Dear [PARTICIPANT FIRST NAME]:

Thank you so much for continuing in the WIC **Feeding My Baby** study! You are in a select group of people who will help inform America about the choices families make in feeding their children, while receiving WIC or once they leave WIC.

While we know that you gave your consent over the telephone to be in the study extension, we are also seeking your written permission.

Please take a few minutes to read and sign the study **Consent** form. Return a signed copy in the enclosed prepaid envelope. Keep the other copy for your records.

If you have any questions, please contact <Study Liaison> at <toll-free number> or <email address> or by text at <text number>.

Thank you and we are looking forward to talking to you again.
