LONG-TERM LOAN OR GUARANTEE APPLICATION

ATTACHMENT C: Tied Aid Capital Projects Fund

1. Check if you are requesting appropriate Ex-Im Bank support to preclude or counter foreign tied aid offers.
2. Check if one or more foreign governments are offering, or planning to offer, unusually long repayment periods, unusually low interest rates, and/or mixed grant-credit financing for *the specific contract for which Ex-Im Bank support is sought*. Attach available documentary evidence of a foreign tied aid credit offer. If such evidence is not available, specify your reasons for suspecting foreign tied aid.
3. Check if you authorize Ex-Im Bank to ask the OECD Secretariat to issue a confidential “no aid” comm. on line request to OECD member governments. Acceptance of this request would preclude future foreign and U.S. aid financing for the project.
4. Check if you believe that loss of this contract will jeopardize follow-on sales opportunities for similar sales in the same market. Provide the type and estimated value of potential follow-on sales.
5. Provide the following information, if known, for each foreign government’s tied aid offers.

Foreign Offer #1

Foreign Offer #2

Donor government

Foreign exporters supported

Total offer amount

Currency of offer

Credit portion amount

Credit portion interest rate

Credit portion grace period

Credit portion repayment period

Grant portion, if any

ATTACHMENT D: Anti-lobbying Declaration/Disclosure

The provisions of this Attachment D apply to the following, as applicable: direct loans, medium-term insurance policies and final commitments for medium or long-term guarantees.

1. Anti-Lobbying Law.

Under a U.S. law (31 U.S.C. 1352), recipients of U.S. government loans (which includes direct loans from Ex-Im Bank), grants, contracts, and cooperative agreements, are prohibited from spending Federally appropriated funds to influence certain U.S. government employees, including Ex-Im Bank employees, in connection with the awarding of any such Federal award.

Recipients of U.S. government loans, grants, contracts and cooperative agreements may spend non-Federally appropriated funds for such lobbying purposes; however, they are required to declare and disclose such lobbying expenditures related to a specific transaction.

The law also requires recipients of Ex-Im Bank guarantees and insurance to declare and disclose any lobbying activities in connection with the particular guarantee or insurance policy. Declaration and Disclosure Forms are to be filed by applicants and recipients, including certain exporters and suppliers, as defined below.

2. Compliance Procedures. 2a. Who Must File.

All applicants for direct loans, medium-term insurance policies and final commitments for medium or long-term guarantees must file the appropriate Declaration, in the form annexed to this Attachment D, regardless of whether any funds have been spent for lobbying purposes.

For applicants for direct loans, if any funds have been spent for lobbying purposes in connection with this direct loan, a Disclosure Form must also be filed as directed in the annexed Declaration. The Disclosure Form is OMB Standard Form LLL, "Disclosure Form to Report Lobbying," (<http://www.exim.gov/pub/ins/pdf/lll.pdf>).

For applicants for medium-term insurance policies and for final commitments for medium-term and long-term guarantees, if any funds have been spent for lobbying purposes in connection with the insurance policy or guarantee that is the subject of the transaction, a Disclosure Form must also be filed as directed in the annexed Declaration. The Disclosure Form is OMB Standard Form LLL, "Disclosure Form to Report Lobbying," (<http://www.exim.gov/pub/ins/pdf/lll.pdf>).

The Declaration and/or Disclosure Forms must be received by Ex-Im Bank from the applicant before Ex-Im Bank will consider the application for a final commitment.

All recipients under Ex-Im Bank programs, who are not the applicant for a final commitment, must file the appropriate Declaration and, if they have spent funds for lobbying purposes in connection with the Ex-Im Bank transaction, a Disclosure Form. Recipients include borrowers who receive Ex-Im Bank direct loans, exporters who receive Ex-Im Bank insurance and lenders who receive Ex-Im Bank insurance or guarantees.

The Declaration and/or Disclosure Forms must be received by Ex-Im Bank from the recipients before Ex-Im Bank will enter into a loan, or issue an insurance policy or guarantee.

All suppliers who have entered into a contract in excess of \$100,000 with the recipient of an Ex-Im Bank direct loan or grant must file a Declaration and, if funds have been spent for lobbying purposes, a Disclosure Form.

Such suppliers must file the Declaration and/or Disclosure Forms upon being awarded the supply contract.

2b. Exemptions.

The law has been interpreted so that it does not apply to foreign governments, their instrumentalities or their wholly-owned companies. Therefore, these entities are exempt from filing both the Declaration and Disclosure Forms.

The law's disclosure requirements do not apply to loan, insurance or guarantee transactions where the U.S. Government-financed portion is \$150,000 or less.

2c. How To File.

Complete the appropriate Declaration Form on the following page. If you are required to file a Disclosure Form, it will be provided by Ex-Im Bank upon request. Any person who fails to file the required forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

LONG-TERM LOAN OR GUARANTEE APPLICATION

ATTACHMENT F: Project and Structured Finance

OMB 3048-0013
10/31/2015

I. Project Finance.

The term “project finance” refers to the financing of projects that are dependent on the project cash flows for repayment as defined by the contractual relationships within each project. These projects do not rely on the typical export credit agency security package which has recourse to a foreign government, financial institution or established corporation to meet a reasonable assurance of repayment criterion. By their very nature, projects rely on a large number of integrated contractual arrangements for successful completion.

1. Ex-Im Bank Project Finance.

- **Maximum Support Possible.** Where appropriate, Ex-Im Bank will offer the maximum support allowed within the rules of the OECD Arrangement, to include:
 - a) *Financing of interest accrued during construction related to the Ex-Im Bank financing.*
 - b) *Allowance of up to 37% foreign content in the U.S. package.*
 - c) *Maximum repayment term allowed under the OECD guidelines.*
- **No Size Limitation.** There are no minimum or maximum size limitations.
- **Flexible Coverage.** Any combination of either direct loans or guarantees for commercial bank loans with political risk only or comprehensive coverage are available for a given project.
- **Flexible Equity Arrangements.** There are no predetermined equity requirements. Ex-Im Bank will review and determine the appropriate equity structure on a case-by-case basis. The equity sponsor’s ownership position cannot be transferred without Ex-Im Bank’s consent.
- **Ex-Im Bank Exposure Fee Commensurate with Risk.** Exposure fees will vary depending on the risk assessment of the project and the type of coverage requested during construction and post completion. The exposure fee can be paid up-front or with each disbursement and can be financed.
- **Ex-Im Bank’s environmental procedures** will apply.
- **Rapid Case Processing.** With the help of outside financial consultants, Ex-Im Bank will give a preliminary indication of support, called a Preliminary Project Letter (PPL), within 45 days from the date evaluation begins by the outside consultant. Should the project be sufficiently developed, the sponsor may proceed directly to a final commitment from the PPL, as determined by the Project Finance Division.
- **Financial Consultants.** Ex-Im Bank has advisers on specific project finance cases. Please contact the Structured Finance Group.

