Submission Approval Date: 3/3/2015  
Approval End Date: 3/2/2016  
Effective Date: 4/13/2015

The HRRC approved the study from 3/3/2015 to 3/2/2016 inclusive. If modifications were required to secure approval, the effective date will be later than the approval date. The "Effective Date"

4/13/2015 is the date the HRRC approved your modifications and, in all cases, represents the date study activities may begin.

Before 3/2/2016 or within 45 days of study closure, whichever is earlier, you are required to submit a continuing review. You may submit a continuing review by navigating to the active study and clicking the "Create Modification / CR" button.

Please use the consent documents that were approved and stamped by the HRRC. The stamped and approved consents are in a comment within the submission covered by this approval letter.

This determination applies only to the activities described in this submission and does not apply should you make any changes to these documents. If changes are being considered and there are questions about whether HRRC review is needed, please submit a study modification to the HRRC for a determination. A change in the research may disqualify this research from the current review category. You can create a modification by clicking Create Modification / CR within the study.

In conducting this study, you are required to follow the Investigator Manual dated July 31, 2012 (HRP-103), which can be found by navigating to the IRB Library.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Holdsworth', with a long horizontal flourish extending to the right.
