**National Intimate Partner and Sexual Violence Survey (NISVS)
Cognitive Laboratory Studies - Recruitment Web Screener**

Thank you for your interest in participating in our study. RTI International is working with the Centers for Disease Control and Prevention (CDC) on a national study about health and injuries. We want to conduct in-person, private interviews to test some new questions we have developed for this survey, and our goal is to learn whether the questions are understood and can be answered by most people. This information will be used to finalize survey questions for the study that will be conducted in 2016.

If you meet the selection criteria and are able to participate in the interview during the time period, you will be called by a researcher to see if you want to set up an appointment for a 1 to 2 hour in-person interview. You would be one of 30 participants who help test this survey. You **must be able to attend** an interview in-person within 120 miles of Raleigh/Durham/Chapel Hill, NC. If you complete the in-person interview you will receive \$40 in cash upon completion of the interview.
