

Appendix E Thank You Email

FROM: Amanda Wilmot (Westat)

CC. Carolyn Hronis (EIA)

Dear [Respondent's name]

On behalf of the U.S. Energy Information Administration and Westat, I thank you for participating in our interview on behalf of your organization.

Your comments were extremely useful to us. Your responses will help us to understand how the survey questions are received and where people might have problems. Next year, when the survey is administered, your comments will have had a role in making that survey more successful.

Sincerely

Amanda Wilmot
