Submission of Data by State Educational Agencies; Submission Dates for State Revenue and Expenditure Reports for Fiscal Year (FY) 2015, Revisions to Those Reports, and Revisions to Prior Fiscal Year Reports

AGENCY: National Center for Education Statistics, Institute of Education Sciences, Department of Education.

ACTION: Notice.

SUMMARY: The Secretary announces dates for State educational agencies (SEAs) to submit expenditure and revenue data and average daily attendance statistics on ED Form 2447 (the National Public Education Financial Survey (NPEFS)) for fiscal year (FY) 2015, revisions to those reports, and revisions to prior fiscal year reports. The Secretary sets these dates to ensure that data are available to serve as the basis for timely distribution of Federal funds. The U.S. Census Bureau is the data collection agent for this request of the Department of Education's National Center for Education Statistics (NCES). The data will be published by NCES and will be used by the Secretary in the calculation of allocations for FY 2017 appropriated funds.

DATES: SEAs can begin submitting data on Tuesday, February 2, 2016. The deadline for the final submission of all data, including any revisions to previously submitted data for FY 2014 and FY 2015, is Monday, August 15, 2016. Any resubmissions of FY 2014 or FY 2015 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed as soon as possible, but no later than Tuesday, September 6, 2016. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 6, 2016.

ADDRESSES AND SUBMISSION INFORMATION: SEAs may mail ED Form 2447 to: U.S. Census Bureau, ATTENTION: Economic Reimbursable Surveys Division, 4600 Silver Hill Road, Suitland, MD 20746.

SEAs may submit data online using the interactive survey form on the NPEFS data collection Web site at: <http://surveys.nces.ed.gov/ccdnpefs>. The NPEFS interactive survey includes a digital confirmation page where a personal identification number (PIN) may be entered. A successful entry of the PIN serves as a signature by the authorizing official. Alternatively, a certification form also may be printed from the Web site, signed by the authorizing official, and mailed to the Economic Reimbursable Surveys Division of the Census Bureau at the

Washington, DC address provided above, within five business days after submission of the NPEFS Web interactive form.

Alternatively, SEAs may hand-deliver submissions by 4:00 p.m. Washington, DC time on August 15, 2016, to: U.S. Census Bureau, Economic Reimbursable Surveys Division, 4600 Silver Hill Road, Suitland, MD 20746.

FOR FURTHER INFORMATION CONTACT: Mr. Stephen Q. Cornman, NPEFS Project Director, National Center for Education Statistics, Institute of Education Sciences, U.S. Department of Education. Telephone: (202)245-7753 or by email: [stephen.cornman@ed.gov](mailto:stephen.cornman@ed.gov). You may also contact an NPEFS team member (Census Bureau). Telephone: 1-800-437-4196 or (301) 763-1571 or by email: [erd.npefs.list@census.gov](mailto:erd.npefs.list@census.gov).

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service, toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION: Under section 153(a)(1)(I) of the Education Sciences Reform Act of 2002,

20 U.S.C. 9543(a)(1)(I), which authorizes NCES to gather data on the financing and management of education, NCES collects data annually from SEAs through ED Form 2447. The report from SEAs includes attendance, revenue, and expenditure data from which NCES determines a State's "average per-pupil expenditure" (SPPE) for elementary and secondary education, as defined in section 9101(2) of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7801(2)).

In addition to using the SPPE data as general information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including, but not limited to, title I, part A of the ESEA, Impact Aid, and Indian Education programs. Other programs, such as the Education for Homeless Children and Youth program under title VII of the McKinney-Vento Homeless Assistance Act and the Teacher Quality State Grants program (title II, part A of the ESEA), make use of SPPE data indirectly because their formulas are based, in whole or in part, on State title I, part A allocations.

In January 2016, the Census Bureau, acting as the data collection agent for NCES, will email ED Form 2447 to SEAs, with instructions, and will request that SEAs commence submitting FY 2015 data to the Census Bureau on Tuesday, February 2, 2016. SEAs are urged to submit accurate and complete data by Friday, March 18, 2016, to facilitate timely processing.

Submissions by SEAs to the Census Bureau will be analyzed for accuracy and returned to each SEA for verification. SEAs must submit all data, including any revisions to FY 2014 and FY 2015 data, to the Census Bureau no later than Monday, August 15, 2016. Any resubmissions of FY 2014 or FY 2015 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed by Tuesday, September 6, 2016. Between August 15, 2016, and September 6, 2016, SEAs may also, on their own initiative, resubmit data to resolve issues not addressed in their final submission of NPEFS data by August 15, 2016. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 6, 2016.

In order to facilitate timely submission of data, the Census Bureau will send reminder notices to SEAs in May, June, and July of 2016.

