OVERVIEW

COPS Office Overview

The Office of Community Oriented Policing Services (the COPS Office) is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation’s state, local, territory, and tribal law enforcement agencies through information and grant resources. Community policing is a philosophy that promotes organizational strategies which support the systematic use of partnerships and problem-solving techniques, to proactively address the immediate conditions that give rise to public safety issues such as crime, social disorder, and fear of crime. Rather than simply responding to crimes once they have been committed, community policing concentrates on preventing crime and eliminating the atmosphere of fear it creates. Earning the trust of the community members and making them stakeholders in their own safety enables law enforcement to better understand and address both the needs of the community and the factors that contribute to crime.

The COPS Office awards grants to state, local, territory, and tribal law enforcement agencies to hire and train community policing professionals, acquire and deploy cutting-edge crime-fighting technologies, and develop and test innovative policing strategies. COPS Office funding also provides training and technical assistance to community members and local government leaders and all levels of law enforcement. The COPS Office has produced and compiled a broad range of information resources that can help law enforcement better address specific crime and operational issues, and help community leaders better understand how to work cooperatively with their law enforcement agency to reduce crime.

Since 1994, the COPS Office has invested more than \$14 billion to add community policing officers to the nation’s streets, enhance crime fighting technology, support crime prevention initiatives, and provide training and technical assistance to help advance community policing. To date, the COPS Office had funded approximately 125,000 additional officers to more than 13,600 of the nation’s 18,000 law enforcement agencies across the country in small and large jurisdictions alike. Nearly 700,000 law enforcement personnel, community members, and government leaders have been trained through COPS Office-funded training organizations. To date, the COPS Office has distributed more than 8.57 million topic-specific publications, training curricula, white papers, and resource CDs.

Additional information regarding the COPS Office can be found at www.cops.usdoj.gov.

<Specific Program Name>Description and Federal Award Information—Sample Text - will change with each program.

This program is authorized under the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. § 3796dd et seq., as amended; Violent Crime Control and Law Enforcement Act of 1994, Title I, [Part Q](#), Public Law 103-322

The COPS Hiring Program (CHP) provides funding directly to law enforcement agencies to hire and/or rehire career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts. The COPS Office anticipates making <insert number of awards> CHP awards for a total of approximately <total amount of funding>.

~~FY2015~~[2016](#) CHP grants will cover up to 75 percent of the approved entry-level salary and fringe benefits of each newly-hired and/or rehired, full-time sworn career law enforcement officer over the 3-year (36 months) grant period, with a minimum 25 percent local cash match requirement and maximum federal share of \$125,000 per officer position. CHP grant funding will be based on your agency's current entry-level salary and fringe benefits for full-time sworn officers. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the grantee agency. All agencies' requests will be capped at no more than 5 percent of their actual sworn force strength as reported on the date of application, up to a maximum of 25 officers. Agencies with a service population of 1 million or above may apply for up to 25 officer positions; however, agencies with a service population less than 1 million may apply for up to 15 officer positions. The request of any agency with a sworn force strength less than or equal to 20 will be capped at one officer. Funding under this program may be used to:

- Hire new officers, which includes filling existing officer vacancies that are no longer funded in your agency's budget. These positions must be in addition to your current budgeted (funded) level of sworn officer positions, and the officers must be hired on or after the official grant award start date as it is listed on your agency's award document.
- Rehire officers laid off by any jurisdiction as a result of state, local, or Bureau of Indian Affairs (BIA) budget cuts. The rehired officers must be rehired on or after the official grant award start date as it appears on your agency's award document. Documentation must be maintained showing the date(s) that the positions were laid off and rehired.
- Rehire officers who are (at the time of application) currently scheduled to be laid off on a specific future date as a result of state, local, or BIA budget cuts. Grantees will be required to continue funding the positions with local funding until the date(s) of the scheduled lay-offs. The dates of the scheduled lay-offs and the number of positions affected must be identified in the CHP application. In addition, documentation must be maintained detailing the dates and reason(s) for the lay-offs. Furthermore, agencies awarded will be required to maintain documentation that demonstrates that the scheduled lay-offs are occurring for local economic reasons unrelated to the availability of CHP grant funds; such documentation may include local council meeting minutes, memoranda, notices, or orders discussing the lay-offs, budget documents ordering jurisdiction-wide budget cuts, and/or notices provided to the individual officers regarding the lay-offs.

An applicant may request funding in one or more of the above-referenced hiring categories under CHP. CHP grant awards will be made for officer positions requested in each of these three categories and recipients of CHP awards are required to use awarded funds for the specific categories awarded. If your agency receives a CHP grant *and after receiving the grant* your agency needs to change one or more of the funded hiring categories it received funding under, your agency must request a post-award grant modification and must receive prior approval before spending CHP funding. To obtain information on modifying a CHP grant award, please contact the COPS Office Response Center at 800.421.6770.

An applicant may not reduce its existing current fiscal year budget for sworn officers just to take advantage of the CHP grant. Any budget cut must be unrelated to the receipt of CHP grant funds to avoid a violation of the COPS statutory nonsupplanting requirement.

The nonsupplanting requirement means that COPS grant funds must be used to supplement (increase) state, local, or BIA funds that would have been dedicated toward the grant purpose if federal funding had not been awarded. CHP grant funds must not be used to replace (supplant) local funds that agencies otherwise would have devoted to sworn officer hiring. The hiring or rehiring of officers under CHP must be in addition to, and not in lieu of, officers who otherwise would have been hired or rehired with local funds. For additional information on the COPS nonsupplanting requirement as it applies to CHP, please refer to the nonsupplanting FAQs at www.cops.usdoj.gov/Default.asp?Item=2282.

Furthermore, all grant recipients must retain any CHP-funded officer positions awarded for at least 12 months after the 36 months of federal funding has ended for each position. Applicants are required to affirm in their CHP grant application that their agency plans to retain any additional officer positions awarded following the expiration of the grant, and identify their planned source(s) of retention funding.

The FY~~2015~~~~2016~~ COPS Anti-Methamphetamine Program (CAMP)² is designed to advance public safety by providing funds to investigate illicit activities related to the manufacture and distribution of methamphetamine. CAMP provides funding for 24 months to State law enforcement agencies for equipment, overtime, and other approved personnel costs for law enforcement officers assigned to the investigation of methamphetamine production and trafficking. Funding awarded to state law enforcement agencies may be used to support law enforcement personnel costs for allied agencies' officers participating in a state anti-methamphetamine task force. The COPS Office anticipates making <insert anticipated number of awards> ~~2015~~~~2016~~ CAMP awards for a total of approximately <insert program's appropriated amount> \$7,000,000. Funding requests under this program will be capped at \$1,500,000 per award.

The FY~~2015~~~~2016~~ COPS Anti-Gang Initiative(CAGI) is designed to advance public safety by providing funds to address gang activity. CAGI provides funding for 24 months to law enforcement agencies with a multi-jurisdictional partnership comprised of Federal, State, and local law enforcement agencies to address gang activity. Funds awarded in this program shall be used to support regional anti-gang task forces focusing on enforcement, prevention/education, and intervention of gang activity. CAGI will be open to law enforcement agencies that participate in multijurisdictional task forces made up of Federal, State, and local law enforcement partnerships. The COPS Office anticipates making <insert anticipated number of awards> ~~2015~~~~2016~~ CAGI awards for a total of approximately <insert program's appropriated amount> \$7,000,000. Funding requests under this program will be capped at \$750,000 per award.

The FY~~2015~~~~2016~~ COPS Anti-Heroin Task Force Program (AHTF)-~~AHTF~~ is designed to advance public safety by providing funds to investigate illicit activities related to the distribution of heroin or unlawful distribution of prescriptive opioids, or unlawful heroin and prescription opioid traffickers through statewide collaboration. AHTF~~AHTF~~ provides funding for 24 months directly to state law enforcement agencies with high rates of primary treatment admissions for heroin and other opioids. AHTF ~~f~~Funds awarded in this program shall be used for investigative purposes to locate or investigate illicit activities, including activities related to the distribution of heroin or unlawful distribution of prescriptive opioids_or unlawful diversion and distribution of prescriptive opioids. AHTF will be open to state law

enforcement agencies with multijurisdictional reach and an interdisciplinary team (e.g. task force) structures. These state law enforcement agencies must have primary law enforcement authority over heroin and other opioids seizures. The COPS Office anticipates making <insert anticipated number of awards> ~~2015~~2016 AHTF awards for a total of approximately <insert program's appropriated amount> ~~-\$7,000,000~~. Funding requests under this program will be capped at \$1,500,000 per award.

Community Policing Development (CPD) funds are used to advance the practice of community policing in law enforcement agencies through training and technical assistance, the development of innovative community policing strategies, applied research, guidebooks, and best-promising practices that are national in scope. . The COPS Office, a federal provider of innovative, customer-focused resources that address the continuing and emerging needs of those engaged in enhancing public safety through community policing, has designed the CPD solicitation to address critical topics in the law enforcement field by building on the principles of community policing.

