Purchase Data for Calendar Year 2015
Office of Atmospheric Programs

PARTNER NAME (Per your Partnership Agreement): _____

DATE OF SUBMISSION: _____

SUBMITTED BY (Your name): _____

IMPORTANT: Please read these instructions carefully before completing this form.

- Please fill out either this sheet (Service Providers PURCHASE Req.) or the other sheet (Service Providers FLEET Req.), but not both.
- Report units of all ENERGY STAR certified models deployed in the U.S. under your ENERGY STAR partnership.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages you to fill it out using Microsoft Excel, instead of filling out a printed copy. Estimates of shipments are not accepted. Product Type definitions are available in the Program Requirements at www.energystar.gov/specifications.

For additional protection of confidential business information, partners may elect to submit the above information to a third party for aggregation prior to submission to EPA. If this path is chosen, the third party must submit to EPA the above table of information containing the summary data received from partners and a list of partners that contributed to the data collection effort. The third party must also submit to EPA the percent of ENERGY STAR certified new purchases for each Service Provider partner according to the following equation: ENERGY STAR New Purchases in 2015/ TOTAL New Purchases in 2015.

Any information submitted to EPA for which a claim of confidentiality is made will be safeguarded according to the Agency's policies set forth in Title 40, chapter 1, part 1, subpart B - Confidentiality of Business Information (see 40 CFR part 2; 41 FR 36902, September 1, 1976; amended by 43 FR 40000, September 8, 1978; 43 FR 42251, September 20, 1978; 44 FR 17674, March 23, 1979).

The public reporting and recordkeeping burden for this collection of information is estimated to average 6.69 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
