**Note:**

<sup>1</sup>A Social Security Number (SSN) is needed for all panelists in order to establish the appropriate travel authorizations for those who will be traveling at USDA expense and to pay an honorarium. If you are receiving neither travel support nor an honorarium this information is not needed. Non U.S. participants without a SSN should leave this blank.

We request your SSN under the authority of Executive Order 9397 in order to keep your records straight; other people may have the same name. As allowed by law or Presidential directive, USDA may use your SSN to seek information about you from employers, schools, banks, and others who know you. Your SSN may also be used in studies matching with other Government files, for example, files on unpaid student loans. The OSQR does not retain your SSN in its electronic files.

**How to find your bank routing number:**

**Please fax this form with your Confidentiality Agreement (fax: 301-504-1251) promptly, and then mail both forms to OSQR. This allows us to start processing your paperwork right away. OSQR requires original signatures for our official records.**