[SAMPLE LANGUAGE]

The ~~2015~~2016 CPD Program has been established to fund specific projects related to the following topic areas: (1) Micro-grants Initiative; (2) Critical Response Technical Assistance; (3) COPS Office Community Policing Demonstration Sites; and (4) Catalyst Awards. There is approximately <insert program's appropriated amount> ~~\$7 million in~~ CPD funds, and the COPS Office aims to fund numerous projects. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. Funding is limited, and we expect this solicitation to be very competitive.

Please be advised that a hold may be placed on any application if it is deemed that the applicant agency is not in good standing on other U.S. Department of Justice grants, has other grant compliance issues that would make the applicant agency ineligible to receive COPS funding, and/or is not cooperating with an ongoing Department of Justice grant review or audit. A hold may also be placed on any application if it is deemed that the applicant agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.

Misuse of COPS funds and/or failure to comply with all COPS grant requirements may result in suspension or termination of grant funds, the repayment of grant funds, and/or other remedies available by law.

Under the False Claim Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving COPS funds may be referred to the Office of the Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, www.usdoj.gov/oig/FOIA/hotline.htm, and 800.869.4499.

REGISTRATION—Sample Text - will change with each program.

All FY 20152016 <insert program name> applicants are required to have a valid ORI number. The ORI number is assigned by the FBI and is your agency's unique identifier. Please contact the COPS Office Response Center at 800.421.6770 to verify your agency's ORI number. If you do not have an ORI number, a COPS Office Response Center Specialist will assign one to you for the purpose of tracking your grant application. This is required before you begin your application on Grants.gov.

Additionally, the federal government requires that all applicants for federal grants and cooperative agreements—with the exception of individuals other than sole proprietors—have a DUNS number and be registered in the System for Award Management (SAM) database **prior** to submitting an application. See “Section 3: General Agency Information” in this guide for more information regarding DUNS and SAM.

Completing an application for COPS funding is a two-step process. Applicants are first required to register via www.grants.gov and complete an SF-424, the government-wide standard application form for federal assistance. Once the SF-424 has been submitted, you will receive an e-mail from the COPS Office with instructions on completing the second part of the <insert program name> application through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Response Center at AskCOPSRC@usdoj.gov or 800.421.6770.

It is strongly recommended that applicants register immediately on www.grants.gov. **In addition, applicants are strongly encouraged to complete the SF-424 and Section 1 on Grants.gov as quickly as possible.** Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System.

Once you have registered and submitted your SF-424 through www.grants.gov, you will receive an e-mail within one business day with instructions for completing the second part of the [GHP-<insert program name>](#) application process, which is the COPS Application Attachment to the SF-424 through the COPS Office Online Application System.

For technical assistance with submitting the SF-424, call Grants.gov Customer Service Hotline at 800.518.4726, e-mail support@grants.gov or consult the Grants.gov Applicant User Guide at <http://www.grants.gov/documents/19/18243/GrantsgovApplicantUserGuide.pdf>. See “How to Apply/Application Submission” in this guide for more information.

For technical assistance with submitting the Online application via the COPS website, please call 800.421.6770 or send questions via e-mail to AskCOPSRC@usdoj.gov. See “How to Apply/Application Submission” in this guide for more information.

Program Goals—Sample Text - will change with program-specific requirements

The purpose of the CPD program is to advance the practice of community policing in law enforcement agencies through training and technical assistance, the development of innovative community policing strategies, applied research, guidebooks, and ~~best~~ promising practices that are national in scope. Applicants must identify specific project goals that will be directly accomplished if funding is awarded. Applicants should consider the following general categories when developing their own specific goals:

- 1) Develop Knowledge: Develop new knowledge or leverage existing knowledge about community policing activities and strategies that show promise.
- 2) Increase Awareness: Increase the number of agencies/individuals who are aware of the most effective community policing strategies.
- 3) Increase Skills/Abilities: Increase the skills and/or abilities of law enforcement agencies, relevant stakeholders, and/or individuals to engage in proven community policing practices.
- 4) Increase Practice: Increase the number of law enforcement agencies, relevant stakeholders, and/or individuals using proven community policing practices.
- 5) Institutionalize Practice: Increase the number of law enforcement agencies, relevant stakeholders, and/or individuals that systematically use and integrate proven community policing strategies as part of their routine business and will continue to engage in these practices for the foreseeable future.

Length of Grant Term, Maximum Federal Share, Local Share Requirements and Hiring Categories

The COPS <Program Name> grant is <# of years> years in duration, and there <"is a" or "is no"> local match. The amount of funding available to specific grantees is designated in the <Insert Appropriation> Act, <Year> (P.L. <insert #>).

The COPS Office will review reasonable requests made for no-cost time extensions in the event that all funds granted have not been expended within the <# of years> grant period. Extension notifications will be sent to agency Law Enforcement Executives (LE's) via email approximately 90 and 60 days prior to the award end date. Any extensions granted will be for time only, and not for additional funding. Please be advised that all extension requests **must** be received by the official grant award end date.

At present, this is a one-time funding opportunity and COPS expects that all items, personnel, and/or training requested will be purchased or hired and the project implemented within the <# of years> three-year grant period.

Federal Funding: Allowable and Unallowable Costs—Sample Text - will change with each program

All items requested will be considered on a case-by-case basis during the budget review process. Items under the initiative must be purchased using the legislative guidelines established by the <Insert Appropriation> Act, <Year> (P.L. <insert #>). Additionally, each item must programmatically link to the ~~anti~~-<program name> activities described in your proposal. To the greatest extent practicable, all equipment and products purchased with these funds must be American-made.

Allowable Costs: Fundable Requests—Sample Text - will change with each program

Applications should include a clear and demonstrated plan for implementing ~~comprehensive anti~~-<program name> strategies. Each grant application must explain how the proposed project would fit into an overall effort to increase and/or enhance <program name> ~~reduction~~ efforts. All items under this <program name> grant must be purchased using the legislative intent established by the Omnibus Appropriations Act, <Year> (P.L. insert #>).

Budget requests may be made in the categories of:

- **Sworn Officer Positions (Salaries and Benefits):** Sworn officer salary and fringe benefits apply to new, full-time entry-level sworn career law enforcement officers not already funded in the applicant's local budget. A "career law enforcement officer" is a person hired on a permanent basis who is authorized by law, or by a state, local, or tribal agency, to engage in or oversee the prevention, detection, and/or investigation of violations of criminal laws. Officers must be hired on or after the award start date, and positions must directly relate to the <program name> project. Officers previously employed by your agency may be re-hired using <program name> grant funds, but funding requests must be limited to your agency's entry-level salary and benefits. [Please note: Overtime for sworn officers engaging in <program name>-related activities is an allowable cost; however, any overtime expenses requested for either sworn officers or civilian positions must be listed in the "Other Costs" section of your application's budget proposal.]
- **Civilian/Non-sworn Personnel (Salaries and Benefits):** Civilian salary and fringe benefits apply to personnel not already funded in the applicant's local budget. Staff must be hired on or after the award

start date, and positions must directly relate to the <program name> project. Examples of allowable personnel and fringe benefits costs include those for prosecutors (directly for <program name> prosecution), civilian <program name> project coordinators, or <program name>/drug problem analysts.

- **Equipment/Technology:** Equipment and/or technology costs shall provide agencies with the ability to purchase new or enhance existing equipment exclusively related to <program name>. ~~prevention, treatment, enforcement, or drug intelligence sharing.~~ All items requested must be clearly linked to the enhancement or implementation of the <program name> project.
- **Supplies:** Generally, supplies include any materials that are expended or consumed during the course of the <program name> project. Such costs may include training manuals, paper, printer ink, pens, postage, etc.
- **Travel/Training:** Travel/training costs include grant-related travel costs for the grantee or other (non-grantee) individuals to attend <program name>-related training and technical assistance conferences, seminars, classes, or to visit a site specified in the application. Expenses for transportation, lodging, meals, and incidental expenses (if travel is more than 50 miles from the program location) and temporary dependent care costs will be reviewed in accordance with applicable guidelines as part of the application process.
- **Contracts/Consultants:** Consultant expenses and contracts include goods or services that directly contribute to the implementation or enhancement of the project. The use of a consultant should be more economical than direct employment. Contract/consultant costs may include costs to provide one-time training to staff for equipment operation/usage, and contracting/consulting services that provide such things as needs analysis, installation, and testing. Compensation for individual consultant services procured under a COPS grant must be reasonable and allocable in accordance with OMB cost principles, and consistent with that paid for similar services in the marketplace. Unless otherwise approved by the COPS Office, consultant rates will be based on the salary a consultant receives from his or her primary employer, as applicable, up to \$5650 per day. For consultant or contractor rates which exceed \$550-650 per day, the COPS Office requires written justification if the consultants or contractors are hired through a noncompetitive bidding process and grantees must receive COPS Office approval of those rates before drawing down funds. Determinations will be made on a case-by-case basis.
- **Other Costs:** Other costs may include such items as software and prepaid warranties or maintenance agreements (not to exceed 36 months), overtime costs for sworn officers engaging in <program name>-related activities, or other miscellaneous items that have a direct correlation to the overall success of a grantee's project objectives (such as awareness campaigns) and are necessary for the project to reach full implementation.

Please note that in accordance with 2 C.F.R. § 200.101(c), the COPS Office applies the cost principles set forth in 2 C.F.R. Subpart E to for-profit (or commercial) entities instead of the Federal Acquisition Regulation (FAR) at 48 C.F.R. Subpart 31.2. In addition, in accordance with 2 C.F.R. § 200.400(g), the awardee may not earn or keep profit as a result of this award unless expressly authorized by the specific terms and conditions of your award.

