Instructional and Informational Guide for Applying for a Certificate of Registration

For Further Details, Refer to the Regulations (29 C.F.R. Part 500) and to the U.S. Department of Labor Publication, "Migrant and Seasonal Agricultural Worker Protection Act (MSPA)."

NOTE: Submission of this application form does not authorize the applicant to engage in farm labor contracting activities. If the application is approved, the applicant will be issued either a Farm Labor Contractor (FLC) or a Farm Labor Contractor Employee (FLCE) Certificate of Registration.

This application is divided into three parts: Part I is to be completed by all applicants and contains general identifying information. Part II is to be completed *only* by applicants applying for a FLC Certificate of Registration. Part III is to be completed *only* by applicants applying for a FLCE Certificate of Registration.

Item 1 - Application for certificate. (Please check only one block.)

If no FLC or FLCE (whichever is applicable) Certificate of Registration (Form WH-511 or WH-513) has ever been issued to you by the U.S. Department of Labor (even though you previously applied for one), check "initial." If your certificate has expired, check "initial." If a certificate has been issued to you by the U.S. Department of Labor and that certificate has not yet expired, check "renewal" and enter the number of the last certificate issued to you. If a certificate has been previously issued to you, but circumstances have changed that necessitate an amendment to your original certificate (e.g., change of permanent address, or to add or remove an authorization to transport, house, or drive covered workers), check "amended." If you are applying for an initial certificate, attach a completed Form FD-258, *Fingerprint Card*, to this application. If applying for a renewal certificate and your last Fingerprint Card is more than three years old, submit another completed Form FD-258. A Fingerprint Card is *not* required for applications to "amend" a Certificate of Registration.

Type of Certificate - Check one block to indicate whether applying as a FLC or as a FLCE.

Items 2-4 – Person making application. This item is to identify the person submitting the application regardless of whether they are applying for a certificate in their own name or on behalf of an organization.

Item 5 – If you drive a motor vehicle to transport migrant or seasonal agricultural workers and you are applying for an initial certificate, submit a completed Form WH-515, *Doctor's Certificate*, with this application. If applying for a renewal certificate and your last Doctor's Certificate is more than three years old, submit another completed Form WH-515.

We also allow the submission of unexpired, properly completed Department of Transportation doctor certification forms such as the DOT Medical Examiner's Certificate or the DOT Form 649-F *Medical Examination Report for Commercial Driver Fitness Determination*.

Item 7 – Operating as an individual or organization. If application is for a corporation, partnership, or other organization, each officer, director, partner, or employee who will engage in any of the covered farm labor contracting activities on behalf of the organization must obtain either a FLC Certificate of Registration or a FLCE Certificate of Registration prior to so engaging in farm labor contracting activities.

Item 8 - For a definition of "employ," see 29 C.F.R. § 500.20(h)(4). All other terms have their common meaning.

Item 10 – A certificate of registration **Authorizing the Applicant to Transport Migrant Workers** in connection with the applicant's business, activities, or operations as a farm labor contractor shall be issued only after the following have been submitted:

a. **Evidence of compliance** with applicable Federal and State rules and regulations as follows:

All vehicles which the applicant is to provide or arrange to furnish to transport migrant or seasonal agricultural workers must first be inspected and approved each year by a Federal or State inspector or by a responsible garage or mechanic. A completed Form WH-514 or WH-514a, *Vehicle Identification and Mechanical Inspection Report*, must be submitted to the U.S. Department of Labor each year for each vehicle to be used to transport workers.

b. **Evidence of compliance** with the insurance or financial responsibility requirements of the Migrant and Seasonal Agricultural Worker Protection Act and the Regulations issued thereunder. 29 C.F.R. § 500.120-.128.

If worker's compensation coverage is provided in lieu of vehicle insurance, submit proof of a worker's compensation coverage policy of insurance plus a \$50,000 property damage policy or a Farm Labor Contractor Motor Vehicle Liability Certificate of Insurance showing that workers are covered by liability insurance while being transported.

Item 11 – A farm contractor is considered an "owner" of migrant agricultural worker facilities or real property if the farm labor contractor has a legal or equitable interest in such facilities or real property. A farm labor contractor is in "control" of facilities or real property when the contractor is in charge of or has the power or authority to oversee, manage, superintend, or administer facilities or real property either personally or through an authorized agent or employee acting in any of the aforesaid capacities.

Proof that facilities or real property owned or controlled by a farm labor contractor complies with applicable Federal and State safety and health standards can be satisfied by one of the following:

- 1. A certification issued by a State or local health authority or other appropriate agency, or
- 2. A dated and signed written request for the inspection of a facility or real property made to the appropriate State or local agency at least forty-five (45) days prior to the date on which it is to be occupied by migrant agricultural workers.

Item 12 – Section 101(b) of the MSPA requires that a person issued a Farm Labor Contractor Employee Certificate of Registration be an employee of a person holding a valid Farm Labor Contractor Certificate of Registration.

29 U.S.C. § 1811(b). The employer identification should be in the name in which your employer's Farm Labor Contractor Certificate was issued. If no certificate has been issued but your employer has applied, enter "applied" and the date in the space provided for the registration number.
