Subject: NASA DEVELOP Program Recommendation Request for Applicant: Susan Haberer

Hello Recommender,

You were listed as one of the references for Candidate's Name, who has applied to the NASA DEVELOP National Program for the Summer - 2016 term. The NASA DEVELOP National Program fosters an interdisciplinary research environment, where applied science research projects are conducted under the guidance of NASA and partner science advisors. More information on the Program can be found here: <http://develop.larc.nasa.gov>.

If you are willing, please write a letter of recommendation focusing on the applicant's:

- Ability to work effectively in a team environment
- Critical thinking skills
- Dedication/commitment to completing work
- Creativity
- Motivation for excellence
- Professionalism
- Ability, flexibility, and interest in learning new concepts and ideas
 - o • Leadership abilities

Please reply to this email with your letter of recommendation as an attachment by 02/26/2016. You will receive a reminder email one week before the deadline.

If you have any questions, please feel free to contact us by email at NASA-DL-DEVELOP@mail.nasa.gov or by phone at (757) 864-3761.

Thank you in advance and we truly appreciate your time!