Departments, agencies, and organizations will be notified of any points of clarification the COPS Office may require.

Performance measures for the <program name> Initiative are as follows:

Objective	Performance Measures	Data Grantee Provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training.	<p>Extent to which COPS grant funding (e.g. officers, equipment, training, technical assistance, etc.) has increased your agency's community policing capacity?</p> <p>Extent to which COPS knowledge resources (e.g. publications, podcasts, training, etc.) have increased your agency's community policing capacity?</p>	Grantees will rate the effectiveness of the COPS funding in increasing community policing capacity. Data will be collected on a periodic base through grantee progress reports.

COPS Office grants target increasing grantee capacity to implement community policing strategies within the three primary elements of community policing: 1) problem-solving; 2) partnerships; and 3) organizational transformation. The COPS Office requires all <program name> applicants to describe how the personnel, technology, equipment, and/or training requested will assist the applicant in implementing community policing strategies. Additionally, all applicants are required to maintain current registrations in the System for Award Management (SAM) database. SAM replaces the Central Contractor Registrations (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. DOJ requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Applicants must update and renew their SAM registration at least once a year to maintain an active status.

Applicants that were previously registered in the CCR database must at a minimum:

- Create a SAM account
- Log in to SAM and migrate permissions to the SAM account (all the entity registrations and records from CCR should already have been migrated)

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

Obtaining a DUNS Number

The federal government requires that all applicants for federal grants and cooperative agreements with

the exception of individuals other than sole proprietors have a DUNS number **prior** to application submission. The DUNS number is used to identify related organizations that are receiving funding under grants and cooperative agreements, and to provide consistent name and address data for electronic grant application systems. A DUNS number may be obtained by telephone at 888.705.7511 or via the internet at <http://fedgov.dnb.com/webform>.

Data Universal Numbering System (DUNS) Number

- The Data Universal Numbering System (DUNS) number is a unique nine- or thirteen-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try to keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for a grant may be sufficient.
- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future federal grants or cooperative agreements. There is no need to wait until you are submitting a particular application.
- **If you already have a DUNS number.** If you, as the entity applying for a federal grant or cooperative agreement, previously obtained a DUNS number in connection with the federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update/ validate the information associated with the number.
- **If you are not sure whether you have a DUNS number,** call D&B using the toll-free number 866.705.5711, and indicate that you are a federal grant applicant or prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

To Obtain Your DUNS Number

- The requestor may obtain a DUNS number via the Internet at <http://fedgov.dnb.com/webform>.
- The requestor may also obtain a DUNS number via telephone at 866.705.5711. The phone is staffed from 8 AM to 6 PM (local time of the caller when calling from within the continental United States). Calls placed to the above number outside of those hours will receive a recorded message requesting the caller to call back during the operating hours. The process to request a number takes about 5-10 minutes. A DUNS number will be assigned at the conclusion of the call. You will need to provide the following information:

{☐ Legal name

{☐ Headquarters name and address for your organization

{☐ Doing business as (DBA) or other name by which your organization is commonly known or recognized

{☐ Physical address, city, state, and zip code

{☐ Mailing address (if separate from headquarters and/or physical address)

{☐ Telephone number

{☐ Contact name and title

- {☐ Number of employees at your physical location

Managing Your DUNS Number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches/divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS number request line at 866.705.5711 to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches/divisions have DUNS numbers for federal purposes.

Obtaining a DUNS number is absolutely free for all entities doing business with the federal government. This includes grant and cooperative agreement applicants or prospective applicants and federal contractors. Be certain that you identify yourself as a federal grant applicant or prospective applicant.

As a result of obtaining a DUNS number you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name/organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Registering with the System for Award Management (SAM)

Applicants for all federal grants are required to register with the System for Award Management (SAM). If your organization already has an Employer Identification Number (EIN), your SAM registration will take up to two weeks to process. If your organization does not have an EIN, then you should allow two to five weeks for obtaining the information from the IRS when requesting the EIN via phone, fax, mail, or Internet. Follow the steps listed below to register in the SAM:

Step 1: Obtain a DUNS number at www.dnb.com/us/ or call 866.705.5711

Step 2: Access the SAM online registration through the SAM home page at <https://www.sam.gov/and> follow the online instructions for new SAM users.

Step 3: Complete and submit the online registration, If you already have the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of your business or organization. Please note that organizations must update or renew their SAM registration at least one a year to maintain an active status.

To migrate your legacy system user account from CCR, FedReg, ORCA, or EPLS, you must first create a personal account in SAM by clicking on "Create an Account" on the homepage. An individual Account is required to manage Entity Registrations in SAM. You won't be able to manage your registration until you create a System Account in SAM. Once you validate that you have access to the email address you provided during the registration process and login, you will see a message on the user Dashboard (My SAM) that will ask you "Would you like to migrate a legacy system account?" Click "Yes" to begin the migration process. Alternatively, you may click on "Manage My User Roles," then on "Migrate Legacy Account" link to begin the migration process. The roles you had with the Legacy system will be mapped to your SAM account.

To update your entity's SAM registration, follow the below steps:

Step 1: Go to the SAM homepage (www.sam.gov), enter your username and password, and then click the "Log In" button.

Step 2: Select “Complete Registrations” under Registration/Update Entity in the left navigation pane.

Step 3: Select the entity record that you want to update and click the “Update” button.

For more details on updating your registration, please refer to the SAM [user>User](#) Guide, available at www.sam.gov.

If awarded, your agency must maintain the currency of your information in the CCR until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

To review the System [for](#) Award Management and Universal Identifiers Requirements award terms, please see Appendix D.

Geographic Names Information System ID Number

The Geographic Names Information System (GNIS) database is maintained by the U.S. Geological Survey, U.S. Department of the Interior. The database assigns a unique, permanent feature identifier, the Feature ID that is the only standard federal key for integrating or reconciling feature data from multiple datasets.

To determine your jurisdiction’s Feature ID number:

- Go to: <http://geonames.usgs.gov/>. Click on “Search Domestic Names”
- From this screen, you can enter the name of your jurisdiction (for example, “Cleveland”)
- Select your state (“Ohio”)
- Click “Send Query.” The results will show that Cleveland, Ohio is a populated place with a Feature ID of 1066654.
- Enter this 7-digit number into your application form. Some jurisdictions may have Feature IDs of less than 7 digits; for example, American University is a school in the District of Columbia with a Feature ID of 531560. In this case, you should place a “0” in front of the number to ensure that 7 digits are entered into the <<program name>> application form.

Deadline/Application Period

The application period for <program name> begins <insert date and time>. All applications must be submitted by **<Insert Date and Time >**. Applications submitted after <insert date and time>, will *not* be considered for funding.

I. & II. Assurances & Certifications (included in Section 15 of this Application Guide and Standard Application forms.)

Applicants to COPS programs are required to sign and submit the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read, understand, and accept the grant terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered grant.

III. Disclosure of Lobbying Activities (Also included in Section 16 of this Application Guide and Standard Application forms.)

This disclosure form shall be completed by the reporting entity, whether ~~subawardee-subrecipient~~ or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered federal action. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

If this applies to your agency, you are required to submit the Disclosure of Lobbying Activities (SF-LLL) as an attachment to your application online. Complete all items that apply for both the initial filing and material change report.

IV. Nonsupplanting Requirement

AwardGrant funds may not be used to replace state or local funds (or, for tribal granteesrecipients, Bureau of Indian Affairs funds) that would, in the absence of federal aid, be made available for the purpose of the grant. Instead, awardgrant funds must be used to increase the total amount of funds that would otherwise be made available for the grantaward purposes.

A grant recipient may not use federal grant funds to pay for any item or costs associated with this request that the recipient is already obligated to pay. Funds allocated to pay for law enforcement costs irrespective of the awardgrant may not be reallocated to other purposes or refunded should a COPS grant or cooperative agreement be awarded. Non-federal funds must remain available for and devoted to that purpose, with COPS funds supplementing or increasing those non-federal funds. Funding awarded cannot be obligated or expended until after the awardrant award start date (unless an exception is authorized in writing by the COPS Office). This means that COPS funds cannot be applied to any agency cost incurred prior to the award start date.

The possibility of supplanting will be the subject of careful application review, possible pre-award review, and post-award monitoring and audit. Any supplanting of non-federal funds by COPS grantaward funds may be grounds for potential suspension or termination of awardgrant funding, recovery of misused funds, and/or other applicable legal sanctions.

If you have questions concerning the nonsupplanting requirement while completing this application, please contact the COPS Office at 800.421.6770 for further information.

V. Procurement & Sole Source Justification

Sole source or procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.318 as adopted by the Department of Justice in 2 C.F.R. § 2800.101. ~~Sole source, or procurement by noncompetitive proposals, is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate. It must adhere to the standards set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.320 as adopted by the Department of Justice in 2 C.F.R. § 2800.101.~~

For the purchase of equipment, technology or services under a COPS grant award, grant recipients must follow their own policies and procedures on procurement as long as those requirements conform to the federal procurement requirements set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Require-

ments for Federal Awards, 2 C.F.R. § 200.318 as adopted by the Department of Justice in 2 C.F.R. § 2800.101. If a grant recipient determines that the award of a contract through a competitive process is infeasible, and if one of the following circumstances applies: (1) the item/service is available only from one source; (2) the public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation; or (3) competition is determined inadequate after solicitation of a number of sources, the grant recipient must seek written authorization from the COPS Office for sole source procurements in excess of \$~~100~~150,000. Written approval for sole source procurements from the COPS Office must be received prior to purchasing equipment, technology or services, obligating funding for a contract, or entering into a contract with grant funds.

Requests for sole source procurements of equipment, technology or services in excess of \$~~100~~150,000 must be submitted to the COPS Office in writing certifying that the award of the contract through full and open competition is infeasible. The sole source request must be prepared on department letterhead. The request should also include the following information:

- The applicant's budget worksheets and budget narrative to assess if the cost items are complete, allowable, cost-effective, and justified based on the proposed project outcomes and goals.

Peer reviewers' ratings and any resulting recommendations are advisory only, although their views are considered carefully.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the Budget Detail Worksheet and Narrative accurately supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$150,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered. Applicants may review and comment on any information about them in SAM that a Federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered. Prior to award, the COPS Office staff will review performance and integrity information accessible through SAM (currently available through the Federal Awardee Performance and Integrity Information System, FAPIIS), to determine if a risk is posed by applicant.

Past performance on previous awards may be in an indicator in this review process. Financial and Programmatic Performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including, but not limited to, underserved populations, population served, geographic diversity, strategic priorities, past performance, risk and available funding when making awards.

FEDERAL AWARD ADMINISTRATION INFORMATION

Federal award notices

Award notification will be sent electronically. To officially accept and begin your award, your agency must access www.cops.usdoj.gov and select the "Account Access" link in the upper right corner to log in, review, and electronically sign the award document (including award terms and conditions) and, if applicable, the special award conditions or high risk conditions within 90 days of the date shown on the award congratulatory letter, unless an extension is requested and granted.

Your agency will not be able to draw down grant funds until the COPS Office receives your signed award document. For more information please contact the Response Center at 1.800.421.6770.

The award document - Sample Text

The award document is the document indicating your official grant funding amount, the number of officer positions awarded, the type of positions awarded, the grant number, the grant conditions, and the award start and end dates.

The award document is pre-printed with your agency's law enforcement and government executives' names. If this information is incorrect or has changed, please update your "Agency Contacts" online at www.cops.usdoj.gov through the "Account Access" link. If the law enforcement or government official has changed since the time of application, please have the current law enforcement executive or government executive for your agency create an account through the "Account Access" link, log in, and sign the award document once your agency contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

The award start date indicated on the award document means that your agency may be reimbursed for any allowable costs incurred on or after this date. The duration of your <insert program name> award is <program length> funding for each award.

Your grant number is in the following format: 20152016-ULWX-0000 or 20152016-UMWX-0000 for grants awarded in Fiscal Year (FY) 20152016. The COPS Office tracks grant information based upon this number. Therefore, it is important to have your agency's grant number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your originating agency identifier (ORI) number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). This number is assigned by the Federal Bureau of Investigation (FBI) for use in tracking information for the Uniform Crime Report (UCR). The COPS Office tracks programmatic grant information based upon this ORI number. If your agency does not have an ORI number assigned by the FBI, the COPS Office assigns a non-official ORI code to use as an agency identifier (in such cases, the last two characters will be "ZZ"). If you have any questions regarding your grant, please refer to your grant number or your agency's ORI number when you contact the COPS Office.

The award conditions are listed on your agency's award document. By accepting this award, you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded, your agency will acknowledge that it will comply with these conditions (and, if applicable, additional special conditions specific to your agency).

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing grant funds until the special conditions are satisfied as determined by the COPS Office. Any special conditions will be included with your award.

ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions, and other legal requirements, including but not limited to OMB, DOJ or other federal regulations which will be included in the award, incorporated into the award by reference, or are otherwise applicable to the award.

Please see general terms and conditions on page <28 >.

REPORTING

If awarded, all award recipients will be required to electronically submit their financial reports using the SF-425 form by the 30th day following the end of each calendar quarter, and a final report is due 90 days following the grant award end date. Grantees who do not submit SF-425 reports by the due date will be unable to drawdown funds.

In addition, if awarded, all award recipients will be required to electronically submit quarterly progress reports and a final progress report. The COPS Office will notify the award recipient when the progress report is due and provide instructions for submission.

Suspension or Termination of Funding

The COPS Office may suspend, in whole or in part, or terminate funding, or impose other sanctions on a grantee for the following reasons:

- Failure to substantially comply with the requirements or objectives of the Public Safety Partnership and Community Policing Act of 1994, program guidelines, or other provisions of federal law
- Failure to make satisfactory progress toward the goals or strategies set forth in this application
- Failure to adhere to grant agreement requirements or special conditions
- Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
- Failure to submit required or requested reports
- Filing a false statement or certification in this application or other report or document
- Other good cause shown.

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the grantee of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

AwardsGrants terminated prior to the end of the grant term due to non-compliance with the Federal statutes, regulations, or awardof grant terms and conditions, will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS grants may result in fines, imprisonment, debarment from participating in federal grants or contracts, and/or any other remedy available by law.

Please be advised that grantees may not use COPS funding for the same item or service also funded by another U.S. Department of Justice award.

REQUIRED FORMAT AND OTHER IMPORTANT INFORMATION FOR SUBMISSION

Section 1: COPS Program Request

For this Section, choose the appropriate entity from the drop-down menu.

Select the program for which you are requesting federal assistance.

Sample Text

Applicants for the CPD program please select one CPD topic area from the drop down menu. (1) Micro-grants Initiative; (2) Critical Response Technical Assistance; (3) COPS Office Community Policing Demonstration Sites; and (4) Catalyst Awards.

If Community Policing Development is selected there will be two additional questions that require you to check the appropriate box and provide the applicable information.

A. Invitational Programs: Please select either yes or no depending if you have received a letter of invitation to apply from the COPS Office with a code. If you have, please enter the code in A2 as instructed.

B. Research & Development (R&D): Please select Yes - if any part of your project could be considered R&D or No- if no portion of your award would support R&D as defined below:

“R&D means all research activities, both basic and applied, and all development activities that are performed by non-Federal entities. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes

Section 2: Agency Eligibility Information—Sample Text - will change with each program.

For this Section, check the appropriate box, and choose the appropriate entity from the drop-down menu.

1. In Section 2A, you will be asked several questions about your law enforcement agency operations and authority to determine your eligibility to apply for a COPS Hiring Program (CHP) grant. Please note that CHP applicants must have a police department which is operational as of < INSERT DATE >, which is the date this application closes, or receive services through a new or existing contract for law enforcement services. Applicants must also maintain primary law enforcement authority for the population to be served.

2. In Section 2C, you will be asked several questions about your law enforcement agency operations and authority and seizure data availability to determine your eligibility to apply for a COPS Anti-Methamphetamine Program (CAMP) grant.

3. Placeholder for Section 2D: Eligibility for COPS Anti-Gang Initiative

4. Placeholder for Section 2E: Eligibility for COPS Anti-Heroin Task Force program

5. Additionally, if funds under this program are to be used as part of a written contracting agreement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider in Section 7 of this application).

Section 3: General Agency Information

Please provide accurate agency information as this information may be used, along with other data collected, to determine funding eligibility.

<The following are the types of agency specific information applicants are requested to provide.>

A. Applicant ORI Number

B. Applicant Data Universal Numeric System (DUNS) Number

C. System for Award Management (SAM)

D. Geographic Names Information System (GNIS) ID

E. Cognizant Federal Agency

F. Fiscal Year

G. Law Enforcement Agency Sworn Force Information

H. Civilian Staffing

Section 5: COPS Officer Request Form—Sample Text - will change with each program.

-

<Instructions will vary according to program requirements.>

20152016 CHP grant funds cover up to 75 percent of the approved entry-level salary and fringe benefits of each newly-hired and/or rehired, full-time sworn career law enforcement officer for the 3-years (36 months) grant period, with a minimum 25 percent local cash match requirement, and maximum of federal share of \$125,000 per officer position. CHP grant funding will be based on your agency's current entry-level salaries and fringe benefits for full-time sworn officers.

All agencies' requests will be capped at no more than 5 percent of their actual sworn force strength as reported on the date of application, up to a maximum of 25 officer positions. Agencies with a service population of 1 million or above may apply for up to 25 officer positions; however, agencies with a service population less than 1 million may apply for up to 15 officer positions. The request of any agency with a sworn force strength less than or equal to 20 will be capped at one officer position. Based on the maximum number of positions that would be available if your agency were awarded funding, please identify how the requested positions would be allocated across the three specific categories:

- Hire new officers, which includes filling existing officer vacancies that are no longer funded in your agency's budget. These positions must be in addition to your current budgeted (funded) level of sworn officer positions, and the officers must be hired on or after the official grant award start date as it appears on your agency's award document.
- Rehire officers laid off by any jurisdiction as a result of state, local, or tribal budget cuts. The rehired officers must be rehired on or after the official grant award start date as it appears on your agency's award document. Documentation must be maintained showing the dates that the positions were laid off and rehired. Applicants will be asked an *optional* question as to how many rehire officers will be military veterans.

