

Legal Education (JD / LLM)

All applicants: List all law schools attended when earning your initial law degree (J.D. or equivalent).

Joint degree students who have not completed both degrees click here for special instructions and enter the date when both degrees will be completed in the "Date J.D. Received/Expected" box to ensure routing to the proper Program.

Law school graduates in full-time clerkships/fellowships who are enrolled in a part-time graduate law program should enter that information here.

Applicants graduating this academic year and law school graduates who attended or will attend a full-time graduate law degree program following graduation should not enter LL.M information at this time - you will be prompted to enter that information on the Post-Law School Activities screen.
