The blacked out cells indicate that company-level information for companies that are part of an affiliated group of insurers need not be reported. |

|                |  |   |
| <b>Premium</b> | <b>By Jurisdiction</b>   |   |

|   |                                |   |
|---|--------------------------------|---|
| B | TRIP-Eligible Line of Coverage | <p>Commercial Lines of Insurance subject to TRIP, as per 31 CFR 50.5(l). These differ for purposes of state regulatory reporting on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14) as follows: Allied Lines (Line 2.1) should not include Federal crop insurance or any other type of crop insurance privately issued or reinsured. The figures for Workers' Compensation (Line 16) should not include the Excess Workers' Compensation (Line 16.003) portion of premium otherwise generally reported as part of Workers' Compensation. Report Excess Workers' Compensation Premium separately as indicated. Other Liability (Line 17) and Umbrella and Excess (Commercial) (Line 17.0020) should be reported separately, without umbrella/excess reported as a component of Other Liability. Neither Other Liability or umbrella/excess should include Professional Errors and Omissions Liability Insurance. Finally, and notwithstanding the provisions of 31 CFR 50.33, for purposes of this collection reporting insurers do not need to make the premium adjustments in connection with residual market mechanisms provided for under that rule.</p> |
| C | NAIC Line (Commercial Only)    | <p>Line of Insurance number as used for state regulatory reporting purposes on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14).</p>   |
| D | Jurisdiction                   | <p>Identify jurisdiction (US State, the District of Columbia, or US Territory) for which information is provided. Complete this Worksheet separately for each jurisdiction in which premium is earned.</p>  |

|   |   |   |
|---|---|---|
| E | Total 2015 TRIP-Eligible DEP (all policies)   | <p>Total direct earned premium (DEP) for 2015 charged for the lines in question. Generally, DEP figures are to be reported for purposes of this Worksheet as they are reported for state regulatory purposes (on Statutory Page 14), subject to the adjustments to the NAIC Line descriptions identified in connection with Column B. To the extent an insurer does not use Statutory Page 14 for purposes of state regulatory reporting, the insurer should seek to allocate its direct earned premium in a fashion consistent with the categories identified in Column B that are derived, as modified, from Statutory Page 14, for purposes of completing these worksheets. In addition, DEP should be included in the calculations for all Worksheets only to the extent that commercial property and casualty coverage is issued for losses at the following locations: (1) Within the United States; (2) In the case of an air carrier (as defined in section 40102 of title 49, United States Code), or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), losses occurring anywhere; and (3) At the premises of any United States mission. The figures reported in this column will be the sum of the respective figures in Columns F-H. All information in this column as well as in the following columns should be reported, by jurisdiction, on a consolidated insurer group basis, unless reporting for a single insurer. The requested figure for total 2014 TRIP-eligible DEP (all lines) to be reported in Cell E19 should be calculated in the same fashion as TRIP-eligible DEP for 2015 as requested in this Worksheet, only consolidated by all TRIP-eligible lines.</p> |
| F | Total 2015 TRIP-Eligible DEP when Terrorism Risk Coverage Not Purchased                     | Total DEP for 2015 charged for the line in question under policies when Terrorism Risk Coverage was not purchased by the policyholder.  |
| G | Total 2015 TRIP-Eligible DEP when Terrorism Risk Coverage Provided for Disclosed \$0 Charge | Total DEP for 2015 charged for the line in question under policies when Terrorism Risk Coverage was provided by the insurer to the policyholder for a disclosed \$0 charge.   |
| H | Total 2015 TRIP-Eligible DEP when Terrorism Risk Coverage Premium Charged                   | Total DEP for 2015 charged for the line in question under policies when Terrorism Risk Coverage was provided by the insurer to the policyholder for a disclosed non-\$0 charge.   |

