This inquiry is to obtain information on prices farmers are paying for sunflower seed. Data from this survey is used to compute the Index of Prices Paid by Farmers, which is used in measuring price trends and the purchasing power of farm commodities.

The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws, your responses will be kept confidential and will not be disclosed in identifiable form to anyone other than employees or agents. By law, every employee and agent has taken an oath and is subject to a jail term, a fine, or both if he or she willfully discloses ANY identifiable information about you or your operation. Response is **voluntary**.

Please make corrections in name, address and zip code, if necessary

- INSTRUCTIONS -

Please report quantity sold and to be sold to farmers this spring for planting and prices currently in effect (include transportation and handling costs). Enter price for the type MOST COMMONLY SOLD to farmers. Exclude state sales tax.

PLEASE RETURN BY APRIL 3, 2015
