

Probation Supervision Responsibilities Information Request Form

I am writing to request your assistance in providing information about your agency's role in adult probation. Even if your agency does not supervise adults under any form of probation, please provide information on your agency. This effort is being done to support the Annual Probation Survey (APS), which provides the only comprehensive overview of the total probation population at both the national and state levels.

To ensure that the APS is comprehensive, we are developing a complete listing of all agencies and courts with responsibility for supervising adults on probation. Your participation is voluntary, but it will help us produce complete and accurate statistics about the probation population in the United States. Upon completion, separate this page from the card below, seal the card with the adhesive and place it in outgoing mail. If you prefer to answer these questions over the phone, please call toll-free: 866-334-4175.

Sincerely,

E. Ann Carson

Chief, Corrections Statistics Unit Bureau of Justice Statistics
