PARTNER NAME (Per your Partnership Agreement): _____

PARTNER TYPE (Select from drop-down list or write-in OEM, Private Labeler, or OEM & Private Labeler): _____

If your company private labels product it receives from other ENERGY STAR Partners, please list those Partners here: _____

DATE OF SUBMISSION: _____

SUBMITTED BY (Your name): _____

IMPORTANT: Please read these instructions carefully before completing this form.

- Report shipments to or within the U.S. of all models certified under your ENERGY STAR partnership.
- To ensure no double counting occurs, in the space provided above indicate whether you are an OEM and/or a private labeler, and:
 - If you are a private labeler, in the space provided above list the OEM ENERGY STAR partners manufacturing the products you label, and in the table below report product you received from those partners and shipped in the U.S. as ENERGY STAR.
 - If you are an OEM, in the table below report product your organization manufactured and shipped in the U.S. as ENERGY STAR.
 - If you are both an OEM and private labeler, you should have shipments to report in both columns, adding up to your total shipments in the third column.
- If you shipped zero ENERGY STAR certified models to or within the U.S. in 2015, please check here and leave the table below blank.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages you to fill it out using Microsoft Excel, instead of filling out a printed copy. Estimates of shipments are not accepted. Product Type definitions are available in the Program Requirements at www.energystar.gov/specifications.
