

OMB Control No. 2060-0347 Water Data Verification Form Due to EPA 4/17/2015

Step 1: Verify building name and address Property Name (note that this is the name that will be used on the recognition certificate and any outreach materials): 3190 Fairview Park	Yes, the property name is correct. No, this is incorrect. I would like the name of the property to be listed as:
Portfolio Manager Building ID#: 1345536 Property Address: 3190 Fairview Park Drive, Falls Church, Virginia 22042	Yes, the building address is correct No, this is incorrect. I have corrected the address in Portfolio Manager to read:
Step 2: Verify gross floor area: 260924 sq. ft.	
Does this square footage include all supporting functions such as kitchens and break rooms used by staff, storage areas, administrative areas, elevators, stairwells, atriums, vent shafts, etc.? Also note that existing atriums should only include the base floor area that they occupy. Interstitial (plenum) space between the floors should not be included in the total.	Yes, this is correct. No, this is incorrect. I have added and/or corrected this data in my Portfolio Manager account, and resubmitted my property data using this link: https://portfoliomanager.energystar.gov/pm/reports/dataRequest/ accept/41005f7b-d45e-4039-bd34-34fef7cf633e
Finally, gross floor area is not the same as leasable space. Leasable space is a subset of gross floor area.	
Step 3: Verify meter data Verify that each water meter entry that appears in Portfolio Manager for the baseline and competition periods (January through December of 2013 and 2014) is correct and matches the actual meter readings as reported by the utility. Also verify that ALL water use associated with this property is represented in Portfolio Manager, and that no meter is shared with another property. Also verify that the property was operating business as usual throughout the competition period.	Yes, all meters are represented and all entries are correct. No, one or more meters, or meter entries, is incorrect or missing. I have added and/or corrected them in my Portfolio Manager account, and resubmitted my property data using this link: https://portfoliomanager.energystar.gov/pm/reports/ dataRequest/accept/41005f7b-d45e-4039-bd34-34fef7cf633e
Step 4: Signature of Professional Engineer or Registered Archite I certify that the information contained on this form is true and accurate to the best of my knowledge.	ect
Name: Date:	
Signature:	
Step 5: Send form to EPA Send a signed, scanned PDF of this document to EPA by April 17. If this is a hardship, please contact EPA to make other arrangements prior to April 17. All correspondence can be sent to: <i>BattleOfTheBuildings@cadmusgroup.cor</i>