|   |  |   |
|---|--|---|
| I   | Total 2015 Disclosed Terrorism Risk Coverage DEP Charged | Amount of the 2015 terrorism risk DEP charged as a component of the TRIP-Eligible DEP figure in Column H. At the end of Column I, report the requested aggregate information. The figure identified in Cell I17 should be the total terrorism risk DEP collected in all TRIP-eligible lines for all years from 2003 through 2015, combined. If data is not available for all years (or the insurer was not writing TRIA-eligible coverage in all years), indicate in Cell I18 the years covered by the figure that is provided (using four-digit years separated with a hyphen -- e.g., 2007-2010).   |
| <b>Number of Policies By Jurisdiction</b> |  |   |
| B   | TRIP-Eligible Line of Coverage                           | Commercial Lines of Insurance subject to TRIP, as per 31 CFR 50.5(l). These differ for purposes of state regulatory reporting on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14) as follows: Allied Lines (Line 2.1) should not include Federal crop insurance or any other type of crop insurance privately issued or reinsured. The figures for Workers' Compensation (Line 16) should not include Excess Workers' Compensation (Line 16.003) otherwise generally reported as part of Workers' Compensation. Report Excess Workers' Compensation separately as indicated. Other Liability (Line 17) and Umbrella and Excess (Commercial) (Line 17.0020) should be reported separately, without umbrella/excess reported as a component of Other Liability. Neither Other Liability or umbrella/excess should include Professional Errors and Omissions Liability Insurance. |
| C   | NAIC Line (Commercial Only)                              | Line of Insurance number as used for state regulatory reporting purposes on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14).  |
| D   | Jurisdiction   | Identify jurisdiction (US State, the District of Columbia, or US Territory) for which information is provided. Complete this Worksheet separately for each jurisdiction in which premium is earned.   |

|   |   |   |
|---|---|---|
| E   | Total 2015 Number of Policies by line   | Report 2015 information, by jurisdiction, on a consolidated insurer group basis, unless reporting for a single insurer. Count policies containing multiple lines of TRIP-eligible coverage as separate policies for each line. However, in Cell E17, only count Package or Multi-line policies containing multiple lines of TRIP-eligible coverage as single policies for purposes of the policy count that is requested. Because of the different basis of calculation, the total in Cell E16 will likely not be equal to the figure in Cell E17 if you issue Package/Multi-line policies. Otherwise, the figures entered in Column E for each line, as well as the total figure in Cell E16, should equal the sum of the respective figures in Columns F-H. |
| F   | Total 2015 Number of Policies by line when Terrorism Risk Coverage Not Purchased                      | Provide 2015 policy count when Terrorism Risk coverage was not purchased by the policyholder.   |
| G   | Total 2015 Number of Policies by line when Terrorism Risk Coverage Provided for Disclosed \$0 Charge  | Provide 2015 policy count when Terrorism Risk coverage was extended by the insurer for a disclosed \$0 charge.  |
| H   | Total 2015 Number of Policies by line when Terrorism Risk Coverage Premium Charged                    | Provide 2015 policy count when Terrorism Risk coverage was provided by the insurer for a disclosed non-\$0 premium charge.  |
| <b>Package/Multi-line Policies (Nationwide)</b> |   |   |
| B   | Jurisdiction  | Because this Worksheet only seeks information concerning Package/Multi-line Policies generally and not by individual lines, data for all jurisdictions should be reported in the identified cells on this Worksheet by jurisdiction.  |
| C   | Total 2015 Number of Package/Multi-line Policies containing at least one TRIP-Eligible Line           | Report 2015 information, by jurisdiction, on a consolidated insurer group basis, unless reporting for a single insurer. Throughout this Worksheet, only count each Package or Multi-line policy once and not once per TRIP-eligible line written under such policies. The number of policies figures in Column C should equal the sum of the respective number of policies figures in Columns F, H & J.   |
| D   | Total 2015 DEP associated with Package/Multi-line Policies containing at least one TRIP-Eligible Line | Report 2015 total direct earned premium (DEP) associated with Package/Multi-line Policies containing at least one TRIP-eligible line, even if some portion of the premium in question is for lines of insurance not subject to TRIP.  |

|   |  |  |
|---|--|--|
| E | Total 2015 TRIP-Eligible DEP associated with Package/Multi-line Policies containing at least one TRIP-Eligible Line  | Report only the 2015 DEP associated with the Package/Multi-line Policies containing at least one TRIP-Eligible Line that is charged for the TRIP-Eligible lines of insurance written under the Package/Multi-line policies. Use the instructions concerning TRIP-Eligible Lines of Coverage on the Premium by Jurisdiction Worksheet (Column B) to determine whether DEP is TRIP-eligible. The DEP figures in Column E should equal the sum of the respective DEP figures in Columns G, I & K. |
| F | Total 2015 Number of Package/Multi-line Policies containing at least one TRIP-Eligible Line, but where No Terrorism Risk Coverage was Purchased  | Report 2015 count of policies as requested.  |
| G | Total 2015 TRIP-Eligible DEP associated with Package/Multi-line Policies containing at least one TRIP-Eligible Line, but where No Terrorism Risk Coverage was Purchased                    | Report 2015 TRIP-Eligible DEP associated with the policies identified in Column F.   |
| H | Total 2015 Number of Package/Multi-line Policies containing at least one TRIP-Eligible Line where Terrorism Risk Coverage was provided for a Disclosed \$0 Premium                         | Report 2015 count of policies as requested.  |
| I | Total 2015 TRIP-Eligible DEP associated with Package/Multi-line Policies containing at least one TRIP-Eligible Line where Terrorism Risk Coverage was provided for a Disclosed \$0 Premium | Report 2015 TRIP-Eligible DEP associated with the policies identified in Column H.   |
| J | Total 2015 Number of Package/Multi-line Policies containing at least one TRIP-Eligible Line where Terrorism Risk Coverage provided for a Disclosed non-\$0 Premium                         | Report 2015 count of policies as requested.  |
| K | Total 2015 TRIP-Eligible DEP associated with Package/Multi-line Policies containing at least one TRIP-Eligible Line where Terrorism Risk Coverage provided for a Disclosed non-\$0 Premium | Report 2015 TRIP-Eligible DEP associated with the policies identified in Column J.   |

|  |  |  |
|--|--|--|
| L  | Total 2015 Disclosed Terrorism Coverage DEP charged under Package/Multi-line Policies containing at least one TRIP-Eligible Line | Report the Terrorism Coverage DEP associated with the number of policies identified in Column J. This DEP figure will be a component of the DEP figure in Column K.  |
|  |  |  |
| <b>Standalone Terrorism (Nationwide)</b> |  |  |
| 3  | 2015 DEP for Standalone Terrorism Policies   | Report 2015 information on a consolidated insurer group basis (unless reporting for a single insurer), nationwide, without reference to individual jurisdictions in which premium is earned. Enter information here if you issue "standalone" policies covering terrorism risk only, whether pursuant to TRIP or otherwise. Direct earned premium (DEP) as requested for these policies should also be otherwise included in the Premium by Jurisdiction Worksheet associated with the appropriate line of coverage. |
| 4  | Portion of 2015 DEP for TRIP Certified Terrorism Loss Coverage   | Identify the 2015 portion, if any, of the DEP disclosed in connection with the premium figure in Line 3 as being for insurance coverage subject to TRIP.   |
| 5  | Portion of 2015 DEP for Non-Certified Terrorism Loss Coverage  | Identify the 2015 portion, if any, of the DEP associated with the policies encompassed by Line 3 that was charged in connection with terrorism risk insurance that is not subject to TRIP.   |
| 6  | 2015 Number of Standalone Terrorism Policies Issued  | Provide the 2015 policy count requested.   |
| 7  | 2015 Number of Standalone Terrorism Policies Covering TRIP Loss Issued   | Provide the 2015 policy count requested.   |
| 8  | 2015 TIVs for Standalone Terrorism Policies Covering TRIP Loss (Property)  | Provide the sum of the 2015 Total Insured Values (TIVs) for any property coverage provided in connection with the premium figure in Line 3.  |

