3. **HIV Testing Reporting**

3. HIV Testing Reporting					•		
	Q1	Q2	1 st half	Q3	Q4	2 nd half	TOTAL
HIV Testing							
# staff trained on HIV testing							
# HIV test kits purchased							
# HIV tests planned							
# HIV tests completed							
HIV Positivity							
# positive test results							
# negative test results							
# tests conducted solely to verify HIV-positive status							
# tests with missing or invalid values							
HIV Knowledge-status							
# HIV-positive clients knowing their HIV status in 12 month period							
# HIV-positive tests in 12 month period							
Late HIV Diagnosis							
# clients diagnosed with Stage 3 HIV infection (AIDS) within 3 months of							
diagnosis of HIV infection in 12 month period							
# clients with an HIV diagnosis in 12 month period							
Linkage to HIV Medical Care							
# clients who attended a HIV care visit within 3 months of diagnosis							
# clients with an HIV diagnosis in 12 month period							
Retention in HIV Medical Care							
# clients with HIV diagnosis and had at least one HIV medical care visit in							
each 6 month period (of 24 month period)							
# clients who attended at least one HIV medical care visit in the first 6 month							
period (of 24 month period)							

Antiretroviral Therapy (ART) (if applicable)				
# clients prescribed ART in 12 month period				
# clients with HIV diagnosis and had at least one HIV medical care visit in 12				
month period				
Viral Load Suppression (if applicable)				
# clients who have maintained a viral load <200 copies/mL at last test in 12				
month period				
# clients with HIV diagnosis and had at least one HIV medical care visit in 12				
month period				
Housing Status				
# clients with an HIV diagnosis who were homeless or unstably housed in 12				
month period				
# clients with HIV diagnosis receiving HIV services in last 12 months				

4. Hepatitis Testing Reporting: (IF APPLICABLE)

	Q1	Q2	1 st half	Q3	Q4	2 nd half	TOTAL
Hepatitis Testing							
# staff trained on Hepatitis testing							
# HBV test kits purchased							
# HBV tests planned							
# HBV tests completed							
# HCV test kits purchased							
# HCV tests planned							
# HCV tests completed							
Hepatitis B (HBV)							
# Positives							
# Negatives							
# HBV tests with missing or invalid values							
Hepatitis C (HCV)							
# Positives							
# Negatives							
# HCV tests with missing or invalid values							
Referral/Linkage to Care							
# referrals issued for Hepatitis testing at your facility							
# referrals issued for Hepatitis testing outside of your facility							
# referrals issued for follow up (confirmatory) testing							
# referrals issued for treatment, post-confirmatory testing							
# clients who completed referral to Hepatitis medical care							
Retention in Care							
# clients attending routine Hepatitis medical care within 3 months of							
diagnosis							
# clients who attended at least one Hepatitis medical care visit in the last 6							
months, if not receiving routine Hepatitis care							
Hepatitis Treatment							
# clients receiving HBV treatment							
# clients receiving HCV treatment							
Immunization Efforts							
# clients vaccinated for HAV							
# clients vaccinated for HBV							
# clients vaccinated for HAV and HBV							

5. Outreach & Engagement Reporting
a. Please enter the # of individuals contacted during outreach (educational, pre-counseling, not enrolled in treatment)

	Q1	Q2	1 st half	Q3	Q4	2 nd half	TOTAL
Comprehensive (Comp.) **							
SUD/COD/Trauma							
SUD/COD							
HIV							
Hepatitis							
Trauma							

** An inclusive event that incorporates SUD, COD, Trauma, HIV, and/or Hepatitis (if, applicable) together

Compliance	# referred clients seen at receiving agency					

7. Disparities Impact Statement (DIS) Reporting: (please submit an updated DIS, if applicable)

Demographics for this period	Planned	Actual		Planned	Actual		Planned	Actual
By Race:			By Gender:			By Sexual Identity:		
Black / African American			Male (M)			Heterosexual		
American Indian / Alaskan Native			Female (F)			Lesbian		
Asian			Transgender (M)			Gay		
Native Hawaiian / Pacific Islander			Transgender (F)			Bisexual		
White								
Multi-racial								
By Ethnicity:								
Hispanic / Latino								

a. What have been your successes and challenges in implementing your DIS strategy?

8. Additional Information or Data Grantee May Wish to Provide

** Don't forget to include your Evaluation Report (if available) **

V. Project Summary (this reporting period)

<u>Project Narrative</u> - *Provide a summary that includes, but not limited to, the following:*

Guidance for developing and writing the narrative

- 1. Describe progress and challenge(s) towards achieving your project goals, objectives and targets (new, revised, and/or changed). Detail strategies (presently and/or to be) implemented to overcome those challenges.
- 2. Describe the successes and challenges associated with conducting intake and/or follow-up.
- 3. Describe the successes and challenges you have been experiencing in operating your referral/transition tracking system. What are you doing to maintain/expand your successes and/or to overcome your challenges?
- **4.** Explain any differences between the number of planned and actual clients seen <u>and</u> between the number of clients served and the number of intakes. Discuss how the project will meet the annual goal for the number of clients served.
- **5.** Describe any efforts to expand the project's capacity to serve the target population(s).
- **6.** Note <u>any</u> changes in or concerns about your financial status that may affect the implementation or operation of the grant.
- 7. Provide copies of any information disseminated to others about the project (e.g., newspaper article; TV or radio coverage; public presentations including those at local, state, or national conferences; publications).

Revised: 10/16/2015
