Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is being collected to permit more efficient risk management of the Title I loan portfolio as well as facilitate claims processing for loan defaults. The information provides a more comprehensive basis for evaluating Title I lender underwriting practices and thereby improving risk management of the loan portfolio and also enhances management's ability to determine appropriate policy changes affecting the Title I portfolio as a whole. Responses are required in order to obtain benefits. No assurance of confidentiality is provided.

Sensitive Information: The information collected on this form is considered sensitive and is protected by the Privacy Act. The Privacy Act requires that these records be maintained with appropriate administrative, technical, and physical safeguards to ensure their security and confidentiality. In addition, these records should be protected against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on who the information is maintained.

This package contains two pages: the Transmittal (Part 1), and the Application Voucher (Part 2). Please keep a copy. Send originals to:

U.S. Department of Housing and Urban Development
Financial Operations Center
Attn: Title I Claims
52 Corporate Circle
Albany, NY 12203

Time Requirements: A claim must be filed no later than 9 months after the date of default for a property improvement loan. A claim for a manufactured home purchase loan (including lots and combination loans) must be filed within 3 months after the sale of the property securing the loan, but no later than 18 months after the date of default. Exception to these deadlines can be found at 24 CFR 201.54(b)(2) and (3).

Accuracy and Completeness: All applicable spaces on the Transmittal and the Application Voucher must be completed and any omissions or incomplete items must be explained. Both pages must be signed and dated by an authorized official of the lending institution, and must be accompanied by the complete loan file pertaining to the loan transaction. The original note, security instrument and any related documents must be submitted with the claim.

Secured Loans: Any security interest in the loan must be legally recorded in accordance with applicable state law. If the lender's security interest has been recorded, an assignment of this security interest to the United States of America must also be recorded in the same jurisdiction prior to filing an insurance claim. Recorded assignments should include Title I case number for future identification. [For consistency purposes please use Title I instead of FHA case number].

Bankruptcy/Decedent Estate: When the lender has timely information that the borrower is involved in a bankruptcy proceeding or is deceased, a proof of claim must be filed with the bankruptcy or probate court having jurisdiction. However, a proof of claim need not be filed if the bankruptcy court indicates that the borrower has no assets, or if the lender determines that there will not be a probate proceeding. Documentation of the reason why no proof of claim has been filed must accompany the insurance claim.

Form of Assignment: All notes and security instruments must be assigned to the United States of America. The assignment must appear on the note or other instrument being assigned, or on an attachment to the note or other instrument. The assignment must be in the following form, unless this form is not valid or generally acceptable in the jurisdiction where the property is located:

<p>All right, title, and interest of the undersigned is hereby assigned (without warranty, except that the loan qualifies for insurance) to the United States of America (U.S. Department of Housing and Urban Development).</p>
<p>(Name of Financial Institution)</p>
<p>By _____</p>
<p>Title _____</p>
<p>Date _____</p>

Please Note that filling in the information on this sample form does not constitute an assignment. The above is intended to be used only as a guide.

Refinanced Loans: Copies of the note, security instrument and all other documents pertaining to the original loan must be retained in the loan file for the refinanced loan, and must accompany an insurance claim on the refinanced loan.

Payments Received after Filing the Claim: If the borrower sends a payment to the lending institution after the insurance claim has been filed, send the payment with full identification to:
