

Supporting Statement
Information Return for Publicly Offered Original Issue Discount
Instruments
OMB Control Number 1545-0887

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Section 1275(c)(2) of the Internal Revenue Code requires the furnishing of certain information to the IRS by issuers of publicly offered debt instruments. Regulations section 1.1275-3 prescribes the information to be reported on the form. File Form 8281 to provide the information required by section 1275(c). The reporting requirements of section 1275(c) were designed to facilitate the IRS's collection and publication of the original issue discount (OID) information needed by brokers and middlemen in order for them to provide information returns to holders of OID debt instruments.

2. USE OF DATA

The information is used to update Publication 1212, Guide to Original Issue Discount (OID) Instruments, to enable brokers and other middlemen to identify publicly traded OID obligations, which they may hold as nominees for the true owners, so that they can meet the requirement to file Forms 1099-INT and 1099-OID as required by section 6049.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We have no plans to offer electronic filing because of the low filing volume compared to the cost of electronic filing.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

There are no small entities affected by this collection.

6. **CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES**

The consequences are that the IRS will have to spend more taxpayer assistance resources to collect this data through other means. This will compromise the Agency's ability to enforce tax compliance. Tax compliance is a vital part of the government's ability to meet its mission and serve the public.

7. **SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)**

There are no special circumstances requiring data collection to be inconsistent with Guidelines in 5 CFR 1320.5(d)(2).

8. **CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS**

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 8281.

In response to the *Federal Register* notice dated August 26, 2015, (80 FR 51872), we received no comments during the comment period regarding Form 8281.

9. **EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS**

No payment or gift has been provided to any respondents.

10. **ASSURANCE OF CONFIDENTIALITY OF RESPONSES**

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. **JUSTIFICATION OF SENSITIVE QUESTIONS**

A privacy impact assessment (PIA) has been conducted for

information collected under this request as part of the "Business Master File (BMF)" system and a Privacy Act System of Records notice (SORN) has been issued for this system under IRS 24.046-Customer Account Data Engine Business Master File. The Internal Revenue Service PIAs can be found at <http://www.irs.gov/uac/Privacy-Impact-Assessments-PIA>.

Title 26 USC 6109 requires inclusion of identifying numbers in returns, statements, or other documents for securing proper identification of persons required to make such returns, statements, or documents and is the authority for social security numbers (SSNs) in IRS systems.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

	Number of Responses	Time per Response	Total Hours
Form 8281	500	6.12 hrs.	3,060

The following regulations impose no additional burden. Please continue to assign OMB number 1545-0887 to these regulations:

1.1274A-1	1.1275-3
1.1274	1.1275-2

Estimates of annualized cost to respondents for the hour burdens shown above are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our *Federal Register* notice dated **August 26, 2015**, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any responses from taxpayers on this subject. As a result, estimates of these cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

The primary cost to the government consists of the cost of printing this form. We estimate that the cost of printing the form is \$383.

15. REASONS FOR CHANGE IN BURDEN

There are no changes being made to Form 8281 at this time.

We are making this submission for renewal purposes.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

There are no plans for tabulation, statistical analysis and publication.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

See attachment.

18. EXCEPTION TO THE CERTIFICATION STATEMENT

There are no exceptions to the certification statement.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