- Rehire officers who are (at the time of the application) currently scheduled to be laid off on a future date as a result of state, local, or tribal budget cuts. Grantees will be required to continue funding the position(s) with local funding until the dates of the scheduled lay-offs. The dates of the scheduled lay-offs and the number of positions affected must be identified in the CHP application. In addition, documentation must be maintained detailing the dates and reasons for the lay-offs. Furthermore, agencies awarded will be required to maintain documentation that demonstrates that the scheduled lay-offs are occurring for local economic reasons unrelated to the availability of CHP grant funds; such documentation may include local council meeting minutes; memoranda, notices, or orders discussing the lay-offs, budget documents ordering jurisdiction-wide budget cuts, and/or notices provided to the individual officers regarding the lay-offs.

CHP funds are awarded on your agency's current entry-level full-time sworn officer salaries and fringe benefits package over a three-year period. Any additional costs higher than entry level will be the responsibility of the grantee agency.

A grantee receiving CHP funding to rehire officers that are scheduled for layoff must continue to fund the officers with local funds until the date of the scheduled lay-off. The grantee may rehire the officers with CHP funding on or immediately after the date of the scheduled lay-off. Unless required by a grantee's jurisdiction, the agency is not required to formally complete the administrative steps associated with the lay-off of the individual officers it is seeking to rehire so long as the agency can document that a final, approved budget decision was made to lay-off those individual officers on the identified lay-off date.

An applicant may not reduce its budget for sworn officers just to take advantage of the CHP grant. Any budget cut must be unrelated to the receipt of CHP grant funds (to avoid a violation of the nonsupplanting requirement).

When completing the questions about the number of CHP sworn officer positions your agency is requesting, please base your responses on your agency's current (at the time of application) needs for funding in the three hiring categories (new hires, rehires of previously laid-off officers, and rehiring officers who are scheduled to be laid off on a specific future date). CHP grant awards will be made for officer positions requested in each of these three categories and recipients of CHP awards are required to use awarded funds for the specific categories awarded. If an applicant receives an award, and after receiving the award, needs to change the hiring categories, it must request a post-award grant modification and must receive prior approval before spending CHP funding. For additional information on modifying a CHP grant award, please contact the COPS Response Center at 800.421.6770.

A. COPS Hiring Program Officer Request

B. Child Sexual Predator Program (CSPP) Officer Request

Section 6: Law Enforcement & Community Policing Strategy

A. Non-Hiring Applicants

COPS Office grants must be used to reorient the mission and activities of law enforcement agencies through initiating community policing or enhancing their involvement in community policing. If awarded funds, your responses to this section will constitute your agency's community policing strategy under this grant. Your organization may be audited or monitored to ensure that it is initiating or enhancing community policing in accordance with this strategy. The COPS Office may also use this information to understand the needs of the field, and potentially provide for training, technical assistance, problem

solving and community policing implementation tools.

We understand that your community policing needs may change during the life of your grant (if awarded), and minor changes to this strategy may be made without prior approval from the COPS Office. We also recognize that this strategy may incorporate a broad range of possible community policing approaches and activities, and that your agency may implement particular community policing approaches from the plan on an as-needed basis throughout the life of the grant. If your agency's community policing strategy changes significantly, however, you must submit those changes in writing to the COPS Office for approval. Changes are "significant" if they deviate from the range of possible community policing activities identified and approved in this original community policing strategy submitted with your application.

B. CHP Applicants Only

COPS Office grants must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing. Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

In Section 6B the COPS Office requires all CHP applicants to describe how hiring additional officers will assist the applicant in implementing and/or enhancing community policing strategies. Please complete the questions in this section to describe the types of community policing activities that will continue or result from COPS funding.

We understand that your community policing needs may change during the life of your grant. **Minor changes to this strategy may be made without prior approval of the COPS Office; however, grantees will be required to report on progress and/or changes to the community policing strategy (if any) through required progress reports. If your agency's community policing strategy changes significantly, you must submit those changes to the COPS Office for approval.** Changes are "significant" if they deviate from the specific crime problems(s) originally identified and approved in the community policing strategy submitted with the application. In some cases, changes to the approved community policing approaches may also be deemed significant and may require approval of a modified community policing strategy by the COPS Office, depending on the scope and nature of those changes as identified in the quarterly progress reports.

6B SECTION I: CURRENT COMMITMENT TO COMMUNITY POLICING

Section I aims to examine the current policies and practices within the agency as they relate to the three primary elements of community policing.

Question 1(a-f)

Please indicate which of the following activities your agency currently employs focusing on community partnerships and problem solving. The community partnerships category refers to the forging of relationships between the law enforcement agency and the individuals and organizations they serve to collaboratively develop solutions to problems and increase trust in police. The problem solving category refers to the process of engaging in the proactive and systematic examination of identified problems to develop effective responses that are rigorously evaluated.

Question 2

The community policing philosophy focuses on the way that the departments are organized and managed and how the infrastructure can be changed to support the philosophical shift behind community policing. Question 2 aims to identify how your agency currently infuses community policing ideals internally within the agency. Please check which, if any, internal management practices your agency currently employs.

Question 3

Community policing calls for a broadening of police outcome measures beyond that of the typical police performance. Question 3 examines the ways in which your agency currently assesses overall performance. Please indicate which of the following assessment measures your agency annually uses to assess performance.

Question 4

Community policing is a collaborative effort between the law enforcement agency and the community it serves. The pathway of communication between the community and the law enforcement agency is paramount to the success of any community oriented policing strategy. Question 4 seeks to gain an understanding of the ways in which your agency shares information with the community it serves. Please indicate which of the following ways your agency routinely shares information with community members.

Question 5

Community policing advocates that the public should play a role in prioritizing public safety problems. Individuals who live, work, or otherwise have an interest in the community, are a valuable resource for identifying community concerns. Please identify which of the following ways your agency formally involves community members in influencing agency practices and operations.

6B SECTION II (A): PROPOSED COMMUNITY POLICING STRATEGY - PROBLEM SOLVING AND PARTNERSHIPS

Section II (A) aims to identify the specific problem you wish to address with COPS funding, the ways you identified and prioritized these public safety issues, and what organizations/agencies you intend to partner with in addressing the problem. This section also aims to determine the metrics used by your agency to evaluate whether the identified public safety problem is being adequately addressed, and what the goals of your agency are in responding to the identified public safety issue.

We strongly recommend agencies consult with their current and perspective partners in order to provide information about the most critical partnerships necessary to address the needs of the community. **If awarded funds, your responses to sections II (A) and II (B) will constitute your agency's community policing strategy under this grant.**

Question 6

The community policing philosophy engages in a proactive and systematic examination of identified problems that can be countered with effective responses. Question 6 aims to identify the community problem you wish to address with COPS funding.

You will be allowed to select one problem that your community is facing. You should select only the problem(s) that your agency believes it can best address with this funding. **At any time during your grant you need to be prepared to demonstrate how the grant funds were specifically used to enhance or initiate community policing activities according to your community policing strategy.** After selecting your problem, you will answer questions 6a through 11.

In **Question 6**, please identify your problem by selecting a major problem heading (e.g., Violent Crime Problems). Once selected, a series of subheadings will be presented that narrow down the nature of the problem (e.g., Assault). Once you have selected the appropriate subheading, please describe the nature of your problem in the text box in precise, specific terms and in less than 50 characters. Examples have been provided to assist you with specifying the individual problems. Since community policing aims to develop solutions to the immediate underlying conditions contributing to your public safety problems, there may be a problem your agency wishes to address that is not reflected in the subheadings. If so, please identify the major heading that best fits your problem and under the "Other" subheading explain your problem.

In **Question 6a**, please describe the selected problem that you wish to address with COPS funding in 4,000 characters or less. This text will allow you to expand on the nature of your community's problem and breadth of your proposed project. Community policing entails collaborative efforts between law enforcement agencies and the community, so you will have an opportunity to expand on your proposed partners

in another section of the application. This information is required and will be used for auditing and monitoring purposes.

Question 7

Community policing encourages agencies to use problem solving techniques to identify and prioritize community problems. This process can consist of identifying a basic problem, determining the nature and seriousness of that problem, and establishing baseline measures to evaluate effective responses. Problem solving techniques aid in your community's ability to recognize which issues need the most resources. Please select which sources contributed to the identification and prioritization of the problem(s) your agency intends to address through this grant program. At least one response must be selected but you may select as many sources as necessary.

Other local non law enforcement government agency data could include information from Code Enforcement, Public Works, Schools, Parks and Recreation, etc.

Question 8

Analysis is a key part of the problem-solving process put forth by the community policing model. The objectives of analysis are to develop an understanding of the dynamics of the problem and the limits of current responses, as well as to establish correlation and develop an understanding of cause and effect. By analyzing your community's problem, you are better able to understand the needs of your community and thus determine the best ways to address these needs. Please identify which methods your agency will use to improve your understanding of the problem you will address. At least one response must be selected but you may select as many responses as needed.

Question 9

This question is aimed at determining the metrics used by your agency to evaluate whether the identified problem is being adequately addressed. Please check all the criteria your agency plans to use to determine whether the implemented response achieved the targeted outcomes.

