**UNITED STATES
 TRAVELER HEALTH DECLARATION**

DHS should complete this form for EACH traveler.

The information is being collected as part of the public health response to the outbreaks of Ebola. The information will be used by U.S. public health authorities and other international, federal, state, or local agencies for that purpose. The legal authorities for this collection are sections 311 and 361-368 of the Public Health Service Act.

NOTE: While cooperation with CDC during this proposed risk assessment is voluntary, if an individual refuses to provide the requested information, or is not truthful about the information provided during screening or an illness investigation, CDC may, if it is reasonably believed that the individual is infected with or has been exposed to Ebola, quarantine, isolate, or place the individual under surveillance under 42 CFR 71.32 and 71.33.

Traveler's Information:

Ebola outbreak countries in last 21 days: Guinea Liberia Sierra Leone Other:
 Last (family) name: First (given) name:
