices listed in the **ADDRESSES** section. Please reference OMB control number 1029-0098 in all correspondence.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: December 4, 2015.

John A. Trelease,

Acting Chief, Division of Regulatory Support.

Notice of Proposed Information Collection for 1029-0115

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSMRE) is announcing its intention to seek renewed approval for the collection of information for permits and permit processing. This information collection will also seek approval to collect permit processing fees approved under OSMRE regulations. This information collection activity was previously approved by OMB and assigned control number 1029-0115.

DATES: Comments on the proposed information collection must be received by February 8, 2016, to be assured of consideration.

ADDRESSES: Comments may be mailed to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave. NW., Room 203-SIB, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request contact John A.

Trelease, at (202) 208–2783 or at the email address listed in **ADDRESSES**.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. This notice identifies an information collection that OSMRE will be submitting to OMB for extension. This collection is contained in 30 CFR part 773—Requirements for permits and permit processing. OSMRE is including in this collection a request for OMB approval to collect processing fees for new permits in Federal program states and on Indian lands codified in 30 CFR 736.25 and 750.25.

OSMRE has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on reestimates of burden or respondents. OSMRE will request a 3-year term of approval for the information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will be included in OSMRE's submissions of the information collection requests to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Title: 30 CFR part 773—Requirements for Permits and Permit Processing.

OMB Control Number: 1029–0115.

Summary: The collection activities for this Part ensure that the public has the opportunity to review permit applications prior to their approval, and that applicants for permanent program permits or their associates who are in violation of the Surface Mining Control and Reclamation Act do not receive surface coal mining permits pending resolution of their violations. This

collection request includes the submission of processing fees authorized by 30 CFR 736.25 and 750.25 in Federal program states and on Indian lands, respectively.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents:

Applicants for surface coal mining and reclamation permits and State governments and Indian Tribes.

Total Annual Respondents: 892 coal mining applicants and 24 regulatory authorities.

Total Annual Burden Hours: 38,442.

Total Annual Non-Wage Cost Burden: \$85,600.

Obligation to Respond: Required in order to obtain or retain benefits.

Dated: December 4, 2015.

John A. Trelease,

Acting Chief, Division of Regulatory Support.

Notice of Proposed Information Collection for 1029–0051

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSMRE) is announcing its intention to request approval to continue the collection of information for its Permanent Program Inspection and Enforcement Procedures. This information collection activity was previously approved by the Office of Management and Budget (OMB), and assigned control number 1029–0051.

DATES: Comments on the proposed information collection activities must be received by February 8, 2016, to be assured of consideration.

ADDRESSES: Comments may be mailed to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave. NW., Room 203–SIB, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov. Please reference control number 1029–0051 in your correspondence.

FOR FURTHER INFORMATION CONTACT: To request additional information about

this collection of information, contact John Trelease, at (202) 208–2783 or by email listed in **ADDRESSES**.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. This notice identifies an information collection that OSMRE will be submitting to OMB for renewed approval. The collection is contained in 30 CFR part 840—Permanent Program Inspection and Enforcement Procedures. OSMRE will request a 3-year term of approval for each information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSMRE's submission of the information collection request to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Title: 30 CFR part 840—Permanent Program Inspection and Enforcement Procedures.

OMB Control Number: 1029–0051.

Abstract: This provision requires the regulatory authority to conduct periodic inspections of coal mining activities, and prepare and maintain inspection reports and other related documents for OSMRE and public review. This information is necessary to meet the requirements of the Surface Mining Control and Reclamation Act of 1977 and its public participation provisions. Public review assures the public that the State is meeting the requirements of the Act and approved State regulatory program.

Bureau Form Number: None.

Frequency of Collection: Once and annually.

Description of Respondents: State Regulatory Authorities.