Question 10

This question is aimed at assessing what the goals of your agency are in responding to the identified problem. Although an agency may have multiple goals, we are requesting that you identify your agency's primary goals, and limit it to the top three. We also encourage your agency to create a system that documents progress toward achieving these identified goals.

Question 11

Community Policing relies heavily on partnerships and relationships between law enforcement and the community it serves. Questions 11a-d are designed to understand these partnerships in greater detail. We strongly recommend agencies consult with their current and perspective partners to in order to provide information about the most critical partnerships necessary to address the needs of the community.

In **Question 11a**, please identify the number of partnerships your agency will initiate or enhance to address the identified problem.

For **Question 11b**, of the partners identified in 12a, name the most important external groups/organizations your agency partners with to develop responses to this problem. You may only list three partners by name, but you may attach letters of support from any or all project partners.

In **Question 11c**, for each partner identified in 12b, please characterize the type of entity this partnership is. Choose the option that provides the closest description of the partner.

In **Question 11d** (if applicable), for any federal, state, tribal, or local law enforcement agencies you indicated as a partner, identify all the steps you have to take in order to formalize your enhanced or initiated partnership.

6B SECTION II (B): PROPOSED COMMUNITY POLICING STRATEGY - ORGANIZATIONAL TRANSFORMATION

As one of the three pillars of community policing, organizational change is integral to ensuring that your agency's management, structure, personnel, and information systems support, and ultimately help sustain and institutionalize community partnerships and proactive problem-solving efforts. These changes focus on the way that departments are organized and managed, and how the infrastructure and operations can be changed to support the philosophical shift behind community policing.

In this section, you will be asked to identify the organizational change(s) that your agency plans to focus on through your requested COPS funding. Identifying the specific organizational change(s) that your agency plans to focus on is important to ensure that you satisfy the requirements for COPS funding under this program, and to ensure that ultimately the use of these funds will initiate or enhance your agency's overall capacity to implement community policing strategies.

Questions 12-13

You may select **no more than two** organizational changes which will be initiated or enhanced under both internal changes to personnel management (Question 12) and changes to agency management (Question 13). After identifying the organizational change(s) that you will address through your COPS grant, you will be asked to provide a brief (2,000 characters) description expanding on the nature of your planned organizational change activities.

Please be aware that your responses to these questions will become part of your agency's community policing strategy under this grant, and your award will be monitored to ensure that the organizational change activities you identify are being initiated or enhanced as part of your community policing strategy under this COPS grant. **Because these organizational changes can involve substantial effort and investment, we are limiting the organizational change options to no more than two under each section.**

6B SECTION III: GENERAL COMMUNITY SUPPORT AND ENGAGEMENT

Identifying the specific support and engagement(s) on which your agency plans to focus is important to ensure that you satisfy the requirements for COPS funding under this program. Section III aims to identify the partners your agency consulted with to develop your community policing strategy, and to what extent your efforts will compliment other initiatives in your jurisdiction.

Section 7: Need for Federal Assistance—Sample Text - will change with each program.

All applicants are required to provide a brief explanation of their agency's inability to address your public safety needs and implement this project without federal assistance. <This information may be provided in a narrative or applicants may be required to provide data, depending on the specific program requirements.>

<There will be instructional language inserted here for applicants that are/will be in a contracting situation and need assistance completing this section of the application.>

A. Explanation of Need for Federal Assistance

B. Service Population

C. Fiscal Health (if applicable)

D. Property/Violent Crime

In Section 7A, all applicants are required to explain their inability to address the need for this award without federal assistance. Please note that the character limit for this response is 3,000 characters. In Section 7B please note that the actual population and service population may or may not be the same. For example, a service population may be the census population minus incorporated towns and cities that have their own police department within your geographic boundaries or estimates of ridership (e.g., transit police) or visitors (e.g., park police). When answering the set of questions under Section 7C, we strongly recommend that you consult with your jurisdiction's budgeting office or official, as some items relate to the overall jurisdiction's revenue, layoffs, furloughs and hiring freezes.

To the extent possible, all data should come from a publicly verifiable source. Supporting source documentation may be requested by the COPS Office. This information will be used to evaluate your jurisdiction's need for federal assistance to address its public safety needs. Jurisdictions applying to receive law enforcement services through a contract should answer these questions in terms of their jurisdiction and any existing contractual arrangements.

Please note: All figures must be rounded to the nearest whole dollar, or to the nearest whole percent.

Section 7C, Question 1

Please provide the total annual operating budget for your law enforcement agency for the current fiscal year, as well as the two previous fiscal years. For jurisdictions receiving services through a contract, the law enforcement operating budget should be the total amount your jurisdiction budgets for law enforcement services, not the operating budget of the agency providing services.

Note: If funds under this program are to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application.

Section 7C, Question 3

To determine your jurisdiction's percentage of families in poverty as established by the American Community Survey (ACS), you must visit the U.S. Census Bureau's American FactFinder website at <http://factfinder.census.gov/>. At the top of the main page, enter your city/town/county, select your state and click "Go." You should record the latest available census data. This may vary depending on the size and type of jurisdiction your agency serves.

When the Fact Sheet for your jurisdiction appears, ensure that it says American Community Survey at the top, then look under the heading "Economic Characteristics" for the line "Families below poverty level." Look across to the second column for the percent of families in poverty figure and report this number in your application.

For jurisdictions not in the census, such as colleges/universities, parks, or transit, please check "Not Applicable."

Section 7C, Question 4

To determine your jurisdiction's unemployment rate as established by the Bureau of Labor Statistics, you must visit the Bureau's Local Area Unemployment Statistics (LAUS) program website at www.bls.gov/lau/data.htm. Please note, for the CHP application you must provide the February 2013 unemployment rate.

The LAUS data page includes comprehensive instructions on multiple methods of searching. One option is to click the button marked "One Screen Data Search." When the search window appears, select your state (for example, "Oregon"), and then your area type (for example, "cities and towns above 25,000 population"), and then your specific city (for example, "Salem"). Then click on the button, "Get Data." The results screen will show the monthly unemployment rate for every month going back to January of 1998. Please scroll to the bottom of the table to find the unemployment rate (in the last column) for <<INSERT DATE>> and enter this number.

IF YOUR JURISDICTION HAS LESS THAN 25,000 IN POPULATION, it may not be possible to calculate the monthly unemployment rate for your jurisdiction. [A notable exception would be that LAUS includes all cities and towns in the New England region regardless of size.] If your jurisdiction does not appear in the LAUS data, please provide the next best reportable level of data. This could be the surrounding county or multi-entity small labor market area, as appropriate.

For jurisdictions not in the census, such as colleges/universities, parks, or transit, please check "Not Applicable."

Section 7C, Question 5

If applicable, please select the event(s) that your jurisdiction experienced on or after <<INSERT DATE>>.

Section 7C, Question 6

If your agency has experienced an unanticipated catastrophic event or an unusually large increase in the number of homicides in the time period from <<INSERT DATE>> to present, check this box.

Agencies will be required to upload a narrative attachment via Section 13 describing the catastrophic event with as much detail as possible.

Section 7C, Question 7

If your agency has a designated Promise Zone within its jurisdiction as of the closing date of the solicitation, check the box. **Property/Violent Crime**

Please select at least one statement below:

- My agency can report crime data for all 3 years (please input in table below).
- My agency cannot report crime data for 2014.
- My agency cannot report crime data for 2013.
- My agency cannot report crime data for 2012.

Using Uniform Crime Reporting (UCR) crime definitions enter the actual number of incidents reported by your agency in calendar years 2012, 2013 and 2014. **Only those incidents for which your agency had primary response authority should be provided.** For example, state police and county sheriffs should

only count crimes that are reported directly to them as the agency with primary response authority and not necessarily all crime reported in their state or county, even if they provide assistance or backup for these incidents.

If you contract for law enforcement services with another agency, report only those UCR crimes that occurred within your jurisdiction. Do not report crimes that your contractor agency responded to while serving areas outside of your contract.

If you are a law enforcement agency affiliated with an educational institution (e.g., a university/college police department or school district police department), report only those UCR crimes for which your agency was the primary responding law enforcement agency. Generally, this is restricted to crime committed on campus areas. Do not report UCR data for the municipality or county in which your educational institution is located and do not report crimes for which another agency was the primary responding law enforcement agency.

If your agency is a NIBRS reporting agency, please ensure that your data is reported in UCR Summary Data style.

If your agency does not officially report to UCR or to NIBRS, please enter the actual number of incidents reported by your agency in each calendar year as reported in your agency's official end-of-year statistical report. Please ensure that these statistics are recorded according to the UCR Hierarchy rule (see page 10 of the UCR Handbook, which is available at www.fbi.gov/ucr/handbook/ucrhandbook04.pdf).

Please note: For agencies that report regularly to the UCR, the expectation is that the figures reported here closely correspond to the UCR Part I crime data your agency reported to the FBI for the specified calendar years. Any major variations between official FBI data and data submitted with this application may affect your agency's eligibility and/or affect its score and ranking on this application.

Section 8: Continuation of Project after Federal Funding Ends **Sample text for Hiring grants - text will vary depending on program requirements**

A. Continuation of Project after Federal Funding Ends (For COPS Grants with Retention Plan Requirement)

Applicants for COPS hiring grants which include a post-grant retention requirement must plan to retain all positions awarded for a minimum of 12 months at the conclusion of federal funding for each position. Responses to the questions in this section will serve as your agency's retention plan. The retained COPS-funded positions should be added to your agency's law enforcement budget with state and/or local funds at the end of grant funding, over and above the number of locally-funded positions that would have existed in the absence of the grant. At the time of grant application, applicants must affirm that they plan to retain the positions and identify the planned source(s) of retention funding.

B. Continuation of Project after Federal Funding Ends (For COPS Grant with No Retention Plan Requirement)

The questions in this section will be used for programs WITHOUT a retention requirement (i.e., earmarks, SOS, TRGP E/T, CSPP, CAMP, CPD, CAGI, AHTF) to report any plans to continue the program or activity after the conclusion of federal funding.

Section 9: School Safety Assessment - Applies to SOS applicants only

All FY < > Secure Our Schools applicants MUST have either conducted a school safety assessment within the last three years for the school(s) targeted through this grant application or conduct a school safety assessment within the 2 year grant implementation period for the targeted schools. The assessment should be utilized as strategic evaluation tools to identify school safety problems related to the prevention of violence at the school(s) targeted through this grant application. An applicant that has not conducted an assessment may request funding to have an assessment completed. For applicants that have not conducted an assessment and will not be requesting funding for an assessment, you must provide a detailed explanation in question #6 demonstrating how your department will implement a school safety assessment.

Agencies which have conducted a school safety assessment within the last three years for the schools targeted through this grant application must answer a list of questions regarding the assessment. You will be required to link requested budget items to the assessment in the budget narrative to the maximum extent possible.

If your agency has not conducted a school safety assessment for the targeted schools within the last three years, your agency will still be required to answer a list of questions, but these questions will be focused on when the assessment will be completed during the implementation. Your agency MUST conduct a school safety assessment within the 2 year grant implementation period. If your agency is not requesting funding for a school safety assessment through this grant application, you must provide a detailed explanation to question #6 and you must still answer all applicable questions regarding the planned assessment. Please note that your agency may request other allowable items and is not limited to requesting funding solely for a school safety assessment. To the extent possible, applicants should link other requested budget items to the planned assessment. As part of the list of questions, applicants should provide responses directly related to the Secure Our Schools statutory assurance.

Agencies which have conducted a school safety assessment within the last three years must answer questions 1-5 regarding the assessment. If your agency has not conducted a school safety assessment within the last three years, you must answer questions 6-11, but these questions will be focused on the assessment that will be conducted during the grant implementation period. Your agency may request funding through this grant application to conduct a school safety assessment. Please note, your agency may request other allowable items and is not limited to funding solely a school safety assessment.

Section 10: Executive Summary - Sample Text - if required, will vary by program.

Applicants are required to complete Section 10 of the COPS Application Attachment to the SF-424 Form. Briefly summarize (in 3,000 characters or less) how your agency intends to use this grant funding, if awarded, including how your proposed CPD project will address the topic area for which you are applying. This information may be used to keep Congress or other executive branch agencies informed about COPS CPD projects.

Section 11: Project Description (Narrative)—Sample text - will vary by program if required.

Agencies that seek funding under this program are required to submit a separate narrative addressing how the grant will establish or enhance existing comprehensive methamphetamine reduction efforts through coordinated prevention, intervention/treatment, and enforcement activities. Programs may address any or all of the following areas: Child Endangerment, Enforcement, Intelligence Gathering, Drug Courts, Partnership Development, Precursor Chemicals, Prevention, Production, Training, and/or Treatment. Your agency is not required to submit supporting documentation with this application. However, your agency must maintain copies of the records used in this grant submission for future review in the event of a site visit, audit, or other request. Data used must be data that was recorded in official records. Please do not submit any confidential data or reports with your application.

Failure to respond to any of the points below may delay the processing of your application, or result in its denial. Use the instructions below to provide a comprehensive summary of all activities that will take place to permanently reduce the existence of methamphetamine in your jurisdiction. Agencies should also familiarize themselves with An Evaluation of the COPS Office Methamphetamine Initiative to help in developing an effective program (www.cops.usdoj.gov/files/ric/Publications/meth_initiative.pdf).

Narrative Sections - Sample Text - Actual requirements will vary by program

Please limit your response to xx characters or less.

A. Problem Identification and Justification

Please describe the meth-related problem(s) that will be addressed with this grant, and provide relevant facts, statistics, or other supporting information that documents the nature, prevalence, and severity of the problem.

B. Project Goals and Objectives

Define the vision, goals, and objectives that you are ultimately trying to accomplish through federal assistance and how the proposed project would fit into an overall effort to address the problems identified above.

C. Building Relationships and Solving Problems

Please provide information on the proposed community policing activities that will be implemented or enhanced with grant funding. Please address each of the following elements of community policing: (a) community partnerships and support, including consultation with community groups, private and/or other public agencies; (b) related governmental and community initiatives that complement your agency's proposed use of Methamphetamine funding; and (c) organizational transformation - how your agency will use these funds, if awarded, to help reorient its mission to community policing or enhance its involvement in and commitment to community policing.

Agencies that seek funding under this program must provide information on how the community policing activities described will link to the overall organizational community policing strategy of the agency.

This response will serve (along with the answers to the community policing questions answered previously) as your agency's community policing strategy. Your agency may be monitored or audited to ensure that it is initiating or enhancing community policing in accordance with this strategy.

D. Implementation Plan

How will you ensure effective implementation of the project? Include a brief timeline with a list of key activities and milestones to take place within the life of the grant. Activities may be grouped by month, quarter, or other format at the applicant's discretion.

E. Evaluation Plan/Effectiveness of Program

Although a formal evaluation of the <<Program Name>> is not a requirement for funding, the COPS Office strongly encourages applicants to consider how they will determine if grant funding was effective in addressing the problems outlined above. If your agency intends to have an evaluation plan in place, please describe it here.

F. Project Description (Narrative) Attachment

Section 12: Official Partner(s) Contact Information (if applicable)

An official "partner" under the grant may be a governmental, private, school district, institutes of high education, non-profit organizations or other applicable entity that has established a legal, contractual, or other agreement with the applicant for the purpose of supporting and working together for mutual benefits of the grant.

Section 13: Application Attachments (if applicable)

Specific instructions will be added to explain any required attachments.

This section should be used to attach any required or applicable attachments to your grant application (e.g., a Memorandum of Understanding, etc.).

-Sample Text

A Memorandum of Understanding (MOU) is required under the COPS Hiring Program grant for applicants that select the School Based Policing through School Resource Officers problem area. This document must be submitted to the COPS Office before obligating or drawing down funds, if awarded. An MOU is not required at time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be submitted as an attachment in this section of the grant application. The MOU must contain the following; the purpose of the MOU, clearly defined officer roles and responsibilities on campus, focus officers' roles on safety, provide proper training and monitoring of the program's activities, including data collection and evaluation, information sharing, supervision responsibility and chain of command for the SRO and signatures. If awarded, the grantee agrees that the MOU must be submitted and accepted by the COPS Office 90 days from the date on your award congratulatory letter. The implementation of the COPS Hiring Grant without submission and acceptance of the required MOU within the 90 day timeframe may result in expenditures not being reimbursed by the COPS Office.

[The program-specific Application Guide will provide further instructions on the MOU or other application attachments which may be required. The Guide will also specify if optional attachments are permitted for submission.]

Section 14: Budget Detail Worksheets (Instructions)—Sample Text - will change with each program.

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS grant and cooperative agreement applicants to use the same budget forms to request funding. Please refer to the Allowable/Unallowable Costs section of this program guide, since these costs vary widely among programs.

To assist you, sample Budget Detail Worksheets are included in this Application Guide.

Please complete each section of the Budget Detail Worksheets as applicable. If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

All calculations should be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category and the total project costs.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800.421.6770.

Applicable Budget Worksheets under CHP: A, Parts 1, 2 and 3 (if local match is required)

A. Sworn Officer Positions

Instructions: This worksheet will assist your agency in reporting your agency's current *entry-level* salary

and benefits and identifying the total salary and benefits request per officer position for the length of the grant term. Please list the current entry-level base salary and fringe benefits *rounded to the nearest whole dollar* for one full-time sworn officer position within your agency. Do not include employee contributions. Please refer to the program-specific Application Guide for information on the length of the grant term for the program under which you are applying.

Complete the Budget Detail Worksheet based upon your agency's current first-year full-time entry-level salaries and fringe benefits for your locally-funded officers. Increases for Year 2 and Year 3 will need to be projected to complete the total three-year full-time entry-level salary and fringe benefits per officer request.

Please note that even if your agency is applying only for funds to rehire experienced officers who have been or are scheduled to be laid off, you must complete your budget request based on your current full-time entry-level salaries and fringe benefits. Any additional costs higher than entry-level for rehired officers must be paid with local funds.

Special note regarding sworn officer fringe benefits: For agencies that do not include fringe benefits as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under Part 1, Section B. Any fringe benefits that are already included as part of the agency's base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not be repeated in the separate fringe listing (Part 1, Section B).

Aside from Social Security, Medicare, health insurance, life insurance, the following are allowable fringe benefits:

- Dental Insurance
- Vision Insurance
- Prescription Drugs
- Sick Days
- Vacation Days
- Holiday Pay
- Retirement Pension
- Worker's Compensation
- Unemployment
- Disability Insurance
- Accidental Death and Disability
- 401K Plan
- Liability Insurance
- Shift Differential Payments
- Accident Insurance
- Bonding Insurance
- Police Trust
- State Funded Retirement System
- Professional Liability Insurance
- Federal Unemployment Tax Act (FUTA) Tax
- Survivor Benefit

Other benefits, such as training, equipment (e.g., uniforms, weapons, or vehicles), severance pay, hazard pay, etc., are not allowed. The COPS Office will not pay for any fringe benefits not listed, and if your agency pays those benefits for locally-funded officer positions, your agency will be required to do so for CHP-

funded officer positions with local funds.

Please review your agency's current entry-level salary and benefits costs and identify your agency's total three-year salary and benefits request per officer position. Be mindful that all 20152016 CHP total 3-year salary and benefits requests will be capped at \$125,000 per officer position. Please ensure that the base salary and all fringe benefits entered into your application are accurate prior to submitting your application.

Sample Budget Detail Worksheet

The sample Budget Detail Worksheet that is included has been completed to assist you in submitting your budget information.

Budget Worksheet Part 1: Full-Time Sworn Officer Information

Section A:

The agency entered \$36,000.00 as the annual first-year entry-level base salary (referred to as annual base salary or "ABS") of a full-time sworn officer position in its department. The ABS cannot be higher than what the agency currently pays for this position locally. Your agency should only provide the ABS for one position in this section; the agency will have the opportunity in Section C to indicate the total number of positions being requested.

Section B:

Social Security cannot exceed 6.2 percent of the ABS. In the sample, the agency entered zero and checked the "Exempt" box. Agencies that pay a fixed rate that is less than 6.2 percent should check the "Fixed Rate" box.

Medicare cannot exceed 1.45 percent of the ABS. In the sample, the agency entered the maximum allowable amount of \$522.00 ($\$36,000.00 \times 1.45\% = \522.00).

For health insurance, life insurance, vacation, sick leave, retirement, worker's compensation, and unemployment insurance, agencies should indicate the dollar amount and percentage of the ABS that it pays for fringe benefits in the first year for a full-time entry-level sworn officer position. For worker's compensation and unemployment insurance, agencies may indicate that they are exempt by checking the appropriate box.

There are several other fringe categories that are allowable under this grant program, and they are listed in the drop-down menu. Your agency can pick as many of the categories as are applicable to your agency and fill in the dollar amount and percentage of the ABS for each one.

In the sample, the agency entered \$16,362.00 for the total first-year entry-level fringe benefits for a full-time sworn officer position in its department.

Section C:

The Budget Worksheet will automatically calculate the total Year 1 salary and fringe benefits for one entry-level full-time sworn officer position for your agency in Section C, which for the sample equals \$52,362.00.

For Year 2 and Year 3, agencies are required to provide projections for the salary and fringe benefits for an entry-level full-time officer position. Agencies are also required to maintain records documenting how it calculated its projections. There are many ways that an agency may calculate and document the salary and fringe benefits projections. For example, the figures can be based on a contractual agreement that guarantees cost of living or other increases; budget projections that the agency is using to calculate other salaries and fringe benefits for future years; or the average percentage increase in salaries and benefits that the agency experienced over the last five years. The important thing is that your agency estimates

the costs to the best of its ability and keeps the supporting documentation in your agency's grant file in case of future audit or monitoring of your CHP grant.

For Year 2, the agency estimated the salary at \$37,080 and fringe benefits at \$16,853. For Year 3, the agency estimated the salary at \$38,192 and fringe benefits at \$17,359.

Based on the figures for Year 1, 2, and 3, the Budget Worksheet will automatically calculate the total three-year salary and fringe benefits. In addition, the Budget Worksheet will automatically calculate total project costs based on the number of officer positions your agency requested in the application.

Please note that the COPS Office uses the information provided in the Budget Worksheet to determine the amount of your CHP grant, if awarded, so your agency must ensure that the figures are accurate.

Budget Worksheet Part 2: Sworn Officer Salary Information

All agencies that have an estimated increase in salaries and/or fringe benefits over the life of the grant are required to provide a reason(s) why. Agencies should check all the boxes that apply. In the sample, the agency checked that the increases were due to cost of living adjustments and step raises.

Budget Worksheet Part 3: Federal/Local Share Costs (for Hiring Grants)

The first chart in Part 3 will indicate the total salary and benefits for the 3-year grant period, and the required local share. The minimum local match requirement is 25 percent of the total project cost, and the cap on the amount of funding that can be requested per officer position is \$125,000 over 3 years (36 months). Any additional cost above the local match and officer funding cap will be the responsibility of the grantee agency. Grantees are also required to pay a progressively larger share of the cost of the grant with local funds over the grant period. The second chart is a projection of the planned federal and local shares of the total project costs over the 3-year period of the grant; while your agency may deviate from these specific projections during the grant period, it must still endure that the federal share decreases and the local share increases.

Budget Summary

The Budget Summary will automatically calculate total project costs based on the figures provided in the Budget Worksheet and the number of officer positions requested in the application. It will also calculate the amount of the local match requirement. If your agency requested a waiver of the local match, the federal and local share will be calculated based on the waiver request.

Budget Worksheet Part 4: Waiver of the Local Match

The COPS Office may grant a waiver of some or all of a grantee's local match requirement. During the application review process, your agency's waiver request will be evaluated based on the availability of funding, a demonstration of **severe fiscal distress** as supported by the fiscal health data provided in Section 7 of this application, and comparison of your fiscal health data with that of the overall CHP applicant pool. Therefore, you should carefully determine the maximum local share your agency would be able to contribute if awarded. If you agency requests a waiver, you must respond to the Question 1b of Budget Worksheet Part 4. Please indicate if we should continue to consider your application if the waiver request is not granted or whether it should be removed from consideration once that determination is made. If your application is funded, but for a reduced number of officer positions, the percentage of local share provided above will be applied to the total project cost of the awarded officers.

Section 15: Assurances and Certifications

Applicants to COPS programs are required to sign and submit the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read, understand, and accept the grant terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered grant or cooperative agreement.

A. ASSURANCES

Several provisions of federal law and policy apply to all grant and cooperative agreement programs. The Office of Community Oriented Policing Services (“COPS”) needs to secure your assurance that the applicant will comply with these provisions. If you would like further information about any of these assurances, please contact your state’s COPS Grant Program Specialist at 800-421-6770.

By signing this form, the applicant assures that it will comply with all legal and administrative requirements that govern the applicant for acceptance and use of federal award funds. In particular, the applicant assures us that:

- 2.It will comply with the provisions of federal law, which limit certain political activities of employees whose principal employment is in connection with an activity financed in whole or in part with this grant or cooperative agreement. These restrictions are set forth in 5 U.S.C. § 1501, et seq.
- 3.It will comply with the minimum wage and maximum hours provisions of the Fair Labor Standards Act (29 U.S.C. § 201, et seq.), if applicable.
- 4.It will establish safeguards, if it has not done so already, to prohibit employees from using their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties. In addition, it will disclose (in writing) to the COPS Office any potential conflict of interest arising during the course of performance of the grant or cooperative agreement award and also will require such written disclosures by any subrecipients.

8. It will not (and will require any subgrantees, contractors, successors, transferees, and assignees not to), on the grounds of race, color, religion, national origin, sex, disability, or age, unlawfully exclude any person from participation in, deny the benefits of or employment to any person, or subject any person to discrimination in connection with any programs or activities funded in whole or in part with federal funds. These civil rights requirements are found in the non-discrimination provisions of Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d); the Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 U.S.C. § 3789d); Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794); the Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.); Title IX of the Education Amendments of 1972, as amended (20 U.S.C. § 1681, et seq.); and the corresponding DOJ regulations implementing those statutes at 28 C.F.R. Part 42 (subparts C, D, E, G, and I). It will also comply with Executive Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Interoperable communications equipment and technology is used to increase interoperability and data information-sharing among the law enforcement, fire service, and emergency medical service communities.

Obligation of Funds: If this application is awarded, the COPS Office "obligates" federal funds when the grant Award Document is signed by the Director or his/her designated official. For the grantee, grant funds are "obligated" when monies are spent directly on purchasing items approved under the grant or cooperative agreement. The term encumbrance is often times used at the local and state levels to describe this type of transaction. Liquidated obligations are considered cash outlays or monies actually spent. Unliquidated obligations are obligations incurred and recorded but not yet paid (accrual basis of accounting) or not yet recorded and not yet paid (cash basis of accounting).

Appendix B: Intergovernmental Review Process, Points of Contact by State

Executive Order 12372 requires applicants from state and local units of government, or other organizations or individuals providing service within a state, to submit a copy of the application to the state Single Point of Contact (SPOC), if one exists, and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710 "Public Safety and Community Policing Grants."

A current list of state SPOCs is listed at www.whitehouse.gov/omb/grants/spoc.html . States that are not listed have chosen not to participate in the intergovernmental review process, and therefore do not have a SPOC.
