Instructions  
APPLICATION FOR TRANSFER (LEASE)  
BETWEEN IFQ AND GAF - COMMUNITY QUOTA ENTITY (CQE)

**GENERAL INFORMATION**

This form is only used if a Community Quota Entity (CQE) is the proposed transferor (“seller”) or the proposed transferee (“buyer”) of the IFQ; if not, a different form must be used. This application form is for use in transferring International Pacific Halibut Commission (IPHC) Regulatory Areas 2C (Southeast Alaska) and 3A (Central Gulf of Alaska) commercial halibut individual fishing quota (IFQ) for use as guided angler fish (GAF) by persons holding charter halibut permits for areas 2C or 3A.

The application must be signed by a representative of the community for whom the CQE holds the IFQ. The IFQ Program provides opportunities for small communities located on the coast of the Gulf of Alaska to hold, and to fish, quota share (QS) and IFQ. Such communities are represented by CQEs, who must use a special application form to provide for transfers of QS/IFQ to and from (and between) CQEs.

This application may only be used to apply for a transfer of IFQ for the current halibut fishing year. NMFS will notify the transferor and transferee once the application has been received and approved. A transfer is not effective until approved by NMFS.

This application cannot be processed or approved unless both parties to the proposed transfer have met all the requirements and conditions of the IFQ Program, including (as appropriate):

- ◆ The transferee requesting GAF must hold a valid Charter Halibut Permit (this includes community charter halibut permit or military charter halibut permit).
- ◆ The CQE has completed and filed with NMFS the required annual report at 50 CFR 679.5(l)(8)
- ◆ A Transfer of IFQ to GAF will not be approved if it would cause the parties to exceed the use limits in 50 CFR 300.65(c)(5)(i)(G)(3) or 50 CFR 679.42(e) or (f).
- ◆ Neither party to the transfer has any outstanding fines, civil penalties or other payments due and owing, or outstanding permit sanctions.
- ◆ Payment of all outstanding fees to NMFS

**NOTE: Unused GAF will be returned to the IFQ permit holder from which they were obtained; no fees will be assessed for any unused GAF. The IFQ permit holder, including the CQE, is responsible for all cost recovery fees resulting from the GAF harvested as a result of this transfer. The GAF cost recovery fees will be charged at the same percentage rate as the commercial IFQ fees. GAF fees will be calculated using a standard price established for IPHC areas 2C and 3A using annual commercial IFQ values provided by annually by IFQ Registered Buyers. This standard value may not be challenged (i.e. actual values may not be substituted).**