2. Application Process.

- **Submission.** The project finance application must include: 1) the standard *Ex-Im Bank LT Application*, and 2) an electronic copy of the materials listed in this attachment. These materials should be marked “Project Finance Application” and submitted to Ex-Im Bank.
- **Preliminary Review.** Ex-Im Bank will review the submitted material within five to ten business days of the date that the application is received by the Structured Finance Division. This review will determine if the application includes the information required to proceed with an evaluation.
- **Incomplete Applications.** If the application presented is determined to be incomplete by the Structured Finance Division, the applicant will be contacted with an explanation of the application’s deficiencies. If the application is not determined to be suitable for limited recourse project financing but could still be considered for another form of Ex-Im Bank financing, it will be forwarded to the appropriate division and the applicant will be notified.
- **Choice of Financial Consultant.** A financial consultant will be selected by Ex-Im Bank to evaluate the application. Determination of the specific financial consultant will depend on several factors including geographic and sector expertise, and ability to meet project deadlines.
- **Evaluation Fee.** Before the financial consultant begins review, the applicant will be required to pay an evaluation fee.
- **Other Fees.** For most projects, Ex-Im Bank will require, either in conjunction with other lenders or for its own use, the advice of independent outside legal counsel, independent engineers, and insurance advisers. In addition, there may be other fees associated with conducting proper due diligence. Payment for these and any other fees will be the responsibility of the project sponsors or the applicant.
- **Preliminary Project Letter.** Assuming the evaluation process is satisfactory, the Structured Finance Division will issue a PPL. The PPL indicates that Ex-Im Bank is prepared to move forward on a financing offer and the corresponding general terms and conditions. These terms and conditions will be based upon the information available at the time of application. The evaluation and issuance of the PPL will be completed within 45 days of commencement of the evaluation.
- **Evaluation Post-PPL.** After issuance of the PPL, Ex-Im Bank will work with the applicant to secure a final commitment. On a case-by-case basis, Ex-Im Bank may continue to utilize the financial consultant.

3. Project Criteria and Application Information Requirements.

a. General Project.

Definition

- Ideally the project should have long-term contracts from creditworthy entities for the purchase of the project's output and the purchase of the project's major project inputs such as fuel, raw materials, and operations and maintenance. Such contracts should extend beyond the term of the requested Ex-Im Bank financing. Where such contracts do not exist, additional equity and/or other credit support is expected.

- Total project cost should be comparable to projects of similar type and size for a particular market.
- Product unit pricing and costs should reflect market-based pricing.
- Devaluation risk needs to be substantially mitigated through revenues denominated in hard currencies, revenue adjustment formulas based on changing currency relationships, or other structural mechanisms.

Information required

1. Summary of all aspects of the project, as contained in an independently prepared feasibility study and/or a detailed information memorandum, prepared by a qualified party. The study or memorandum should include the project description, location, legal status, ownership, and the background and status of key elements of the project structure, such as agreements, licenses, local partner participation, and financing.

Information on the terms, security requirements, and status of financing commitments of other lenders to the project, if applicable, should be provided.
5. Projected annual financial statements covering the period from project development through final maturity of the proposed Ex-Im Bank financing, to include balance sheet, profit and loss, source and application of funds statements, and debt service ratios. Projections should include a sensitivity analysis for not only the expected scenario but pessimistic and optimistic cases as well. This information should also be electronically provided with the project's financial model. The structure of the financial model should be in a format that is user friendly. Ex-Im Bank must be able to review and adjust the assumptions in the model.
6. Assumptions for the financial projections, including but not limited to the basis for sales volume and prices; operating and administrative costs; depreciation, a mortization and tax rates; and local government policy on price regulation.
7. Market information, to include: ten years of historical price and volume data; present and projected capacity of industry; product demand forecast with assumptions; description of competition and projected market share of the project as compared to the shares of the competition; identity and location of customers; and marketing and distribution strategy.
8. A description of the principal risks and benefits of the project to the sponsors, lenders, and host government.
9. A description of the types of insurance coverage to be purchased for both the pre- and post-completion phases of the project.

b. Participants.

Definition

- Project sponsors, offtake purchasers, contractors, operators, and suppliers must be able to demonstrate the technical managerial and financial capabilities to perform their respective obligations within the project.

Information Required

1. Sponsors must provide a brief history description of their operations, a description of their relevant experience in similar projects, and three years of audited financial statements, in English.

Information Required

1. Technical description and a process flow diagram for each project facility.
2. Detailed estimate of operating costs.
3. Arrangement for supply of raw materials and utilities.

The information required for structured finance applications is the same as that requested in "Attachment G" plus any additional data describing the proposed structure and security package.

If you have questions about this attachment, please contact the Structured Finance Division (Telephone: 202-565-3690 or Fax: 202-565-3695).
