Term *   Summer   **Year** *   2016

Applicant Agreement

By entering my full name below, I agree that I understand the following:

- *It is my responsibility to ensure my online application is submitted and complete by the deadline as stated on the DEVELOP website (http://develop.larc.nasa.gov).*
- *Applications that are submitted, but not completed (missing letters of recommendation) may not be considered.*
- *This application is only valid for one term. If I wish to be considered for participation with the DEVELOP Program in ANY future term, I must complete and submit another DEVELOP online application within the set term window.*
- *I must be at least 18 years of age by the start of the term I am applying for.*
- *I must be a citizen of the United States in order to apply to one of the DEVELOP NASA locations (except Marshall Space Flight Center).*
- *Through the DEVELOP Program, non-citizens, including permanent residents, are not eligible for opportunities at NASA locations. I further understand that as a non-US citizen, I must be currently enrolled in an accredited US school and have the proper visa permitting me to work in the US in order to be eligible for the DEVELOP Program at any of the DEVELOP Regional or Academic locations.*

- *In order to be eligible for one of the DEVELOP International locations, I must be currently enrolled in school and living in the country/region.*

I hereby declare the information provided by me in this application to be true and complete, and I understand that falsification of this information is grounds for refusal for selection or immediate dismissal from the program.

1. NASA Applied Sciences' Program Application Areas

Please select your preferred area(s) of research. More information about the Application Areas can be found at (http://www.nasa.gov/applied-sciences/application-capacity.html). Projects vary by term and location, so preference is not guaranteed.

Agriculture * ○ Yes ○ No   **Ecological Forecasting** * ○ Yes ○ No   **Oceans** * ○ Yes ○ No

Climate * ○ Yes ○ No   **Energy** * ○ Yes ○ No   **Water Resources** * ○ Yes ○ No

Disasters * ○ Yes ○ No   **Health & Air Quality** * ○ Yes ○ No   **Weather** * ○ Yes ○ No

Please explain why you chose the above area(s): (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

2. List computer software programs, experience, and skills. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

3. List scholarships, fellowships, honors, and awards, including dates received. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

4. List any foreign languages you speak and include proficiency. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

5. List any previous research experience, including project title, advisor, and dates. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

6. List any conference presentations, including dates and locations. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

7. List any other accomplishment(s) you feel relevant. (maximum 2000 characters) *

Content limited to 2000 characters, remaining: **2000**

Briefly answer the following questions:

1. What are your career goals and how will an opportunity with DEVELOP help you accomplish them? (maximum 4000 characters) *

Content limited to 4000 characters, remaining: **4000**

2. Why are you interested in the Earth Sciences and gaining experience in applied sciences? (maximum 4000 characters) *

Content limited to 4000 characters, remaining: **4000**

3. Describe which two DEVELOP Core Values (http://develop.larc.nasa.gov/about.html) you feel you embody most and why? (maximum 4000 characters) *

Content limited to 4000 characters, remaining: **4000**

4. What is the top thing you are looking to gain from an opportunity with DEVELOP? (maximum 4000 characters) *

Content limited to 4000 characters, remaining: **4000**

5. In the space below, describe how you will contribute to the DEVELOP National Program and how your unique combination of skills and experiences can be beneficial to your chosen area of interest. Include the NASA Applied Sciences' Application Areas that interest you the most. (maximum 8000 characters) *

Content limited to 8000 characters, remaining: **8000**

Transportation – Selected interns are required to provide their own transportation to and from the DEVELOP location. It is very strongly encouraged for interns to bring their own vehicles, as this provides flexibility with regards to housing options and traveling locally while in the program.

Housing – Interns are responsible for their own housing and living expenses, including leases, rent payments, deposits, etc. If selected for a paid opportunity, the compensation can assist with covering any costs that are incurred. The DEVELOP National Program Office and Center Leads can provide recommendations for housing options in the local area to each center.

If you will require housing, please answer the following questions:

• **I will be bringing my personal vehicle:** [- None - ▾]

• **If you are bringing your vehicle, are you willing to allow others to carpool with you?** [- None - ▾]

• **If you are not bringing your vehicle, would you like to carpool?** [- None - ▾]

• **Smoking preference:** [- None - ▾]

• **Usual bedtime during the week:** [_____]

• **Rate your neatness as it applies to your living quarters on a scale of 1-5, with 5 being the neatest.** [- None - ▾]

• If you would like to request housing with particular DEVELOP applicants, please list their names below:

Name of Roommate 1: [_____]

Name of Roommate 2: [_____]

• If you are interested in roommate assistance, please indicate permission to share your contact information with other interns by providing your initials and date below:

Initials [_____]

Two letters of recommendation are required to complete your application. Please list at least two recommenders' names and email addresses. Once you submit your application, an automatic system email will be sent to the recommenders listed requesting them to submit a letter of recommendation on your behalf by email to the DEVELOP National Program Office. Further instructions will be included in the email to recommenders.

Recommenders:

Name 1 * [   ]   **Email Address 1** * [   ]   Not Received

Name 2 * [   ]   **Email Address 2** * [   ]   Not Received

Check Yes if you would like to provide a 3rd recommender (optional) *   ○ Yes   ○ No

Once the DEVELOP National Program Office receives your letters of recommendation by email, the status will be updated above. You can login to view your read-only application and check your application status any time after it has been submitted. Once both letters have been received, your application will be completed. If your application status shows your letters have not been received, you may contact the DEVELOP National Program Office - NASA-DL-DEVELOP@mail.nasa.gov - to edit your recommenders and their email addresses.

Submit Your Application

You are almost done! Once submitted, you cannot go back and make edits, so please review your application prior to submission.

If you need to change a response, recommenders' information, or any other details after submission, please contact the DEVELOP National Program Office for assistance.

After you click the "Submit Application" button below, you will receive an email confirming the submission of your application.