Having accurate, consistent, and timely information is critical to an efficient and fair Department of Education (Department) allocation process and to the NCES statistical process. To ensure timely distribution of Federal education funds based on the best, most accurate data available, the Department establishes, for program funding allocation purposes, Monday, August 15, 2016, as the final date by which the SEAs must submit data using either the interactive survey form on the NPEFS data collection Web site at: <http://surveys.nces.ed.gov/ccdnpefs> or ED Form 2447.

Any resubmissions of FY 2014 or FY 2015 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed through the interactive survey form on the NPEFS data collection Web site or ED Form 2447 by Tuesday, September 6, 2016. If an SEA submits revised data after the final deadline that result in a lower SPPE figure, the SEA's allocations may be adjusted downward, or the Department may direct the SEA to return funds. SEAs should be aware that all of these data are subject to audit and that, if any inaccuracies are discovered in the audit process, the Department may seek recovery of overpayments for the applicable programs.

Note: The following are important dates in the data collection process for FY 2015:

February 2, 2016 -- SEAs can begin to submit accurate and complete data for FY 2015 and revisions to previously submitted data for FY 2014.

March 18, 2016 -- Date by which SEAs are urged to submit accurate and complete data for FY 2014 and FY 2015.

August 15, 2016 -- Mandatory final submission date for FY 2014 and FY 2015 data to be used for program funding allocation purposes.

September 6, 2016 -- Mandatory final deadline for responses by SEAs to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau. All data issues must be resolved.

If an SEA's submission is received by the Census Bureau after August 15, 2016, the SEA must show one of the following as proof that the submission was mailed on or before that date:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary.

If the SEA mails ED Form 2447 through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an SEA should check with its local post office.

State Address

Dear \_\_\_\_\_:

The National Center for Education Statistics (NCES) requests your state’s continued participation in the Fiscal Year 2014 National Public Education Financial Survey (NPEFS). The U.S. Census Bureau will once again act as the collection agency on behalf of NCES. Your participation in this voluntary survey is important as the data are used to allocate federal funds for education. In addition, the data are widely published as the official data on revenues and expenditures for public education in your state.

We have several methods for you to use to report your survey data. Most of our respondents use the Internet reporting option and we encourage you to utilize this time and cost saving alternative. As a part of the Internet application, we also offer the Crosswalk software. All Crosswalk users may upload their table files on line. Each Crosswalk state that logs into the application will be immediately directed to the Crosswalk section of the application to begin the processing of your state’s files.

You may access the NPEFS questionnaire at <http://surveys.nces.ed.gov/ccdNPEFS/>. We have enclosed your new username and password, along with general instructions for accessing the Internet application. Note that detailed instructions for using the Internet application can also be found in Appendix A of the on-line instruction manual. You may contact our office at the numbers given below if you would like a hard copy of the NPEFS questionnaire and instruction manual. Crosswalk users will also find specific Crosswalk information and detailed instructions in a manual, also on-line.

Survey replies and data plans should be submitted directly to the Census Bureau by March 13, 2015. To request an extension, please contact the NPEFS staff at the U.S. Census Bureau, at 1(800) 437-4196 or (301) 763-1571. Please note that data submissions received after August 14, 2015 cannot be accepted for purposes of federal program allocations. Any resubmissions of FY 2013 or FY 2014 data by SEAs in response to requests for clarification, reconciliation or other inquiries by NCES or the Census Bureau must be completed by Tuesday, September 8, 2015. All outstanding data issues must be reconciled and/or resolved by the SEAs, NCES, and the Census Bureau prior to September 8, 2015. The Census Bureau address for Federal Express mailing, survey contact names, telephone numbers, and e-mail addresses are all located in the survey contact section of the instruction manual.

Sincerely yours,

Stephen Q. Cornman

Fiscal Coordinators:

1We will begin the fiscal year 2014 (FY 2014) National Public Education Financial Survey (NPEFS) processing in January 2015. We take this opportunity to invite states that are currently not in the Crosswalk program to consider working with the NPEFS staff to design a Crosswalk specific to your state's chart of accounts.

The NPEFS Crosswalk is one method for you to employ to translate your data from your state's chart of accounts into the federal format in order to produce the NPEFS report. This program promotes consistency, timeliness, and accuracy in the final data product resulting in timely distribution of funds. Please contact us if you wish to learn more about the NPEFS Crosswalk process.

The start of the Crosswalk processing cycle is timed to give current states the opportunity to make changes to their translation table and to add, delete or modify records for data allocations (data distributed to more than one category). The majority of states maintain their individual state records. If you need assistance while working with any of the Crosswalk features, please let us know as soon as possible. The Census Bureau and the Department of Education maintain high security standards and we will safeguard all password distributions.

To access our Web site, go to <http://surveys.nces.ed.gov/ccdnpefs>. If you have any questions or are interested in using the Crosswalk program for fiscal year 2015, please contact us via e-mail at [govs.npefs.list@census.gov](mailto:govs.npefs.list@census.gov) or phone (800) 437-4196 by August 1, 2014.
