

these individuals can voluntarily submit tips and complaints regarding suspected violations of environmental law. OECA is considering the use of a mobile-friendly version of the Tips and Complaints Web pages that will complement the existing process. Tips or complaints received are used by civil and/or criminal enforcement personnel at EPA to determine whether an investigation is warranted into the suspected or alleged misconduct. In some cases, EPA may decide to refer tips or complaints for investigation to other federal agencies or to State or local authorities within whose jurisdiction the matter may appropriately fall. The OECA Tips and Complaints Web page or mobile-friendly versions does not replace or otherwise supplant other means of providing tips or complaints to EPA; it merely provides a convenient means by which to supply these tips or complaints.

As with complaints provided by phone, fax, or electronic mail, we expect that tippers or complainants are already in the possession of information that leads them to suspect a violation of environmental law when they contact EPA to report the matter. Accordingly, EPA believes that the burden associated with the reporting is merely that arising from the need to read the instructions and type or select information into the appropriate fields. In our estimate, this amounts to approximately 1/2 hour per tip or complaint, for total annualized burden for all tippers and complainants of 5,143 hours. While we do not expect actual labor costs associated with these burden hours, the opportunity cost of 4,601 burden hours would be approximately \$100,026.

EPA does not maintain hardcopies of the information supplied through the webform. Tips or complaints not acted upon within 30 days are automatically purged from the database. Tips or complaints upon which some action is taken are preserved for a period of five years, pursuant to the record schedule for criminal investigations.

*Form Numbers:* None.

*Respondents/affected entities:*

Anyone wishing to file a tip or complaint.

*Respondent's obligation to respond:* Voluntary.

*Estimated number of respondents:* 10,286 (total).

*Frequency of response:* Occasionally.

*Total estimated burden:* 5,143 hours (per year). Burden is defined at 5 CFR 1320.03(b).

*Total estimated cost:* \$100,026 (per year), includes no annualized capital or operation & maintenance costs.

*Changes in Estimates:* There is an increase of 542 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This increase reflects the fact that tips and complaints are being filed at a higher rate than originally anticipated, a strong indication of the success of this program. There has been no change in the information being reported or the estimated burden per respondent.

**SUPPLEMENTARY INFORMATION:**

Proposal to revise and renew the following currently-approved collections of information:

1. *Title:* Acquisition Services Information Requirements.

*OMB Number:* 3064-0072.

*Form Numbers:* 3064-1600/04, 1600-07, 3700-57, 3700/04A, 3700/12, 3700/44, 3700/59.

*Affected Public:* Entities contracting with FDIC.

*Estimated Number of Respondents:* 5,135.

*Estimated Average Burden per Respondent:* .5 hours.

*Estimated Total Annual Burden Hours:* 2,434 hours.

*General Description of Collection:* This is a collection of information involving submission of various forms by contractors doing business with the FDIC.

FDIC Form 3700/59, Fair Inclusion of Minorities and Women, is a contract clause implementing Section 342(c)(2) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (12 U.S.C. 5452). The contract clause seeks a commitment from an FDIC Contractor to ensure, to the maximum extent possible consistent with applicable law, the fair inclusion of minorities and women in its workforce and the workforces of its applicable subcontractors. Further, the clause asserts the FDIC's right to request documentation from the Contractor that demonstrates the Contractor's good faith effort to include minorities and women in its workforce and subcontractors' workforces, and requires the Contractor to annually certify that it has made such good faith efforts.

FDIC Form 3700/04A, Contractor Representations and Certification, must be completed by any offeror that responds to a solicitation for an award over \$100,000. The Form is being revised to add two certifications, "Certification Regarding Fair Inclusion of Minorities and Women" and "Representation by Corporations Regarding an Unpaid Delinquent Federal Tax Liability." The "Certification Regarding Fair Inclusion

of Minorities and Women" implements § 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (12 U.S.C. 5452) and requires an offeror to certify to its commitment to equal opportunity in employment and contracting and that it has made and will continue to make a good faith effort to ensure, to the maximum extent possible, the fair inclusion of minorities and women in its workforce and in the workforce of its applicable subcontractors. The "Representation by Corporations Regarding an Unpaid Delinquent Federal Tax Liability" implements Section 744 of Division E, Title VII, of the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. 113-235), by requiring an offeror to represent whether it is or is not "a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability."

One comment was received regarding this information collection that did not address the propriety of the collection of information, the practical utility of the information requested, or the accuracy of FDIC's estimate of the burden of the collection of information. The comment addressed policy considerations that FDIC believes are fully embodied in the implementing statutory provisions and the information and certifications requested in the forms included in the collection of information.

6. *Title:* ID Theft Red Flags.

*OMB Number:* 3064-0152.

*Affected Public:* Insured state nonmember banks.

*Estimated Number of Respondents:* 4,049.

*Estimated Average Burden per Respondent:* 16 hours.

*Estimated Total Annual Burden Hours:* 64,784 hours.

*General Description of Collection:* The regulation containing this information collection requirement is 12 CFR part 334, which implements sections 114 and 315 of the Fair and Accurate Credit Transactions Act of 2003 (FACT Act), Public Law 108–159 (2003).

*FACT Act Section 114:* Section 114 requires the Agencies to jointly propose guidelines for financial institutions and creditors identifying patterns, practices, and specific forms of activity that indicate the possible existence of identity theft. In addition, each financial institution and creditor is required to establish reasonable policies and procedures to address the risk of identity theft that incorporate the guidelines. Credit card and debit card issuers must develop policies and procedures to assess the validity of a request for a change of address under certain circumstances.

The information collections pursuant to section 114 require each financial institution and creditor to create an Identify Theft Prevention Program and report to the board of directors, a committee thereof, or senior management at least annually on compliance with the proposed regulations. In addition, staff must be trained to carry out the program. Each credit and debit card issuer is required to establish policies and procedures to assess the validity of a change of address request. The card issuer must notify the cardholder or use another means to assess the validity of the change of address.

*FACT Act Section 315:* Section 315 requires the Agencies to issue regulations providing guidance regarding reasonable policies and procedures that a user of consumer reports must employ when such a user receives a notice of address discrepancy from a consumer reporting agency. Part 334 provides such guidance. Each user of consumer reports must develop reasonable policies and procedures that it will follow when it receives a notice of address discrepancy from a consumer reporting agency. A user of consumer reports must furnish an address that the user has reasonably confirmed to be accurate to the consumer reporting agency from which it receives a notice of address discrepancy.

The Agencies believe that the entities covered by the proposed regulation are already furnishing addresses that they have reasonably confirmed to be accurate to consumer reporting agencies from which they receive a notice of address discrepancy as a usual and customary business practice. Therefore, this requirement is not included in the burden estimates set out below.
