Procedures to Access Funds From an ATM

- 1** – Insert your debit card into any ATM displaying the CHASE, CIRRUS, MAESTRO, PULSE, or NYCE logo.
- 2** – The ATM will request your PIN (**P**ersonal **I**dentification **N**umber). Enter the 4-digit PIN when prompted.
- 3** – When the ATM inquires which type of transaction, choose "Withdrawal."
- 4** – The screen may display the following message:
"This terminal charges a fee in addition to any fees your bank may charge. Do you wish to continue?" Choose "Yes."
(This fee has been prepaid.)
- 5** – Then press "Checking" to access your cash incentive. (Prompts may vary slightly on each ATM.)
- 6** – When the ATM inquires on whether you want a receipt or not, this is your option.
- 7** – Remove your card from the ATM.

THANK YOU for participating in this important survey.

If you have any questions or problems about the card, call the National Processing Center at 1-844-252-4163.
