eZ-Audit Overview

Frequently Asked Questions...

What is eZ-Audit?

eZ-Audit is a web based paperless single point of submission for financial statements and compliance audits. A designee from your school simply signs on to eZ-Audit, enters summary audit and financial data directly from your report into a web form, attaches an electronic version of the report, and hits the submit button. Your submission through eZ-Audit will allow for more rapid and efficient processing by the Department of Education (ED) and therefore provide you with immediate feedback.

How does eZ-Audit work?

1. Your school submits its compliance audit data and summary financial data via an Internet web form (follow this manual for complete instructions).
2. Your school also attaches an electronic copy of your financial statement and compliance audit in a non-editable PDF format (using Adobe Acrobat).
3. The eZ-Audit system automatically forwards flagged financials and deficient audits to FSA's School Participation Management Team for resolution.
4. School Participation Teams communicate with you to reach resolution.
5. As desired, you can periodically check eZ-Audit for the status of your report.

How does eZ-Audit Benefit You?

- You will receive instant acknowledgement of receipt – no more lost reports!
- You will no longer need to make any copies or send reports in the mail to ED.
- Processing times will be greatly reduced, thus allowing for quicker remediation of findings.
- Web forms will contain pre-populated fields.
- There are no new reporting requirements – data entry will be limited to the same data already contained in the reports.
- The time spent submitting these forms should be less than 1 hour.
- Status of your submissions will be accessible to you online at anytime.
- A Help Desk is available for assistance Monday – Friday, 9:00 a.m. – 5:00 p.m. EST. Call 1-877-263-0780 or email fsaezaudit@ed.gov

Who at my school will use eZ-Audit?

- *eZ-Audit Institution/School Administrator*, selected by your school, is responsible for:
 - Registering your school with eZ-Audit
 - Providing/managing access to data entry and submission approval personnel, as identified by your school
 - Maintaining security information regarding schools users as required
- *eZ-Audit Data Entry Users*, selected by your school, are responsible for:
 - Entering data into the eZ-Audit system
 - Attaching non-editable, PDF files of financial statements and compliance audits
- *eZ-Audit Submission Approvers*, selected by your school, are responsible for:
 - Reviewing the submission prior to “submit”
 - Approving the submission via the “submit” action

Step-by-Step Guide to Using eZ-Audit For Public Schools

What role should my auditor play in eZ-Audit?

You may choose to ask your auditor to serve as a *Data Entry User* of eZ-Audit. This means that your auditor would complete the fields in the system, and attach the audited documents in the non-editable, PDF format. If your auditor is *not* selected as a Data Entry User, you may request that your auditor electronically send you your financial statements and compliance audits in the non-editable PDF format using Adobe Acrobat.

Please note that the PDF files containing your financial statements and compliance audits will be included as attachments to your eZ-Audit submission – all signature pages in the financial statements and compliance audits, as well as the school's corrective action plan, must be scanned.

eZ-Audit Technical Requirements

eZ-Audit is a **web-based application**. This means you will not need to load a new application on your computer. You will simply need to ensure that you have an **Internet browser – either Netscape 4.76 or 6.2 or Internet Explorer 5.0 or higher**.

NOTE

If you receive an error that does not allow you to access eZ-Audit when you type in the URL from your internet browser, please contact your network administrator and request that he/she do one of the following:

- Open your firewall to allow all 165.224.xxx.xxx addresses through, which would allow your school access to all ed.gov sites
- Conduct an nslookup on ezaudit.ed.gov which will allow your school access to eZ-Audit

eZ-Audit requires you to attach a non-editable PDF version of your annual submissions. **Adobe Acrobat** must be used to create this attachment. You have several *options* for obtaining Adobe Acrobat:

- Purchase Adobe Acrobat 5.0 software that will allow you to scan paper copies of your submissions and convert them to PDF. (The retail cost of the software is approximately \$250)
- Convert an electronic version of your submission (word, excel, etc) to PDF format using www.adobe.com online. (Adobe provides this conversion capability for \$9.99 for one month with unlimited use.)
- Bring paper copies of your submissions to your local copying center (Kinkos, etc.) and request that they create a PDF version of your submission. (The cost of this option will vary, however \$30 - \$50 is a reasonable estimate.)

School Group Submissions

ED considers a school group as one A-133 report submission for multiple OPEIDs. For example, the State of Louisiana submits one statewide financial report and A-133 audit for all the state schools in Louisiana. Another example would be a nursing program with a separate OPEID included in A-133 of a university.

NOTE

When more than one OPEID is covered in an A-133 audit, ED considers this to be a school group, e.g., if a State submits a state-wide A-133 audit covering all of the state universities, each with a different OPEID.

The school group should designate one of the OPEIDs as the submitting institution. The submitting institution registers with the eZ-Audit and does the submission for all of the schools in the school group. As part of the eZ-Audit submission, the submitting institution has to complete the Compliance Audit Information page. This should be done only once,

Step-by-Step Guide to Using eZ-Audit For Public Schools

covering all of the schools in the school group. In answering the questions on the page, the submitting institution should answer 'Yes' if the condition applies to any of the schools. For example, if any of the schools participates in FFEL programs, the answer for the school group would be 'Yes'. If the information populated in the application is incorrect or should you require additional assistance, please contact eZ-Audit at 1-877-263-0780 or by email at fsaezaudit@ed.gov

eZ-Audit Submission Requirements

Effective June 16, 2003, all Title IV participating schools are required to submit audited financial statements and compliance audits electronically, via eZ-Audit, to the Department of Education. (Please see May 16, 2003 Federal Register)

NOTE

OMB still requires submissions of A-133 reports (public and non-profit institutions) to be sent to the Federal Audit Clearinghouse at 1201 E. 10th Street, Jeffersonville, IN 47132

When must an institution submit financial statements and/or compliance audit?

- **All participating institutions must submit financial statements and compliance audits annually. (34 CFR 668.23 and OMB Circular A-133)**
 - Public institutions' financial statements and compliance audits are due nine months after the end of the fiscal year (OMB Circular A-133).

**If your institution expends less than \$300,000 in Federal funds (less than \$500,000 for fiscal years ending after December 31, 2003), you are not required to submit a compliance audit. You must submit an Exemption/ Request to the Department for the compliance portion of the A-133 report. (See Waiver and Exemption Request).

- **If you are seeking initial participation in the Title IV Program.**
 - Please note that an Application for Approval to Participate in Federal Student Aid Programs (www.eligcert.ed.gov) should be filed at the time of your submission.
- **If you undergo a change in ownership, merger or structure change.**
 - Please note that an Application for Approval to Participate in Federal Student Aid Programs (www.eligcert.ed.gov) should be filed at the time of your submission.
- **If you wish to be reinstated to participate in Title IV program(s).**
 - Please note that an Application for Approval to Participate in Federal Student Aid Programs (www.eligcert.ed.gov) should be filed at the time of your submission.