|  |  |  |
| <b>Exposure Bases by Jurisdiction</b>    |  |  |

|---|---|---|
| B | TRIP-Eligible Line of Coverage                                      | Commercial Lines of Insurance subject to TRIP, as per 31 CFR 50.5(l). These differ for purposes of state regulatory reporting on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14) as follows: Allied Lines (Line 2.1) should not include Federal crop insurance or any other type of crop insurance privately issued or reinsured. The figures for Workers' Compensation (Line 16) should not include Excess Workers' Compensation (Line 16.003) otherwise generally reported as part of Workers' Compensation. Report Excess Workers' Compensation separately as indicated. Other Liability (Line 17) and Umbrella and Excess (Commercial) (Line 17.0020) should be reported separately, without umbrella/excess reported as a component of Other Liability. Neither Other Liability or umbrella/excess should include Professional Errors and Omissions Liability Insurance. |
| C | NAIC Line (Commercial Only)   | Line of Insurance number as used for state regulatory reporting purposes on the NAIC Exhibit of Premiums and Losses (commonly known as Statutory Page 14).  |

| E | 2015 Total Insured Values (TIVs) Subject to Terrorism Risk Coverage | Report 2015 information, by jurisdiction, on a consolidated insurer group basis, unless reporting for a single insurer. The blacked out cells simply indicate that no data will be reportable for that particular cell, given the intersection between the NAIC line of insurance and the exposure base in question. In this column, report 2015 sums of Total Insured Values (TIVs) by line of insurance under all policies where terrorism risk coverage is provided in connection with property coverage.  |
| F | 2015 TIVs Not Subject to Terrorism Risk Coverage                    | In this column, report 2015 sums of TIVs by line of insurance under all policies where terrorism risk coverage is not provided in connection with property coverage.  |

| G   | Total TRIP-Eligible DEP (all categories)   | Report 2015 information, by jurisdiction, on a consolidated insurer group basis, unless reporting for a single insurer. Allocate TRIP-Eligible direct earned premium (DEP) figures by industry code as indicated. Also, the DEP figures in Column G should equal the sum of the respective figures in Columns I, N and S. |

|  |  |   |
| <b>Geographic Exposures (Nationwide)</b> |  |   |

| H-K                      | ZIP Code and Amount of Top 5 Largest Accumulated Exposure Locations by both Payroll and TIVs subject to TRIP Property Coverage | The last four columns seek information (by zip code and amount) on the top 5 aggregations of exposure within each group (identified 27 metropolitan areas versus the remainder of the US). Accordingly, the figures entered in those fields will not necessarily correspond to the cities to the left (for example, a company could conceivably have all of its top 5 aggregations in each group within the same city); cells have been blacked out to confirm that only the top 5 aggregations are sought, and not an ordering of more than the top 5 within each group (identified 27 metropolitan areas, and then remainder of the US). Note also the final questions (seeking a response at Lines 40 and 41) which seek information concerning the insurer group or reporting company's largest Probable Maximum Loss at a single street level address location, assuming the detonation of a 5 ton truck bomb at that location. |

| 36-39 | Loss to Group or Company within TRIP Deductible, Private Reinsurance Recovery, Claim under TRIP, Co-Pay Obligation               | The last series of questions seek information as to how a particular defined loss event would likely affect the responding insurer group or reporting insurer, in terms of the total projected loss it would likely sustain, with that amount divided into four categories: (1) net exposure within the TRIP deductible of the insurer group (Line 36); (2) any private reinsurance recovery (Line 37); (3) projected recovery from TRIP (Line 38); and (4) co-pay share of the insurer group or reporting individual insurer above its deductible (Line 39). In terms of making these calculations, use the definitions, instructions and assumptions found in the Worksheet at Lines 28-33. It is understood that not all reporting insurers will anticipate losses under the stated scenario. |
